### **Forward-Looking Statements**

Company statements in this presentation may be forward-looking. These statements include comments as to future events that may affect the Company, which are based upon management's current expectations and are subject to uncertainties, many of which are outside the Company's control. Forward-looking statements can be identified by such words as "anticipates," "expects," "will" and similar expressions. A variety of factors may cause actual results to differ materially from these expectations, including: economic conditions affecting packaging utilization; changes in raw material costs; currency translation effects; and legal proceedings. For more extensive information, see "Risk Factors" and "Cautionary Notice Regarding Forward-Looking Statements," which appear in our most recent Annual Report on Form 10-K as may be revised and updated by our Forms 10-Q and 8-K, as filed with the SEC.
