**Item 6. Indemnification of Directors and Officers.**

Section 145 of the General Corporation Law of the State of Delaware (“DGCL”) provides, generally, that a corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (except actions by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation against all expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. A corporation may similarly indemnify such person for expenses actually and reasonably incurred by such person in connection with the defense or settlement of any action or suit by or in the right of the corporation, *provided* that such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, in the case of claims, issues and matters as to which such person shall have been adjudged liable to the corporation, *provided* that a court shall have determined, upon application, that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

Section 102(b)(7) of the DGCL provides, generally, that a certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, *provided* that such provision may not eliminate or limit the liability of a director (i) for any breach of the director’s duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. No such provision may eliminate or limit the liability of a director for any act or omission occurring prior to the date when such provision became effective.

Under Article ELEVENTH of the Company’s amended and restated certificate of incorporation (the “Certificate of Incorporation”) and Article 8 of the Company’s amended and restated by-laws (the “By-Laws”), indemnification of directors and officers is provided for to the fullest extent permitted under the DGCL. Article TWELFTH of the Certificate of Incorporation eliminates the liability of directors for monetary damages for breach of fiduciary duty as directors, except for liability (1) for any breach of the director’s duty of loyalty to the Company or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) under Section 174 of the DGCL, or (4) for any transaction from which the director derived an improper personal benefit. The DGCL, the Certificate of Incorporation and the By-Laws permit the purchase by the Company of insurance for indemnification of directors and officers. We currently maintain directors and officers liability insurance.

The foregoing summary of Section 145 of the DGCL, Articles ELEVENTH and TWELFTH of the Certificate of Incorporation and Article 8 of the By-Laws is qualified in its entirety by reference to the relevant provisions of Section 145, the relevant provisions of the Company’s Unofficial Composite Amended and Restated Certificate of Incorporation, which are incorporated herein by reference to Exhibit 3.1 to the Company’s Registration Statement on Form S-3, Registration No. 333-108544, and the relevant provisions of the Company’s Amended and Restated By-Laws, which are incorporated herein by reference to Exhibit 3.1 to the Company’s Current Report on Form 8-K filed on February 17, 2017, File No. 1-12139.

Ladies and Gentlemen:

I am the Vice President, Acting General Counsel and Secretary of Sealed Air Corporation, a Delaware corporation (the "Corporation"), and as such have represented the Corporation in connection with a Registration Statement on Form S-8 (the "Registration Statement") providing for the registration under the Securities Act of 1933, as amended, of 1,669,071 shares (the "Shares") of the Corporation's Common Stock, par value \$0.10 per share (the "Common Stock") which may be issued by the Corporation pursuant to the 2014 Omnibus Incentive Plan (the "2014 Plan"). This opinion is being furnished in connection with the requirements of Item 601(b)(5) of Regulation S-K under the Act, and no opinion is expressed herein as to any matter pertaining to the contents of the Registration Statement or related prospectus, other than as expressly stated herein with respect to the issue of the Shares.

I have confirmed that the authorization of the Shares for issuance under the 2014 Plan was approved by the board of directors of the Corporation (the "Board of Directors") on February 18, 2014, and that the 2014 Plan was approved by the stockholders of the Corporation (the "Stockholders") at the 2014 annual meeting (the "Annual Meeting"), which approval was obtained on May 22, 2014. The Board of Directors approved registration of the Shares and the preparation and filing of the Registration Statement on February 14, 2018.

As counsel for the Corporation, in addition to participating in the preparation of the Registration Statement, I have reviewed the 2014 Plan, the resolutions adopted by the Board of Directors on February 18, 2014 approving and adopting the 2014 Plan and authorizing the reservation for issuance of the Shares under the 2014 Plan and the listing of the Shares on the New York Stock Exchange, Inc., a resolution adopted by the Stockholders at the Annual Meeting approving the 2014 Plan, and the resolutions adopted by the Board of Directors on February 14, 2018 approving the registration of the Shares and the preparation and filing of the Registration Statement. I have also reviewed such corporate records, documents, instruments and certificates and have made such other inquiries as I have deemed necessary in order to enable me to render this opinion.

As to factual matters, I have relied on originals or copies authenticated to my satisfaction of the documents referred to above and such other documents as I have considered necessary to form a basis for rendering this opinion.

Based on the foregoing, I am of the opinion that the Shares, when issued pursuant to the Registration Statement and the terms and conditions of the 2014 Plan, will be legally issued, fully paid and nonassessable shares of Common Stock of the Corporation.

I hereby consent to the filing of this opinion with the Securities and Exchange Commission as Exhibit 5 to the Registration Statement and to the reference to me in Item 5 of the Registration Statement.

Very truly yours,

/s/ Thomas C. Lagaly
