

## SEE Announces Closing of Offering of Senior Notes

June 28, 2024

CHARLOTTE, N.C., June 28, 2024 /PRNewswire/ -- Sealed Air Corporation ("SEE") (NYSE: SEE) today announced, together with Sealed Air Corporation (US) (together with SEE, the "Issuers"), the closing of their previously announced offering of \$400 million aggregate principal amount of 6.500% senior notes due 2032 (the "Notes"). The Notes were sold to investors at 100.0% of their aggregate principal amount. The Notes are jointly and severally, and irrevocably and unconditionally, guaranteed on a senior unsecured basis by each of SEE's existing and future wholly owned domestic subsidiaries that guarantee its senior secured credit facilities, subject to release under certain circumstances, although, for purposes of this offering, Sealed Air Corporation (US) is a co-issuer and not a guarantor.

SEE is using the net proceeds from the offering of the Notes, (i) to repurchase any or all of SEE's outstanding 5.500% senior notes due 2025 (the "2025 Notes") pursuant to SEE's previously announced tender offer and to pay related premiums, fees and expenses in connection therewith, and (ii) to the extent of any remaining proceeds after giving effect to the foregoing transaction, for general corporate purposes. The tender offer is conditioned upon, among other things, the completion of the offering of the Notes; however, the closing of the offering of the Notes is not conditioned on the consummation of the tender offer. If SEE purchases less than the full aggregate principal amount of the outstanding 2025 Notes, SEE intends to satisfy and discharge any remaining 2025 Notes in accordance with the terms of the indenture governing the 2025 Notes.

The Notes and related guarantees have been offered only to qualified institutional buyers under Rule 144A of the Securities Act of 1933, as amended (the "Securities Act"), and to non-U.S. persons in transactions outside the United States under Regulation S of the Securities Act. The Notes have not been registered under the Securities Act, and, unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and other applicable securities laws.

This press release does not constitute an offer to sell or the solicitation of an offer to buy, nor has there been any sale of the Notes, in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. This press release does not constitute an offer to purchase the 2025 Notes or a notice of satisfaction and discharge with respect to the 2025 Notes.

### Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 concerning our business, consolidated financial condition, results of operations and cash flows. Forward-looking statements are subject to risks and uncertainties, many of which are outside our control, which could cause actual results to differ materially from these statements. Therefore, you should not rely on any of these forward-looking statements. Forward-looking statements can be identified by such words as "anticipate," "believe," "plan," "assume," "could," "should," "estimate," "expect," "intend," "potential," "seek," "predict," "may," "will" and similar references to future periods. All statements other than statements of historical facts included in this press release regarding our strategies, prospects, financial condition, operations, costs, plans and objectives are forward-looking statements. Examples of forward-looking statements include, among others, statements we make regarding expected future operating results, expectations regarding the results of restructuring and other programs, expectations regarding future impacts of acquisitions, anticipated levels of capital expenditures and expectations of the effect on our financial condition of claims, litigation, environmental costs, contingent liabilities and governmental and regulatory investigations and proceedings.

The following are important factors that we believe could cause actual results to differ materially from those in our forward-looking statements: global economic and political conditions, including recessionary and inflationary pressures, currency translation and devaluation effects, changes in raw material pricing and availability, competitive conditions, the success of new product offerings, failure to realize synergies and other financial benefits from acquisitions within the expected time frames, greater than expected costs or difficulties related to acquisition integrations, consumer preferences, the effects of animal and food-related health issues, the effects of epidemics or pandemics, negative impacts related to the ongoing conflict between Russia and Ukraine and related sanctions, export restrictions and other counteractions thereto, uncertainties relating to existing or potential increased hostilities in the Middle East, changes in energy costs, environmental matters, the success of our restructuring activities, the success of our merger,

acquisition and equity investment strategies, the success of our financial growth, profitability, cash generation and manufacturing strategies and our cost reduction and productivity efforts, changes in our credit ratings, regulatory actions and legal matters and the other information referenced in the "Risk Factors" section appearing in our most recent Annual Report on Form 10-K, as filed with the Securities and Exchange Commission, and as revised and updated by our Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. Any forward-looking statement made by us is based only on information currently available to us and speaks only as of the date on which it is made. We undertake no obligation to publicly update any forward-looking statements, whether written or oral, that may be made from time to time, whether as a result of new information, future developments or otherwise.
