### About Sealed Air

Sealed Air is in business to protect, to solve critical packaging challenges, and to leave our world better than we found it. Our solutions and systems include CRYOVAC® brand food packaging, SEALED AIR® brand protective packaging, AUTOBAG® brand automated systems and BUBBLE WRAP® brand packaging. These brands collectively enable a more efficient, secure and less wasteful global food supply chain and enhance commerce through fulfillment and packaging solutions to protect the worldwide movement of goods.

Sealed Air's industry-leading expertise in science, engineering, and innovation transforms businesses, industries, and consumers' lives. The company continues to expand its portfolio of next-generation sustainable solutions including packaging materials, automated systems, and smart services to deliver savings and create measurable long-term value.

Sealed Air generated \$4.9 billion in sales in 2020 and has approximately 16,500 employees who serve customers in 115 countries. To learn more, visit [www.sealedair.com](http://www.sealedair.com).

### Website Information

We routinely post important information for investors on our website, [sealedair.com](http://sealedair.com), in the Investors section. We use this website as a means of disclosing material, non-public information and for complying with our disclosure obligations under Regulation FD. Accordingly, investors should monitor the Investors section of our website, in addition to following our press releases, SEC filings, public conference calls, presentations and webcasts. ### Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 concerning our business, consolidated financial condition and results of operations. Forward-looking statements are subject to risks and uncertainties, many of which are outside our control, which could cause actual results to differ materially from these statements. Therefore, you should not rely on any of these forward-looking statements. Forward-looking statements can be identified by such words as "anticipate," "believe," "plan," "assume," "could," "should," "estimate," "expect," "intend," "potential," "seek," "predict," "may," "will" and similar references to future periods. All statements other than statements of historical facts included in this press release regarding our strategies, prospects, financial condition, operations, costs, plans and objectives are forward-looking statements. Examples of forward-looking statements include, among others, statements we make regarding expected future operating results, expectations regarding the results of restructuring and other programs, anticipated levels of capital expenditures and expectations of the effect on our financial condition of claims, litigation, environmental costs, contingent liabilities and governmental and regulatory investigations and proceedings. The following are important factors that we believe could cause actual results to differ materially from those in our forward-looking statements: global economic and political conditions, currency translation and devaluation effects, changes in raw material pricing and availability, competitive conditions, the success of new product offerings, consumer preferences, the effects of animal and food-related health issues, pandemics, changes in energy costs, environmental matters, the success of our restructuring activities, the success of our financial growth, profitability, cash generation and manufacturing strategies and our cost reduction and productivity efforts, changes in our credit ratings, the tax benefit associated with the Settlement agreement (as defined in our most recent Annual Report on Form 10-K), regulatory actions and legal matters, and the other information referenced in the "Risk Factors" section appearing in our most recent Annual Report on Form 10-K, as filed with the Securities and Exchange Commission, and as revised and updated by our Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. Any forward-looking statement made by us is based only on information currently available to us and speaks only as of the date on which it is made. We undertake no obligation to publicly update any forward-looking statement, whether written or oral, that may be made from time to time, whether as a result of new information, future developments or otherwise.
