Sealed Air intends to use the net proceeds from the offering to repurchase, redeem or satisfy and discharge all of its outstanding 8.125% Senior Notes of the Company due 2019, to pay consent fees in connection with a consent solicitation with respect to its 8.375% Senior Notes due 2021, in each case including any premiums, fees and expenses in connection therewith, and for general corporate purposes. We expect the offering to close on November 24, 2014, subject to customary closing conditions.

The Notes and related guarantees will be offered only to qualified institutional buyers under Rule 144A of the Securities Act of 1933, as amended (the "Securities Act"), and to non-U.S. persons in transactions outside the United States under Regulation S of the Securities Act. The Notes have not been registered under the Securities Act, and, unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and other applicable securities laws.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Notes, in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.
