**Item 1.01 Entry Into a Material Definitive Agreement.**

On March 25, 2017, Sealed Air Corporation (the “Company”) entered into a Purchase Agreement (the “Purchase Agreement”) with Diamond (BC) B.V. (“Buyer”), a newly formed entity affiliated with Bain Capital Private Equity (the “Sponsor”). On the terms and subject to the conditions set forth in the Purchase Agreement, Buyer has agreed to purchase the Company’s Diversey Care division and the food hygiene and cleaning business within the Company’s Food Care division (collectively, the “Diversey Business”) for \$3.2 billion in cash (subject to certain adjustments set forth in the Purchase Agreement).

The Purchase Agreement contains various representations, warranties, and covenants by each party, including, among others, covenants with respect to the conduct of the Diversey Business by the Company during the period between the execution of the Purchase Agreement and the completion of the transaction (the “Closing”). The Company and Buyer have agreed to use their respective reasonable best efforts to cause the transaction to be consummated. In addition, for a period of two (2) years following the Closing, subject to certain exceptions, the Company and its affiliates will not engage in certain activities that compete with the Diversey Business. Further, for a period of one (1) year following the Closing, the Company and its affiliates will be subject to certain non-solicitation and non-hire provisions relating to the Diversey Business, and Buyer and its affiliates will be subject to certain non-solicitation and non-hire provisions relating to the Company’s retained businesses.

The transaction is subject to certain closing conditions including, among others, (i) the expiration or early termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the receipt of required clearances from certain other foreign governmental antitrust authorities; (ii) the absence of any statute, rule, regulation, executive order, decree, preliminary or permanent injunction, or restraining order prohibiting or restricting the consummation of the transaction; and (iii) the completion of an internal reorganization of the Company to separate the Diversey Business therefrom. Each party’s obligation to consummate the transaction is also subject to (1) the accuracy of the other party’s representations and warranties contained in the Purchase Agreement (subject to certain materiality qualifiers) and (2) the other party’s performance and compliance in all material respects with its obligations and covenants under the Purchase Agreement. The closing of the transaction will not occur prior to September 5, 2017, unless the parties otherwise agree.

Either party has the right to terminate the Purchase Agreement under certain circumstances. Those circumstances include (i) failure to consummate the transaction by October 16, 2017 (the “Outside Date”); (ii) material breach by either party that has not been cured, if curable, within the shorter of thirty (30) days after notice of such breach and prior to the Outside Date; (iii) mutual consent; or (iv) as a result of a governmental action that restrains, enjoins, or otherwise prohibits the transactions contemplated by the Purchase Agreement.

Buyer is required to pay the Company a termination fee of \$208 million if the Purchase Agreement is terminated by the Company (i) upon a breach by Buyer of any of its representations, warranties, agreements or covenants set forth in the Purchase Agreement and such breach renders a closing condition incapable of satisfaction, and such breach has not been waived and is not cured by the earlier of thirty (30) days after notice of such breach or the Outside Date; (ii) if the marketing period for Buyer’s financing has ended, all conditions to Buyer’s obligation to close have been satisfied, the Company notifies Buyer that it is ready, willing and able to close, but Buyer fails to consummate the Closing within three (3) business days after such notice; and (iii) if the Closing does not occur by the Outside Date and the Company would be entitled to terminate at such time as a result of the circumstances stated in clause (i) of this paragraph.

Buyer has obtained equity commitments from certain funds affiliated with the Sponsor and debt financing commitments from Credit Suisse AG, Credit Suisse Securities (USA) LLC, and Goldman Sachs Bank USA.

The obligations of Buyer pursuant to the Purchase Agreement are not conditioned on receipt of this financing. However, Buyer is not required to consummate the transaction until after the completion of a marketing period for its financing that extends for up to twenty-two (22) consecutive days following the receipt of certain financial information from the Company and satisfaction of all closing conditions. Certain funds affiliated with the Sponsor have also agreed to guarantee the obligations of Buyer under the Purchase Agreement to pay the reverse termination fee and reimbursement obligations that may become payable by the Buyer, on the terms and subject to the conditions set forth in their limited guaranty in favor of the Company.

Each of the Company and Buyer has agreed to indemnify the other party for losses arising from certain breaches of the Purchase Agreement and for certain other liabilities, subject to certain limitations. In connection with the transaction, the Company and Buyer (or entities that it will acquire in the transaction) will also enter into certain additional ancillary agreements, including a transition services agreement, license agreements with respect to certain intellectual property of the Diversey Business and the Company and other commercial agreements.

The foregoing description of the Purchase Agreement is qualified in its entirety by reference to the full text of the Purchase Agreement, a copy of which will be filed with the United States Securities and Exchange Commission as an exhibit to the Quarterly Report on Form 10-Q to be filed by the Company for the quarterly period ended March 31, 2017 (the "First Quarter 10-Q").

The representations, warranties and covenants set forth in the Purchase Agreement have been made only for the purposes of the Purchase Agreement and solely for the benefit of the parties thereto and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Purchase Agreement instead of establishing such matters as facts. In addition, such representations and warranties were made only as of the dates specified in the Purchase Agreement, and information regarding the subject matter thereof may change after the date of the Purchase Agreement. Accordingly, the Purchase Agreement will be filed as an exhibit to the First Quarter 10-Q to provide investors with information regarding its terms and not to provide investors with any other factual information regarding the Company or its businesses (including the Diversey Business) as of the date of the Purchase Agreement or as of any other date.

In addition, the Company intends to provide supplemental information regarding the transaction in connection with presentations to analysts and investors. **SEALED AIR ANNOUNCES SALE OF NEW DIVERSEY TO BAIN CAPITAL PRIVATE EQUITY**

- Announces sale of New Diversey to Bain Capital Private Equity for approximately \$3.2 billion
- Increases share repurchase program by an additional \$1.5 billion

CHARLOTTE, N.C., March 27, 2017 – Sealed Air Corporation (NYSE:SEE) today announced it has entered into a definitive agreement to sell its Diversey Care division and the food hygiene and cleaning business within its Food Care division (together “New Diversey”) to Bain Capital Private Equity, a leading global private investment firm, for approximately \$3.2 billion.

New Diversey will be a leading hygiene and cleaning solutions company that integrates chemicals, floor care machines, tools and equipment, with a wide range of technology based value-added services, food safety services and water and energy management. New Diversey will continue to employ approximately 8,600 people globally. Diversey Care and the related food hygiene businesses combined generated net sales of approximately \$2.6 billion in 2016.

“We are pleased that New Diversey has a strong partner to support future growth initiatives and drive further expansion. Diversey Care and its related hygiene business has built an impressive innovation pipeline that includes the Internet of Clean™, robotics and AHP disinfection technologies, revamped its go-to-market strategy and significantly improved profitability,” said Jerome A. Peribere, President and Chief Executive Officer. “New Sealed Air, a leading provider of food, product and medical packaging solutions, will continue to focus on accelerating profitable growth and generating strong cash flow through end market opportunities and the global adoption of new products and solutions. Sealed Air’s advanced product portfolio is designed to reduce waste, conserve resources and provide product security, and deliver unique and measurable value to customers and the planet.”

“Diversey has a long track record of leadership in the hygiene and cleaning solutions market on a global basis,” said Ken Hanau, a Managing Director at Bain Capital Private Equity. “We are excited to partner with the talented team at Diversey to grow across key market verticals and geographies while investing in innovative hygiene solutions. Bain Capital’s integrated global platform and strong growth orientation are well aligned with the strategic vision for Diversey.”

---

Upon closing of the transaction, Sealed Air expects to use the proceeds to repay debt and maintain its net leverage ratio in the range of 3.5 to 4.0 times, repurchase shares to minimize earnings dilution, and fund core growth initiatives, including potential complementary acquisitions to its Food Care and Product Care divisions.

Sealed Air's Board of Directors has authorized an increase of the share repurchase program by an additional \$1.5 billion of Sealed Air common stock. With this increase, the total authorization for future repurchases under the program is approximately \$2.2 billion. The Board has also determined that Sealed Air will maintain its quarterly cash dividend of \$0.16 per common share while the Company reduces earnings dilution. Following past practices, the Board will continue to evaluate the quarterly cash dividend annually.

The sale of New Diversey is expected to close in the second half of 2017, and is subject to certain regulatory approvals and customary closing conditions. The Acquisition includes a formal offer to acquire certain of Diversey's business in France and the Netherlands, which may be accepted following Works Council consultation. The results of operations of New Diversey will be reported as discontinued operations beginning in the first quarter of 2017. Sealed Air is tentatively scheduled to report its first quarter 2017 results on May 9, 2017.

Citi is acting as financial advisor, and Skadden, Arps, Slate, Meagher & Flom LLP as legal advisor to Sealed Air. Barclays and RBC Capital Markets LLC are serving as financial advisors and Kirkland & Ellis LLP is serving as legal counsel to Bain Capital Private Equity.
