Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 concerning our business, consolidated financial condition and results of operations. Forward-looking statements are subject to risks and uncertainties, many of which are outside our control, which could cause actual results to differ materially from these statements. Therefore, you should not rely on any of these forward-looking statements. Forward-looking statements can be identified by such words as "anticipates," "believes," "plan," "assumes," "could," "should," "estimates," "expects," "intends," "potential," "seek," "predict," "may," "will" and similar references to future periods. All statements other than statements of historical facts included in this press release regarding our strategies, prospects, financial condition, operations, costs, plans and objectives are forward-looking statements. Examples of forward-looking statements include, among others, statements we make regarding expected future operating results, expectations regarding the results of restructuring and other programs, anticipated levels of capital expenditures and expectations of the effect on our financial condition of claims, litigation, environmental costs, contingent liabilities and governmental and regulatory investigations and proceedings. The following are important factors that we believe could cause actual results to differ materially from those in our forward-looking statements: the tax benefits associated with the Settlement agreement (as defined in our 2014 Annual Report on Form 10-K), global economic and political conditions, changes in our credit ratings, changes in raw material pricing and availability, changes in energy costs, competitive conditions, success of our restructuring activities, currency translation and devaluation effects, the success of our financial growth, profitability, cash generation and manufacturing strategies and our cost reduction and productivity efforts, the effects of animal and food-related health issues, pandemics, consumer preferences, environmental matters, regulatory actions and legal matters, and the other information referenced in the "Risk Factors" section appearing in our most recent Annual Report on Form 10-K, as filed with the Securities and Exchange Commission, and as revised and updated by our Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. Any forward-looking statement made by us is based only on information currently available to us and speaks only as of the date on which it is made. We undertake no obligation to publicly update any forward-looking statement, whether written or oral, that may be made from time to time, whether as a result of new information, future developments or otherwise.
