Note 1 Organization and Basis of Presentation**Organization**

We are a leading global provider of packaging solutions that integrate sustainable, high-performance materials, automation, equipment, and services. Sealed Air Corporation designs, manufactures and delivers packaging solutions that preserve food, protect goods, and automate packaging processes. We deliver our packaging solutions to an array of end markets including fresh proteins, foods, fluids and liquids, medical and life science, e-commerce retail, logistics and omnichannel fulfillment operations, and industrials.

We have established competitive strengths in high-performance packaging solutions, well-established customer relationships, iconic brands, and global scale and market access.

Throughout this report, when we refer to “Sealed Air,” the “Company,” “we,” “our,” or “us,” we are referring to Sealed Air Corporation and all of our subsidiaries, except where the context indicates otherwise.

Basis of Presentation

Our Condensed Consolidated Financial Statements include all of the accounts of the Company and our subsidiaries. We have eliminated all significant intercompany transactions and balances in consolidation. In management’s opinion, all adjustments, consisting only of normal recurring accruals, necessary for a fair statement of our Condensed Consolidated Balance Sheet as of June 30, 2024 and our Condensed Consolidated Statements of Operations for the three and six months ended June 30, 2024 and 2023 have been made. The results set forth in our Condensed Consolidated Statements of Operations for the three and six months ended June 30, 2024 and in our Condensed Consolidated Statements of Cash Flows for the six months ended June 30, 2024 are not necessarily indicative of the results to be expected for the full year. The Condensed Consolidated Balance Sheet as of December 31, 2023 was derived from audited financial statements but does not include all disclosures required by accounting principles generally accepted in the United States (“GAAP”). All amounts are in millions, except per share amounts, and are approximate due to rounding. All amounts are presented in U.S. dollar, unless otherwise specified.

Our Condensed Consolidated Financial Statements were prepared in accordance with the interim reporting requirements of the SEC. As permitted under those rules, annual footnotes or other financial information that are normally required by GAAP have been condensed or omitted. The preparation of Condensed Consolidated Financial Statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts and the disclosure of contingent amounts in our Condensed Consolidated Financial Statements and accompanying notes. Actual results could differ from these estimates.

We are responsible for the unaudited Condensed Consolidated Financial Statements and notes included in this report. As these are condensed financial statements, they should be read in conjunction with the audited consolidated financial statements and notes thereto included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023 (“2023 Form 10-K”), which was filed with the SEC on February 27, 2024, and with the information contained in our other publicly available filings with the SEC.

When we cross reference to a “Note,” we are referring to our “Notes to Condensed Consolidated Financial Statements,” unless the context indicates otherwise.

There were no significant changes to our significant accounting policies as disclosed in “Note 2 – Summary of Significant Accounting Policies and Recently Adopted and Issued Accounting Standards” of our audited consolidated financial statements and notes thereto included in our 2023 Form 10-K.

Impact of Highly Inflationary Economy**Argentina**

Economic and political events in Argentina have continued to expose us to heightened levels of foreign currency exchange risk. As of July 1, 2018, Argentina was designated as a highly inflationary economy under GAAP, and the U.S. dollar replaced the Argentine peso as the functional currency for our subsidiary in Argentina. All Argentine peso-denominated monetary assets and liabilities were remeasured into U.S. dollars using the current exchange rate available to us. The impact of any changes in the exchange rate are reflected within Other expense, net on the Condensed Consolidated Statements of Operations. The Company recorded \$0.6 million and \$5.5 million of remeasurement losses for the three and six months ended June 30, 2024, respectively, and \$3.1 million and \$5.7 million of remeasurement losses for the three and six months ended June 30, 2023, respectively, related to our subsidiary in Argentina.

Note 2 Recently Adopted and Issued Accounting Standards

Recently Adopted Accounting Standards

In September 2022, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2022-04, Liabilities - Supplier Finance Programs (Subtopic 405-50): Disclosure of Supplier Finance Program Obligations ("ASU 2022-04"). ASU 2022-04 requires the buyer in a supplier finance program to disclose qualitative and quantitative information about the program. The Company adopted ASU 2022-04 on January 1, 2023, except for the amendment on rollforward information. The adoption did not materially impact the Company's Condensed Consolidated Financial Statements. The amendment on rollforward information was adopted on January 1, 2024 and is effective for fiscal years beginning after December 15, 2023.

We facilitate a voluntary supply chain financing program to provide some of our suppliers with the opportunity to sell receivables due from us (our accounts payables) to participating financial institutions at the sole discretion of both the suppliers and the financial institutions. This program is administered by participating financial institutions. When a supplier utilizes the supply chain financing program, the supplier receives a payment in advance of agreed payment terms from the financial institution, net of a discount charged. Our responsibility is limited to making payments to the respective financial institutions on the terms originally negotiated with our supplier. We monitor our days payable outstanding relative to our peers and industry trends in order to assess our conclusion that the program continues to be a trade payable program and not indicative of a borrowing arrangement. The liabilities continue to be presented as Accounts payable in our Condensed Consolidated Balance Sheets until they are paid, and they are reflected as Cash flows from operating activities when settled. At June 30, 2024 and December 31, 2023, our accounts payable balances included \$175.7 million and \$153.0 million, respectively, related to invoices from suppliers participating in the program.

Recently Issued Accounting Standards

In December 2023, the FASB issued ASU 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures ("ASU 2023-09"). ASU 2023-09 requires the annual disclosure of specific categories in the rate reconciliation and additional information for the reconciling items that meet a quantitative threshold (if the effect of those reconciling items is equal to or greater than 5 percent of the amount computed by multiplying pretax income or loss by the applicable statutory income tax rate). ASU 2023-09 is effective for annual periods beginning after December 15, 2024, with early adoption permitted for annual financial statements that have not yet been issued or made available for issuance. The Company is currently evaluating this ASU to determine its impact on the Company's disclosures.

In November 2023, the FASB issued ASU 2023-07, Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures ("ASU 2023-07"). ASU 2023-07 requires annual and interim disclosure of significant segment expenses that are regularly provided to the chief operating decision maker ("CODM"), the disclosure and description of other segment items, the inclusion of all current annual disclosures about a reportable segment in interim periods, allows for disclosure of multiple measures of a reportable segment's profit or loss, requires disclosure of the CODM's title and position, and requires a description of how the CODM uses reported measures in assessing the performance of reportable segments and in making decisions pertaining to allocation of resources. ASU 2023-07 is effective for annual periods beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024, with early adoption permitted. The Company is currently evaluating this ASU to determine its impact on the Company's disclosures.

Note 3 Revenue Recognition, Contracts with Customers

Description of Revenue Generating Activities

We employ sales, marketing and customer service personnel throughout the world who sell and market our products, services, equipment and systems.

As discussed in Note 6, “Segments,” our reporting segments are Food and Protective. Our Food solutions are largely sold directly to end customers, while our Protective solutions are sold through business supply distributors and directly to end customers.

Food:

Food solutions are sold to food processors in fresh red meat, smoked and processed meats, poultry, seafood, fluids and liquids, cheese, and other food markets worldwide. Food offers integrated packaging materials and automated equipment solutions to increase food safety, extend shelf life, reduce food waste, automate processes and optimize total cost. Its materials, automated equipment and service enable customers to reduce costs and enhance their brands in the marketplace.

Food solutions are utilized by food service businesses (such as restaurants and entertainment venues) (“food service”) and food retailers (such as grocery stores and supermarkets) (“food retail”), among others. Solutions serving the food service market include products such as barrier bags and pouches, and are primarily marketed under the CRYOVAC® trademark and other highly recognized trade names including CRYOVAC® brand Barrier Bags, CRYOVAC® brand Form-Fill-Seal Films, CRYOVAC® brand Auto Pouch Systems and LIQUIBOX® brand liquids systems. Solutions serving the food retail market include products such as barrier bags, film, and trays, and are primarily marketed under the CRYOVAC® trademark and other highly recognized trade names including CRYOVAC® brand Grip & Tear™, CRYOVAC® brand Darfresh®, OptiDure™, Simple Steps®, and CRYOVAC® brand Barrier Bags.

Protective:

Protective packaging solutions are utilized across many global markets to protect goods during transit and are especially valuable to e-commerce, consumer goods, pharmaceutical and medical devices and industrial manufacturing. Protective solutions are designed to increase our customers' packaging velocity, minimize packaging waste, reduce labor dependencies and address dimensional weight challenges.

Protective solutions are sold through a strategic network of distributors as well as directly to our customers, including, but not limited to, fabricators, original equipment manufacturers, contract manufacturers, logistics partners and e-commerce/fulfillment operations. Protective solutions are marketed under SEALED AIR® brand, BUBBLE WRAP® brand, AUTOBAG® brand and other highly recognized trade names and product families including BUBBLE WRAP® brand inflatable packaging, SEALED AIR® brand performance shrink films, AUTOBAG® brand bagging systems, Instapak® polyurethane foam packaging solutions and Korrvu® suspension and retention packaging.

Other Revenue Recognition Considerations:

Charges for rebates and other allowances are recognized as a deduction from revenue on an accrual basis in the period in which the associated revenue is recorded. Revenue recognized from performance obligations satisfied in previous reporting periods was \$0.1 million and \$1.2 million for the three and six months ended June 30, 2024, respectively, and \$0.6 million and \$1.4 million for the three and six months ended June 30, 2023, respectively.

The Company does not adjust consideration in contracts with customers for the effects of a significant financing component if the Company expects that the period between transfer of a good or service and payment for that good or service will be one year or less. This is expected to be the case for the majority of the Company's contracts.

Lease components within contracts with customers are recognized in accordance with Accounting Standards Codification (“ASC”) Topic 842.

Contract Balances

The time when a performance obligation is satisfied and the time when billing and payment occur are generally closely aligned, subject to agreed payment terms, with the exception of equipment accruals. An equipment accrual is a contract offering, whereby a customer is incentivized to use a portion of the materials transaction price for future equipment purchases. Long-term contracts that include an equipment accrual create a timing difference between when cash is collected and when the performance obligation is satisfied, resulting in a contract liability (unearned revenue). The following contract assets and liabilities are included within Prepaid expenses and other current assets and Other current liabilities, or Other non-current liabilities on our Condensed Consolidated Balance Sheets as of June 30, 2024 and December 31, 2023:

(In millions)	June 30, 2024	December 31, 2023
Contract assets	\$ 0.3	\$ 0.4
Contract liabilities	\$ 22.1	\$ 19.9

The contract liability balances represent deferred revenue, primarily related to equipment accruals. Revenue recognized in the three and six months ended June 30, 2024 that was included in the contract liability balance at the beginning of the period was \$2.8 million and \$5.4 million, respectively, and \$3.5 million and \$8.1 million in the three and six months ended June 30, 2023, respectively. This revenue was driven primarily by equipment performance obligations being satisfied.

Remaining Performance Obligations

The following table summarizes the estimated transaction price from contracts with customers allocated to performance obligations or portions of performance obligations that have not yet been satisfied as of June 30, 2024 and December 31, 2023, as well as the expected timing of recognition of that transaction price.

(In millions)	June 30, 2024	December 31, 2023
Short-Term (12 months or less) ⁽¹⁾	\$ 15.2	\$ 13.3
Long-Term	6.9	6.6
Total transaction price	\$ 22.1	\$ 19.9

⁽¹⁾ Our enforceable contractual obligations tend to be short term in nature. The table above does not include the transaction price of any remaining performance obligations that are part of the contracts with expected durations of one year or less.

Note 4 Leases

Lessor

Sealed Air has contractual obligations as a lessor with respect to some of our automation and equipment solutions including "free on loan" equipment and leased equipment, both sales-type and operating. The consideration in a contract that contains both lease and non-lease components is allocated based on the standalone selling price.

Our contractual obligations for operating leases can include termination and renewal options. Our contractual obligations for sales-type leases tend to have fixed terms and can include purchase options. We utilize the reasonably certain threshold criteria in determining which options our customers will exercise.

All lease payments are primarily fixed in nature and therefore captured in the lease receivable. Our sales-type lease receivable balances at June 30, 2024 and December 31, 2023 were as follows:

<i>(In millions)</i>	June 30, 2024	December 31, 2023
Short-Term (12 months or less)	\$ 9.1	\$ 8.5
Long-Term	37.0	33.3
Lease receivables	\$ 46.1	\$ 41.8

Sales-type and operating lease revenue was less than 1% of net trade sales for the six months ended June 30, 2024 and the year ended December 31, 2023.

Lessee

Sealed Air has contractual obligations as a lessee with respect to warehouses, offices and manufacturing facilities, IT equipment, automobiles, and material production equipment.

Note 5 Acquisitions

LB Holdco, Inc. Acquisition

On February 1, 2023, Sealed Air acquired 100% of the outstanding shares of capital stock of LB Holdco, Inc., the parent company of Liquibox, Inc. (collectively, "Liquibox"), a pioneer, innovator and manufacturer of Bag-in-Box fluids and liquids packaging and dispensing solutions for food, beverage, consumer goods and industrial end markets. The acquisition is included in our Food reporting segment.

Consideration paid was approximately \$1.16 billion in cash. In March of 2024, subsequent to the closure of the measurement period, we reached a final purchase price settlement with the seller of \$3.5 million, which was recorded as income within Other expense, net on the Condensed Consolidated Statements of Operations during the first quarter of 2024. We financed the consideration paid and related fees and expenses through borrowings under our senior secured credit facility, proceeds from the issuance of senior notes, and cash on hand. See Note 13, "Debt and Credit Facilities," for additional details. For the three and six months ended June 30, 2023, acquisition-related expenses recognized for the Liquibox acquisition were \$0.1 million and \$12.0 million, respectively. These expenses are included within Selling, general and administrative expenses in the Condensed Consolidated Statements of Operations.

Goodwill is a result of the synergies that are expected to originate from the combination of Cryovac and Liquibox solutions for the Company, as well as growth of our sustainable packaging portfolio. This goodwill is not deductible for tax purposes. The goodwill balance associated with Liquibox is included in the Food reportable segment.

Liquibox Supplemental Information

The following table presents the amounts of net sales and net loss attributed to Liquibox since the acquisition date that are included in our Condensed Consolidated Statements of Operations for the three and six months ended June 30, 2023:

Pro Forma Financial Information

The following table presents the Company's unaudited pro forma financial information for the three and six months ended June 30, 2023, assuming the acquisition of Liquibox had occurred on January 1, 2022. The information below reflects pro forma adjustments based on available information and certain assumptions that Sealed Air believes are factual and supportable. The unaudited pro forma information is not necessarily indicative of the results that might have occurred had the transaction actually taken place on January 1, 2022 and is not intended to be a projection of future results and gives no effect to any future synergistic benefits that may result from the combination or the costs of integrating the acquired operations with those of the Company.

<i>(In millions)</i>	Three Months Ended June 30, 2023	Six Months Ended June 30, 2023
Net sales	\$ 1,380.8	\$ 2,755.2
Net earnings	\$ 100.9	\$ 170.9

The unaudited pro forma financial information includes, where applicable, adjustments for (i) additional expense from the fair value step-up of inventory, (ii) additional amortization expense related to acquired intangible assets, (iii) additional depreciation expense related to acquired property and equipment, (iv) transaction costs and other one-time non-recurring costs, (v) additional interest expense for borrowings related to the acquisition and amortization associated with fair value adjustments of debt assumed, and (vi) associated tax-related impacts of adjustments.

Other 2023 Acquisition Activity

During the second quarter of 2023, Food had other acquisition activity resulting in a total purchase price paid of \$14.9 million. The Company finalized the allocation of the consideration transferred to the fair value of assets acquired in the third quarter of 2023, resulting in an allocation to goodwill of \$7.9 million. There were no other identifiable intangible assets acquired. This acquisition activity is expected to supplement our developmental efforts for sustainable packaging and accelerate our speed to market for certain sustainable solutions. This acquisition activity was not material to our Condensed Consolidated Financial Statements.

Note 6 Segments

The Company's segment reporting structure consists of two reportable segments as follows and a Corporate category:

- Food
- Protective

The Company's Food and Protective segments are considered reportable segments under FASB ASC Topic 280. Our reportable segments are aligned with similar groups of products. Corporate includes certain costs that are not allocated to the reportable segments. The Company evaluates performance of the reportable segments based on the results of each segment. The performance metric used by the Company's chief operating decision maker to evaluate performance of our reportable segments is Segment Adjusted EBITDA. The Company allocates expense to each segment based on various factors including direct usage of resources, allocation of headcount, allocation of software licenses or, in cases where costs are not clearly delineated, costs may be allocated on portion of either net trade sales or an expense factor such as cost of sales.

We allocate and disclose depreciation and amortization expense to our segments, although depreciation and amortization are not included in the segment performance metric Segment Adjusted EBITDA. We also allocate and disclose restructuring charges by segment, although they are not included in the segment performance metric Segment Adjusted EBITDA since restructuring charges are categorized as Special Items (as identified below). The accounting policies of the reportable segments and Corporate are the same as those applied to the Condensed Consolidated Financial Statements.

The following tables show Net sales and Segment Adjusted EBITDA by reportable segment:

Goodwill

We review goodwill for impairment on a reporting unit basis annually during the fourth quarter of each year and whenever events or changes in circumstances indicate the carrying value of goodwill may not be recoverable. Since the date of our last annual goodwill impairment assessment, there have been no significant events or circumstances that have indicated a potential for impairment.

Note 10 Accounts Receivable Securitization Programs

U.S. Accounts Receivable Securitization Program

We and a group of our U.S. operating subsidiaries maintain an accounts receivable securitization program under which they sell eligible U.S. accounts receivable to a wholly-owned subsidiary that was formed for the sole purpose of entering into this program. The wholly-owned subsidiary in turn may sell an undivided fractional ownership interest in these receivables to two banks and issuers of commercial paper administered by these banks. The wholly-owned subsidiary retains the receivables it purchases from the operating subsidiaries. Any transfers of fractional ownership interests of receivables under the U.S. receivables securitization program to the two banks and issuers of commercial paper administered by these banks are considered secured borrowings with the underlying receivables as collateral and will be classified as Short-term borrowings on our Condensed Consolidated Balance Sheets. These banks do not have any recourse against the general credit of the Company. The net trade receivables that served as collateral for these borrowings are reclassified from Trade receivables, net to Prepaid expenses and other current assets on the Condensed Consolidated Balance Sheets. There were \$47.9 million and \$46.5 million of borrowings or corresponding net trade receivables maintained as collateral as of June 30, 2024 and December 31, 2023, respectively.

As of June 30, 2024, the maximum purchase limit for receivable interests was \$50.0 million, subject to the availability limits described below.

The amounts available from time to time under this program may be less than \$50.0 million due to a number of factors, including but not limited to our credit ratings, trade receivable balances, the creditworthiness of our customers and our receivables collection experience. As of June 30, 2024, the amount available to us under the program before utilization was \$47.9 million. Although we do not believe restrictions under this program presently materially restrict our operations, if an additional event occurs that triggers one of these restrictive provisions, we could experience a decline in the amounts available to us under the program or termination of the program.

The program expires annually and is renewable.

European Accounts Receivable Securitization Program

We and a group of our European subsidiaries maintain an accounts receivable securitization program with a special purpose vehicle, or SPV, two banks, and issuers of commercial paper administered by these banks. The European program is structured to be a securitization of certain trade receivables that are originated by certain of our European subsidiaries. The SPV borrows funds from the banks to fund its acquisition of the receivables and provides the banks with a first priority perfected security interest in the accounts receivable. We do not have an equity interest in the SPV. We concluded the SPV is a variable interest entity because its total equity investment at risk is not sufficient to permit the SPV to finance its activities without additional subordinated financial support from the bank via loans or via the collections from accounts receivable already purchased. Additionally, we are considered the primary beneficiary of the SPV since we control the activities of the SPV and are exposed to the risk of uncollectible receivables held by the SPV. Therefore, the SPV is consolidated in our Condensed Consolidated Financial Statements. Any activity between the participating subsidiaries and the SPV is eliminated in consolidation. Loans from the banks to the SPV will be classified as Short-term borrowings on our Condensed Consolidated Balance Sheets. The net trade receivables that served as collateral for these borrowings are reclassified from Trade receivables, net to Prepaid expenses and other current assets on the Condensed Consolidated Balance Sheets. There were €75.9 million (\$81.2 million equivalent at June 30, 2024) and €78.4 million (\$86.7 million equivalent at December 31, 2023) of borrowings or corresponding net trade receivables maintained as collateral as of June 30, 2024 and December 31, 2023, respectively.

As of June 30, 2024, the maximum purchase limit for receivable interests was €80.0 million (\$85.6 million equivalent at June 30, 2024), subject to availability limits. The terms and provisions of this program are similar to our U.S. program discussed above. As of June 30, 2024, the amount available under this program before utilization was €76.9 million (\$82.3 million equivalent as of June 30, 2024).

This program expires annually and is renewable.

Utilization of Our Accounts Receivable Securitization Programs

As of June 30, 2024, there were \$47.9 million and €75.9 million (\$81.2 million equivalent at June 30, 2024) of outstanding borrowings under our U.S. and European programs, respectively. As of December 31, 2023, there were \$46.5 million and €78.4 million (\$86.7 million equivalent at December 31, 2023) of outstanding borrowings under our U.S. and European programs, respectively. We continue to service the trade receivables supporting the programs, and the banks are permitted to re-pledge this collateral. The total interest paid for these programs was \$1.8 million and \$3.6 million for the three and six months ended June 30, 2024, respectively, and \$1.8 million and \$2.7 million for the three and six months ended June 30, 2023, respectively.

Under limited circumstances, the banks and the issuers of commercial paper can end purchases of receivables interests before the above expiration dates. A failure to comply with debt leverage or various other ratios related to our receivables collection experience could result in termination of the receivables programs. We were in compliance with these ratios at June 30, 2024.

Note 11 Accounts Receivable Factoring Agreements

The Company has entered into factoring agreements and customers' supply chain financing arrangements to sell certain trade receivables to unrelated third-party financial institutions. These programs are entered into in the normal course of business. We account for these transactions in accordance with ASC 860, "Transfers and Servicing" ("ASC 860"). ASC 860 allows for the ownership transfer of accounts receivable to qualify for true-sale treatment when the appropriate criteria is met, which permits the balances sold under the program to be excluded from Trade receivables, net on the Condensed Consolidated Balance Sheets. Receivables are considered sold when (i) they are transferred beyond the reach of the Company and its creditors, (ii) the purchaser has the right to pledge or exchange the receivables, and (iii) the Company has no continuing involvement in the transferred receivables. In addition, the Company provides no other forms of continued financial support to the purchaser of the receivables once the receivables are sold.

Gross amounts factored under this program for the six months ended June 30, 2024 and 2023 were \$358.4 million and \$391.2 million, respectively. The fees associated with transfer of receivables for all programs were approximately \$3.0 million and \$6.0 million for the three and six months ended June 30, 2024, respectively, and \$3.2 million and \$6.2 million for the three and six months ended June 30, 2023, respectively.

Note 12 Restructuring Activities

On August 7, 2023, the Board of Directors approved a 3-year cost take-out to grow program (the "CTO2Grow Program"). The total cash cost of this program is estimated to be in the range of \$140 to \$160 million.

For the three and six months ended June 30, 2024, the Company incurred cash expense including \$2.5 million and \$17.8 million of restructuring charges related to headcount reductions, respectively, and \$6.4 million and \$13.1 million of other associated costs, respectively, in connection with the CTO2Grow Program.

CTO2Grow Program restructuring spend is estimated to be incurred as follows:

<i>(In millions)</i>	Total Restructuring Program Range		Less Program Activity to Date	Remaining Restructuring	
	Low	High		Low	High
Costs of reduction in headcount as a result of reorganization	\$ 90	\$ 95	\$ (35)	\$ 55	\$ 60

Total estimated expense⁽³⁾	\$ 168	\$ 183	\$ (98)	\$ 70	\$ 85

⁽¹⁾ Total estimated cash cost excludes the impact of proceeds expected from the sale of property and equipment and foreign currency impact.

⁽²⁾ Reflects actual expenses that have been incurred. Ranges associated with future non-cash expenses related to the CTO2Grow Program are difficult to estimate and are not available without unreasonable efforts, as these typically relate to exit and disposal activities.

⁽³⁾ Total estimated expense excludes capital expenditures.

The following table details our aggregate restructuring activities as reflected in the Condensed Consolidated Statements of Operations.

The aggregate restructuring accrual, spending and other activity for the six months ended June 30, 2024 and the accrual balance remaining at June 30, 2024 was as follows:

<i>(In millions)</i>	
Restructuring accrual at December 31, 2023	\$ 24.3

⁽¹⁾ Excludes \$3.6 million of remaining lease obligations on terminated contracts included in Current portion of operating lease liabilities and Long-term operating lease liabilities, less current portion on our Condensed Consolidated Balance Sheets.

We expect to pay \$18.9 million of the accrual balance as of June 30, 2024 within the next twelve months. The remaining accrual of \$0.4 million is expected to be paid primarily in 2025. These amounts are included in Accrued restructuring costs and Other non-current liabilities, respectively, on our Condensed Consolidated Balance Sheets at June 30, 2024.

The CTO2Grow Program was approved by our Board of Directors as a consolidated program benefiting both Food and Protective, and accordingly the expected program spend by reporting segment is not available. However, of the total restructuring accrual of \$19.3 million as of June 30, 2024, \$11.1 million was attributable to Food and \$8.2 million was attributable to Protective.

Amended and Restated Senior Secured Credit Facility

2023 Activity

On February 1, 2023, the Company used proceeds from the incremental term facility under the senior secured credit facilities to finance in part the Liquibox acquisition. We incurred \$11.0 million of lender and third-party fees included in carrying amounts of outstanding debt. See Note 5, "Acquisitions," for further details related to the Liquibox acquisition.

Senior Notes

2024 Activity

On June 28, 2024, the Company, together with Sealed Air Corporation (US), a wholly owned subsidiary of the Company, issued \$400.0 million aggregate principal amount of 6.500% senior notes due 2032 (the "2032 Notes"). The 2032 Notes will mature on July 15, 2032. Interest is payable on January 15 and July 15 of each year, commencing on January 15, 2025. The 2032 Notes are guaranteed on a senior unsecured basis by each of the Company's existing and future wholly-owned domestic subsidiaries that guarantee its senior secured credit facilities (other than Sealed Air Corporation (US)), subject to release under certain circumstances. We capitalized \$4.0 million of fees incurred in connection with the 2032 Notes, which are included in Long-term debt, less current portion on our Condensed Consolidated Balance Sheets.

We may redeem the 2032 Notes, in whole or in part, at any time prior to July 15, 2027, at a redemption price equal to 100% of the principal amount of the 2032 Notes redeemed plus accrued and unpaid interest to, but not including, the redemption date, plus a "make-whole premium". At any time prior to July 15, 2027, we may redeem up to 40% of the aggregate principal amount of the 2032 Notes with the net cash proceeds of certain equity offerings.

The net proceeds from the 2032 Notes offering were used to repurchase all of the Company's outstanding 5.500% senior notes due 2025 (the "2025 Notes") pursuant to the tender offer commenced by the Company on June 17, 2024 and satisfy and discharge all of the Company's outstanding 2025 Notes in accordance with the terms of the indenture governing the 2025 Notes and to pay related premiums, fees and expenses in connection therewith. The aggregate repurchase price was \$407.9 million, which included the principal amount of \$400.0 million, a premium of \$6.2 million and accrued interest of \$1.7 million. We recognized a pre-tax loss of \$6.8 million on the extinguishment, including the premium mentioned above and \$0.6 million of accelerated amortization of non-lender fees, included within Other expense, net on our Condensed Consolidated Statements of Operations during the three and six months ended June 30, 2024.

2023 Activity

On November 20, 2023, the Company, together with Sealed Air Corporation (US), issued \$425.0 million aggregate principal amount of 7.250% senior notes due 2031 (the "2031 Notes"). The 2031 Notes will mature on February 15, 2031. Interest is payable on May 15 and November 15 of each year, commencing on May 15, 2024. The 2031 Notes are guaranteed on a senior unsecured basis by each of the Company's existing and future wholly-owned domestic subsidiaries that guarantee its senior secured credit facilities (other than Sealed Air Corporation (US)), subject to release under certain circumstances. We capitalized \$4.2 million of fees incurred in connection with the 2031 Notes, which are included in Long-term debt, less current portion on our Condensed Consolidated Balance Sheets.

We may redeem the 2031 Notes, in whole or in part, at any time prior to November 15, 2026, at a redemption price equal to 100% of the principal amount of the 2031 Notes redeemed plus accrued and unpaid interest to, but not including, the redemption date, plus a "make-whole premium". At any time prior to November 15, 2026, we may redeem up to 40% of the aggregate principal amount of the 2031 Notes with the net cash proceeds of certain equity offerings.

The net proceeds from the 2031 Notes offering were used to repurchase all of the Company's outstanding 5.125% senior notes due 2024 (the "2024 Notes") pursuant to the tender offer commenced by the Company on November 8, 2023 and satisfy and discharge all of the Company's outstanding 2024 Notes in accordance with the terms of the indenture governing the 2024 Notes and to pay related premiums, fees and expenses in connection therewith. The aggregate repurchase price was \$433.7 million, which included the principal amount of \$425.0 million, a premium of \$7.5 million and accrued interest of \$1.2 million. We recognized a pre-tax loss of \$8.3 million on the extinguishment, including the premium mentioned above and \$0.8 million of accelerated amortization of non-lender fees, included within Other expense, net on our Consolidated Statements of Operations during the year ended December 31, 2023.

On January 31, 2023, the Company, together with Sealed Air Corporation (US), issued \$775.0 million aggregate principal amount of 6.125% senior notes due 2028 (the "2028 Notes"). The 2028 Notes will mature on February 1, 2028. Interest is payable on February 1 and August 1 of each year, commencing on August 1, 2023. The 2028 Notes are guaranteed on a senior unsecured basis by each of the Company's existing and future wholly-owned domestic subsidiaries that guarantee its senior secured credit facilities, subject to release under certain circumstances. We capitalized \$12.2 million of fees incurred in connection with the 2028 Notes, which are included in Long-term debt, less current portion on our Condensed Consolidated Balance Sheets.

We may redeem the 2028 Notes, in whole or in part, at any time prior to February 1, 2025, at a redemption price equal to 100% of the principal amount of the 2028 Notes redeemed, plus accrued and unpaid interest, if any, to, but not including, the redemption date, plus a "make-whole premium". On or after February 1, 2025, we may redeem the 2028 Notes, in whole or in part, at specified redemption prices, plus accrued and unpaid interest, if any, to, but not including the redemption date. In addition, at any time prior to February 1, 2025, we may redeem up to 40% of the 2028 Notes using the proceeds of certain equity offerings.

The net proceeds from the 2028 Notes offering were used (i) together with a borrowing under the Company's incremental term loan facility and cash on hand, to finance the acquisition of all of the issued and outstanding shares of capital stock of Liquibox, including related fees and expenses, (ii) to repurchase all of the Company's outstanding 4.500% senior notes due 2023 (the "2023 Euro Notes") pursuant to the tender offer commenced by the Company on January 27, 2023 and satisfy and discharge all of the Company's outstanding 2023 Euro Notes in accordance with the terms of the indenture governing the 2023 Euro Notes and to pay related premiums, fees and expenses in connection therewith and (iii) to the extent of any remaining proceeds after giving effect to the foregoing transactions, for general corporate purposes. We recognized a pre-tax loss of \$4.9 million on the repurchase and cancellation of the 2023 Euro Notes, including a premium of \$4.5 million and accelerated amortization of non-lender fees of \$0.4 million, within Other expense, net on our Condensed Consolidated Statements of Operations during the first quarter of 2023. See Note 5, "Acquisitions," for further details related to the Liquibox acquisition.

Covenants

Each issue of our outstanding senior notes imposes limitations on our operations and those of specified subsidiaries. Our senior secured credit facilities contain customary affirmative and negative covenants for credit facilities of this type, including limitations on our indebtedness, liens, investments, restricted payments, mergers and acquisitions, dispositions of assets, transactions with affiliates, amendment of documents and sale leasebacks, and a covenant specifying a maximum leverage ratio to EBITDA. We were in compliance with the above financial covenants and limitations at June 30, 2024.

Note 14 Derivatives and Hedging Activities

We report all derivative instruments on our Condensed Consolidated Balance Sheets at fair value and establish criteria for designation and effectiveness of transactions entered into for hedging purposes.

As a global organization, we face exposure to market risks, such as fluctuations in foreign currency exchange rates and interest rates. To manage the volatility relating to these exposures, we enter into various derivative instruments from time to time under our risk management policies. We designate derivative instruments as hedges on a transaction basis to support hedge accounting. The changes in fair value of these hedging instruments offset, in part or in whole, corresponding changes in the fair value or cash flows of the underlying exposures being hedged. We assess the initial and ongoing effectiveness of our hedging relationships in accordance with our policy. We do not purchase, hold or sell derivative financial instruments for trading purposes. Our practice is to terminate derivative transactions if the underlying asset or liability matures or is sold or terminated, or if we determine the underlying forecasted transaction is no longer probable of occurring.

We record the fair value positions of all derivative financial instruments on a net basis by counterparty for which a master netting arrangement is utilized.

Foreign Currency Forward Contracts Designated as Cash Flow Hedges

The primary purpose of our cash flow hedging activities is to manage the potential changes in value associated with the amounts receivable or payable on equipment and raw material purchases that are denominated in foreign currencies in order to minimize the impact of the changes in foreign currencies. We record gains and losses on foreign currency forward contracts qualifying as cash flow hedges in Accumulated Other Comprehensive Loss ("AOCL") to the extent that these hedges are effective and until we recognize the underlying transactions in net earnings, at which time we recognize these gains and losses

in Cost of sales, on our Condensed Consolidated Statements of Operations. Cash flows from derivative financial instruments designated as cash flow hedges are classified as Cash flows from operating activities in the Condensed Consolidated Statements of Cash Flows. These contracts generally have original maturities of less than 12 months.

Net unrealized after-tax gains/losses related to cash flow hedging activities that were included in AOCL were a \$0.5 million gain and a \$1.9 million gain for the three and six months ended June 30, 2024, respectively, and a \$0.5 million gain and \$2.1 million loss for the three and six months ended June 30, 2023, respectively. The unrealized amount in AOCL will fluctuate based on changes in the fair value of open contracts during each reporting period.

We estimate that \$0.7 million of net unrealized gains related to cash flow hedging activities included in AOCL will be reclassified into earnings within the next twelve months.

Foreign Currency Forward Contracts Not Designated as Hedges

Our subsidiaries have foreign currency exchange exposure from buying and selling in currencies other than their functional currencies. The primary purposes of our foreign currency hedging activities are to manage the potential changes in value associated with the amounts receivable or payable on transactions denominated in foreign currencies and to minimize the impact of the changes in foreign currencies related to foreign currency-denominated, interest-bearing intercompany loans and receivables and payables. The changes in fair value of these derivative contracts are recognized in Other expense, net, on our Condensed Consolidated Statements of Operations and are largely offset by the remeasurement of the underlying foreign currency-denominated items indicated above. Cash flows from derivative financial instruments not designated as hedges are classified as Cash flows from investing activities in the Condensed Consolidated Statements of Cash Flows. These contracts generally have original maturities of less than 12 months.

Interest Rate Swaps

From time to time, we may use interest rate swaps to manage our fixed and floating interest rates on our outstanding indebtedness. At June 30, 2024 and December 31, 2023, we had no outstanding interest rate swaps.

Net Investment Hedge

In February 2023, we repaid the €400.0 million 4.500% senior notes issued in June 2015, which were previously designated as a net investment hedge against the foreign currency exposure of a portion of our net investment in certain Euro functional currency subsidiaries. See Note 13, "Debt and Credit Facilities," for additional information about the repayment of the notes.

In the first quarter of 2023, we entered into a series of cross-currency swaps with a combined notional amount of \$432.8 million. Each of these cross-currency swaps were designated as net investment hedges of the Company's foreign currency exposure of its net investment in certain Euro functional currency subsidiaries with Euro-denominated net assets, and the Company pays a fixed rate of Euro-based interest and receives a fixed rate of U.S. dollar interest. The Company has elected the spot method for assessing the effectiveness of these contracts. The maturity date for this series of cross-currency swaps is February 1, 2028. We recognized \$0.8 million and \$1.6 million of interest income within Interest expense, net on the Condensed Consolidated Statements of Operations for the three and six months ended June 30, 2024, respectively, and \$0.8 million and \$1.3 million for the three and six months ended June 30, 2023, respectively, related to these contracts.

For derivative instruments that are designated and qualify as hedges of net investments in foreign operations, changes in fair values of the derivative instruments are recognized in Unrealized gain or loss on derivative instruments for net investment hedge, a component of AOCL, net of taxes, to offset the changes in the values of the net investments being hedged. Any portion of the net investment hedge that is determined to be ineffective is recorded in Other expense, net on the Condensed Consolidated Statements of Operations.

Other Derivative Instruments

We may use other derivative instruments from time to time to manage exposure to foreign exchange rates and to access international financing transactions. These instruments can potentially limit foreign exchange exposure by swapping borrowings denominated in one currency for borrowings denominated in another currency.

Fair Value of Derivative Instruments

See Note 15, “Fair Value Measurements, Equity Investments and Other Financial Instruments,” for a discussion of the inputs and valuation techniques used to determine the fair value of our outstanding derivative instruments.

The following table details the fair value of our derivative instruments included on our Condensed Consolidated Balance Sheets.

Note 15 Fair Value Measurements, Equity Investments and Other Financial Instruments

Fair Value Measurements

Fair value represents the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. There are three levels to the fair value hierarchy as follows:

Level 1 - observable inputs that reflect quoted prices (unadjusted) for identical assets or liabilities in active markets;

Level 2 - inputs other than quoted prices included in Level 1 that are observable for the asset or liability either directly or indirectly; and

Level 3 - unobservable inputs for which there is little or no market data, which may require the reporting entity to develop its own assumptions.

The fair value, measured on a recurring basis, of our financial instruments, using the fair value hierarchy under GAAP, are included in the table below.

		June 30, 2024			
<i>(In millions)</i>	Total Fair Value	Level 1	Level 2	Level 3	
Cash equivalents	\$ 42.6	\$ 42.6	\$ —	\$ —	\$ —

Derivative financial and hedging instruments net liability:

Cross-currency swaps	\$ (3.9)	\$ —	\$ (3.9)	\$ —	\$ —

Foreign currency forward contracts	\$ 0.8	\$ —	\$ 0.8	\$ —	\$ —
Cross-currency swaps	\$ (19.9)	\$ —	\$ (19.9)	\$ —	\$ —

Cash equivalents - Our cash equivalents consisted of bank time deposits. Since these are short-term, highly liquid investments with remaining maturities of 3 months or less, they present negligible risk of changes in fair value due to changes in interest rates and are classified as Level 1 financial instruments.

Other current assets - Other current assets include primarily time deposits, greater than 90 days to maturity at time of purchase and are classified as Level 1 financial instruments. There were no such items as of December 31, 2023.

Derivative financial instruments - Our foreign currency forward contracts, foreign currency options, interest rate swaps and cross-currency swaps are recorded at fair value on our Condensed Consolidated Balance Sheets using a discounted cash flow analysis that incorporates observable market inputs. These market inputs include foreign currency spot and forward rates, and various interest rate curves, and are obtained from pricing data quoted by various banks, third-party sources and foreign currency dealers involving identical or comparable instruments. Such financial instruments are classified as Level 2.

Counterparties to these foreign currency forward contracts have at least an investment grade rating. Credit ratings on some of our counterparties may change during the term of our financial instruments. We closely monitor our counterparties' credit ratings and, if necessary, will make any appropriate changes to our financial instruments. The fair value generally reflects the estimated amounts that we would receive or pay to terminate the contracts at the reporting date.

Foreign currency forward contracts are included in Prepaid expenses and other current assets and Other current liabilities on the Condensed Consolidated Balance Sheets as of June 30, 2024 and December 31, 2023. Cross-currency swaps are included in Other non-current liabilities on the Condensed Consolidated Balance Sheets as of June 30, 2024 and December 31, 2023.

Equity Investments

Sealed Air maintains equity investments in companies which are accounted for under the measurement alternative described in ASC 321-10-35-2 ("ASC 321") for equity investments that do not have readily determinable fair values. We do not exercise significant influence over these companies. The following carrying value of these investments were included within Other non-current assets in our Condensed Consolidated Balance Sheets as of June 30, 2024 and December 31, 2023:

<i>(In millions)</i>	June 30, 2024	December 31, 2023

Purchases	—	—
Impairments or downward adjustments	—	—
Upward adjustments	—	—
Currency translation on investments	(0.4)	0.5
Carrying value at the end of period	\$ 13.4	\$ 13.8

As of June 30, 2024 and December 31, 2023, cumulative upward adjustments to our equity investments were \$21.7 million and cumulative impairments or downward adjustments were \$31.6 million.

Other Financial Instruments

The following financial instruments are recorded at fair value or at amounts that approximate fair value: (1) trade receivables, net, (2) certain other current assets, (3) accounts payable and (4) other current liabilities. The carrying amounts reported on our Condensed Consolidated Balance Sheets for the above financial instruments closely approximate their fair value due to the short-term nature of these assets and liabilities.

Other liabilities that are recorded at carrying value on our Condensed Consolidated Balance Sheets include our credit facilities and senior notes. We utilize a market approach to calculate the fair value of our senior notes. Due to their limited investor base and the face value of some of our senior notes, they may not be actively traded on the date we calculate their fair value. Therefore, we may utilize prices and other relevant information generated by market transactions involving similar securities, reflecting U.S. Treasury yields to calculate the yield to maturity and the price on some of our senior notes. These inputs are provided by an independent third party and are considered to be Level 2 inputs.

We derive our fair value estimates of our various other debt instruments by evaluating the nature and terms of each instrument, considering prevailing economic and market conditions, and examining the cost of similar debt offered at the balance sheet date. We also incorporated our credit default swap rates and currency specific swap rates in the valuation of each debt instrument, as applicable.

These estimates are subjective and involve uncertainties and matters of significant judgment, and therefore we cannot determine them with precision. Changes in assumptions could significantly affect our estimates.

The table below shows the carrying amounts and estimated fair values of our debt, excluding our lease liabilities.

Note 17 Income Taxes

U.S. Legislation

The Inflation Reduction Act ("IRA") was signed into law on August 16, 2022. The IRA includes climate and energy provisions and introduces a 15% corporate alternative minimum tax, among other items. The enactment of the IRA did not result in any adjustments to our income tax provision for the three and six months ended June 30, 2024.

Effective Income Tax Rate and Income Tax Provision

For interim tax reporting, we estimate one annual effective tax rate for tax jurisdictions not subject to a valuation allowance and apply that rate to the year-to-date ordinary income/(loss). Tax effects of significant unusual or infrequently occurring items are excluded from the estimated annual effective tax rate calculation and recognized in the interim period in which they occur.

Compared to the U.S. statutory rate of 21.0%, state income taxes, foreign earnings subject to higher tax rates and non-deductible expenses increase the Company's effective income tax rate, whereas research and development credits decrease the Company's effective tax rate.

Our effective income tax rate was 27.8% and 28.8% for the three and six months ended June 30, 2024, respectively. In addition to the above referenced items, the three and six month periods were unfavorably impacted by accruals for uncertain tax positions.

Our effective income tax rate was 32.5% and 33.5% for the three and six months ended June 30, 2023, respectively. In addition to the above referenced items, the three and six month periods were unfavorably impacted by accruals for uncertain tax positions.

There were no significant changes in our valuation allowances for the three and six months ended June 30, 2024 and 2023.

Net increases in unrecognized tax positions of \$2.3 million and \$6.9 million for the three and six months ended June 30, 2024, respectively, and \$4.5 million and \$11.3 million for the three and six months ended June 30, 2023, respectively, were primarily related to interest accruals on existing uncertain tax positions. We are not currently able to reasonably estimate the amount by which the liability for unrecognized tax positions may increase or decrease as a result of current and future tax examination activity or resolution. Interest and penalties on tax assessments are included in Income tax provision on our Condensed Consolidated Statements of Operations.

The Organization for Economic Co-operation and Development has issued Pillar Two model rules introducing a new global minimum tax of 15% as of January 1, 2024. While the U.S. has not adopted the Pillar Two rules, various other governments around the world have enacted legislation. This minimum tax is treated as a period cost and did not have a material impact on the Company's financial results of operations for the three and six months ended June 30, 2024. The Company is monitoring legislative developments, as well as additional guidance from countries that have enacted legislation, and we anticipate further legislative activity and administrative guidance in 2024.

Note 18 Commitments and Contingencies

Environmental Matters

We are subject to loss contingencies resulting from environmental laws and regulations, and we accrue for anticipated costs associated with investigatory and remediation efforts when an assessment has indicated that a loss is probable and can be reasonably estimated. These accruals are not reduced by potential insurance recoveries, if any. We do not believe that it is reasonably possible that our liability in excess of the amounts that we have accrued for environmental matters will be material to our Condensed Consolidated Balance Sheets or Statements of Operations. Environmental liabilities are reassessed whenever circumstances become better defined or remediation efforts and their costs can be better estimated.

We evaluate these liabilities periodically based on available information, including the progress of remedial investigations at each site, the current status of discussions with regulatory authorities regarding the methods and extent of remediation and the apportionment of costs among potentially responsible parties. As some of these issues are decided (the outcomes of which are subject to uncertainties) or new sites are assessed and costs can be reasonably estimated, we adjust the recorded accruals, as necessary. We believe that these exposures are not material to our Condensed Consolidated Balance Sheets or Statements of Operations. We believe that we have adequately reserved for all probable and estimable environmental exposures.

Guarantees and Indemnification Obligations

We are a party to many contracts containing guarantees and indemnification obligations. These contracts primarily consist of:

- indemnities in connection with the sale of businesses, primarily related to the sale of Diversey in 2017. Our indemnity obligations under the relevant agreements may be limited in terms of time, amount or scope. As it relates to certain income tax related liabilities, the relevant agreements may not provide any cap for such liabilities, and the period in which we would be liable would lapse upon expiration of the statute of limitation for assessment of the underlying taxes. Because of the conditional nature of these obligations and the unique facts and circumstances involved in each particular agreement, we are unable to reasonably estimate the potential maximum exposure associated with these items;
- product warranties with respect to certain products sold to customers in the ordinary course of business. These warranties typically provide that products will conform to specifications. We generally do not establish a liability for product warranty based on a percentage of sales or other formula. We accrue a warranty liability on a transaction-specific basis depending on the individual facts and circumstances related to each sale. Both the liability and annual expense related to product warranties are immaterial to our consolidated financial position and results of operations; and
- licenses of intellectual property by us to third parties in which we have agreed to indemnify the licensee against third-party infringement claims.

As of June 30, 2024, the Company has no reason to believe a loss exceeding amounts already recognized would be incurred.

Other Matters

We are also involved in various other legal actions incidental to our business. We believe, after consulting with counsel, that the disposition of these other legal proceedings and matters will not have a material effect on our consolidated financial condition or results of operations including potential impact to cash flows.

Note 19 Stockholders' Equity

Repurchase of Common Stock

On August 2, 2021, the Board of Directors approved a new share repurchase program of \$1.0 billion. This current program has no expiration date and replaced all previous authorizations. It does not obligate us to repurchase any specified amount of shares and remains subject to the discretion of the Board of Directors. As of June 30, 2024, there was \$536.5 million remaining under the current authorized program. Share repurchases made prior to August 2, 2021 were under the previous share repurchase authorization of \$1.0 billion, which was approved by the Board of Directors in May 2018.

During the three and six months ended June 30, 2024, no shares were repurchased.

During the three months ended June 30, 2023, no shares were repurchased. During the six months ended June 30, 2023, we repurchased 1,529,575 shares, for approximately \$79.8 million, at an average share price of \$52.20.

These repurchases were made under open market transactions, including through plans complying with Rule 10b5-1 of the Exchange Act, and pursuant to the share repurchase program previously authorized by our Board of Directors.

Dividends

On February 21, 2024, our Board of Directors declared a quarterly cash dividend of \$0.20 per common share, or \$29.1 million, which was paid on March 22, 2024, to stockholders of record at the close of business on March 8, 2024.

On May 23, 2024, our Board of Directors declared a quarterly cash dividend of \$0.20 per common share, or \$29.1 million, which was paid on June 28, 2024, to stockholders of record at the close of business on June 14, 2024.

On July 23, 2024, our Board of Directors declared a quarterly cash dividend of \$0.20 per common share, which will be paid on September 27, 2024, to stockholders of record at the close of business on September 13, 2024.

The dividends paid during the six months ended June 30, 2024 were recorded as a reduction to Cash and cash equivalents with an offset to Retained earnings on our Condensed Consolidated Balance Sheets. Our senior secured credit facility and our senior notes contain covenants that restrict our ability to declare or pay dividends and repurchase stock. However, we do not believe these covenants are likely to materially limit the future payment of quarterly cash dividends on our common stock. From time to time, we may consider other means of returning value to our stockholders based on our consolidated financial condition and results of operations. There is no guarantee that our Board of Directors will declare any future dividends.

Share-based Compensation

In 2014, the Board of Directors adopted, and our stockholders approved, the 2014 Omnibus Incentive Plan ("Omnibus Incentive Plan"). Under the Omnibus Incentive Plan, the maximum number of shares of Common Stock authorized was 4,250,000, plus total shares available to be issued as of May 22, 2014 under the 2002 Directors Stock Plan and the 2005 Contingent Stock Plan (collectively, the "Predecessor Plans"). The Omnibus Incentive Plan replaced the Predecessor Plans and no further awards were granted under the Predecessor Plans. The Omnibus Incentive Plan provides for the grant of stock options, stock appreciation rights, restricted stock, restricted stock units, unrestricted stock, performance share units known as PSU awards, other stock awards and cash awards to officers, non-employee directors, key employees, consultants and advisors.

In 2018, 2021 and 2024, the Board of Directors adopted, and our shareholders approved, amendments and restatements to the Omnibus Incentive Plan, adding 2,199,114, 2,999,054 and 1,138,896 shares of common stock to the share pool previously available under the Omnibus Incentive Plan, respectively.

We record share-based incentive compensation expense in Selling, general and administrative expenses and Cost of sales on our Condensed Consolidated Statements of Operations for both equity-classified and liability-classified awards. We record a corresponding credit to Additional paid-in capital within Stockholders' equity for equity-classified awards, and to either Other current liabilities or Other non-current liabilities for liability-classified awards based on the fair value of the share-based incentive compensation awards at the date of grant. Total expense for the liability-classified awards continues to be remeasured to fair value at the end of each reporting period. We recognize an expense or credit reflecting the straight-line recognition, net of estimated forfeitures, of the expected cost of the awards. The number of PSUs earned may equal, exceed, or be less than the targeted number of shares depending on whether the performance criteria are met, surpassed, or not met.

The table below shows our total share-based incentive compensation expense:

(In millions)	Three Months Ended June 30,		Six Months Ended June 30,	
	2024	2023	2024	2023
Total share-based incentive compensation expense⁽¹⁾	\$ 7.2	\$ 2.2	\$ 15.9	\$ 20.2

⁽¹⁾ The amounts presented above do not include the expense related to our U.S. profit sharing contributions made in the form of our common stock. However, the amounts include the expense related to share-based awards that are settled in cash.

Performance Share Units ("PSU") Awards

During the first 90 days of each year, the People and Compensation Committee (formerly the Organization and Compensation Committee, or "P&C Committee") of our Board of Directors approves PSU awards for our executive officers and other selected employees, which include for each participant a target number of shares of common stock and the performance goals and measures that will determine the percentage of the target award that is earned. Following the end of the performance period, in addition to shares earned, participants will also receive a cash payment in the amount of the dividends (without interest) that would have been paid during the performance period on the number of shares that they have earned. Each PSU is subject to

forfeiture if the recipient terminates employment with the Company prior to the end of the award performance period for any reason other than death, disability or retirement. In the event of death, disability or retirement, a participant will receive a prorated payment based on such participant's number of days of service during the award performance period, further adjusted based on the achievement of the performance goals during the award performance period. PSUs are classified as equity in the Condensed Consolidated Balance Sheets, with the exception of awards that are required by local laws or regulations to be settled in cash. These are classified as either Other current liabilities or Other non-current liabilities in the Condensed Consolidated Balance Sheets.

2024 Three-year PSU Awards

During the first quarter of 2024, the P&C Committee approved awards with a three-year performance period beginning January 1, 2024 and ending December 31, 2026 for executive officers and other selected employees. The P&C Committee established performance goals, which are (i) three-year cumulative average growth rate ("CAGR") of consolidated Adjusted EBITDA weighted at 50%, and (ii) Return on Invested Capital ("ROIC") weighted at 50%. Calculation of final achievement on each performance metric is subject to an upward or downward adjustment of up to 25% of the overall combined achievement percentage, based on the results of a relative total shareholder return ("TSR") modifier. The comparator group for the relative TSR modifier is comprised of a custom peer group as of the beginning of the performance period. Shareholder return in the top quartile of the comparator group increases overall achievement of performance metrics by 25%, while shareholder return in the bottom quartile of the comparator group decreases overall achievement of the performance metrics by 25%. The total number of shares to be issued for these awards, including the modifier, can range from zero to 250% of the target number of shares.

During the second quarter of 2024, PSU awards were granted to one additional executive officer. The performance period and performance goals are identical to those described above.

The target number of PSUs granted and the grant date fair value of the PSUs are shown in the following table:

	Adjusted EBITDA CAGR	ROIC
<i>February 21, 2024 grant date</i>		
Number of units granted	50,340	50,340
Fair value on grant date (per unit)	\$ 41.09	\$ 41.09
<i>March 1, 2024 grant date</i>

<i>June 5, 2024 grant date</i>

The assumptions used to calculate the grant date fair value of the PSUs are shown in the following table:

Expected price volatility	31.7 %	31.9 %	33.4 %

2021 Three-year PSU Awards

In February 2024, the P&C Committee reviewed the performance results for the 2021-2023 PSUs. Performance goals for these PSUs were based on Adjusted EBITDA CAGR, ROIC, and the Company's TSR ranking relative to S&P 500 component companies over the performance period. Based on overall performance for the 2021-2023 PSUs, these awards paid out at 75% of target or 152,934 units. Of this, 55,607 units were withheld to cover employee tax withholding and 732 units were designated as cash-settled awards, resulting in net share issuances of 96,595.

Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations

The information in our Management’s Discussion and Analysis of Financial Condition and Results of Operations (“MD&A”) should be read together with our Condensed Consolidated Financial Statements and related notes set forth in Item 1 of Part I of this Quarterly Report on Form 10-Q, our MD&A set forth in Item 7 of Part II of our 2023 Form 10-K and our Consolidated Financial Statements and related notes set forth in Item 8 of Part II of our 2023 Form 10-K. See “Cautionary Notice Regarding Forward-Looking Statements” above, and the information referenced therein, for a description of risks that we face and important factors that we believe could cause actual results to differ materially from those in our forward-looking statements. All amounts and percentages are approximate due to rounding and all dollars are in millions, except per share amounts or where otherwise noted. When we cross-reference to a “Note,” we are referring to our “Notes to Condensed Consolidated Financial Statements,” unless the context indicates otherwise.

Recent Events and Trends

Market Trends

The Food segment results through the first half of 2024 were driven by strength in end-market demand and share gains within our case ready solutions. For the full year 2024, Food is expected to deliver low-single-digit volume growth, driven by competitive wins in our core businesses, momentum in our fluids and liquids businesses, and our new product launches, offset by pricing declines. The Protective segment has continued to experience softness in our end markets through the first half of 2024. While we are accelerating our commercial transformation and adjusting our cost optimization programs, we expect these market challenges to persist throughout 2024 and into 2025.

Non-GAAP Information

In this report, we include certain non-GAAP financial measures, including Net Debt, Adjusted Net Earnings and Adjusted EPS, net sales on an "organic" and a “constant dollar” basis, Free Cash Flow, Adjusted EBITDA, Adjusted EBITDA Margin, and Adjusted Tax Rate. Management uses non-GAAP financial measures to assess operating and financial performance, set budgets, provide guidance and compare with peers’ performance. We believe such non-GAAP financial measures are useful to investors. Non-GAAP financial measures should not be considered in isolation from or as a substitute for GAAP information.

The non-GAAP financial metrics exclude certain specified items (“Special Items”), including restructuring charges and restructuring associated costs, amortization of intangible assets and inventory step-up expense related to the acquisition of Liquibox, adjustments in the valuation of our "SEE Ventures" portfolio (which may include debt or equity investments), and other charges related to acquisitions and divestitures, gains and losses related to acquisitions and divestitures, special tax items or tax benefits (collectively, “Tax Special Items”) and certain other items. We evaluate unusual or special items on an individual basis. Our evaluation of whether to exclude an unusual or special item for purposes of determining our non-GAAP financial measures considers both the quantitative and qualitative aspects of the item, including among other things (i) its nature, (ii) whether or not it relates to our ongoing business operations, and (iii) whether or not we expect it to occur as part of our normal business on a regular basis. In 2023, the Company revised its definition of Special Items to include amortization expenses of intangibles from the Liquibox acquisition and future significant acquisitions. The change is prospective and does not impact previously presented results. This change was made to better align the Company's definitions of Special Items with those of its peers, to better reflect the Company's operating performance, and to increase the usefulness of such measures for our stakeholders.

See information below for reconciliations of non-GAAP financial measures to their most directly comparable GAAP financial measures. Information reconciling forward-looking non-GAAP financial measures to their most directly comparable GAAP financial measures is not presented because it is not available without unreasonable effort. The reconciling information that is not available includes forward-looking ranges of certain Special Items with high variability, complexity and low visibility. We are unable to address the probable significance of such unavailable information, which could have a potential significant impact on our future GAAP financial results.

Adjusted EBITDA and Adjusted EBITDA Margin

Adjusted EBITDA is defined as Earnings before Interest Expense, Taxes, Depreciation and Amortization, adjusted to exclude the impact of Special Items. Management uses Adjusted EBITDA as one of many measures to assess the performance of the

business. Additionally, Adjusted EBITDA is the performance metric used by the Company's chief operating decision maker to evaluate performance of our reportable segments. Adjusted EBITDA is also a metric used to determine performance under the Company's Annual Incentive Plan. We do not believe there are estimates underlying the calculation of Adjusted EBITDA, other than those inherent in our GAAP results of operations, which would render the use and presentation of Adjusted EBITDA misleading. While the nature and amount of individual Special Items vary from period to period, we believe our calculation of Adjusted EBITDA is applied consistently to all periods and, in conjunction with other GAAP and non-GAAP financial measures, Adjusted EBITDA provides a useful and consistent comparison of our Company's performance to other periods.

The following table shows a reconciliation of GAAP Net earnings from continuing operations to non-GAAP Consolidated Adjusted EBITDA from continuing operations:

⁽¹⁾ Net of Liquibox intangible amortization of \$7.7 million and \$15.2 million for the three and six months ended June 30, 2024, respectively, and \$7.5 million and \$12.5 million for the three and six months ended June 30, 2023, respectively, which is included under Special Items.

⁽²⁾ Charges related to acquisition and divestiture activities for the six months ended June 30, 2024 primarily consists of income recognized on the final purchase price settlement related to the Liquibox acquisition, partially offset by integration expenses.

⁽³⁾ Other Special Items for the six months ended June 30, 2023 primarily relate to a one-time, non-cash CTA loss recognized due to the wind-up of one of our legal entities.

The Company may also assess performance using Adjusted EBITDA Margin. Adjusted EBITDA Margin is calculated as Adjusted EBITDA divided by net sales. We believe that Adjusted EBITDA Margin is a useful measure to assess the profitability of sales made to third parties and the efficiency of our core operations.

Adjusted Net Earnings and Adjusted Earnings Per Share

Adjusted Net Earnings and Adjusted Earnings Per Share ("Adjusted EPS") are also used by the Company to measure total company performance. Adjusted Net Earnings is defined as GAAP net earnings from continuing operations excluding the impact of Special Items. Adjusted EPS is defined as our Adjusted Net Earnings divided by the number of diluted shares outstanding. We believe that Adjusted Net Earnings and Adjusted EPS are useful measurements of Company performance, along with other GAAP and non-GAAP financial measures, because they incorporate non-cash items of depreciation and amortization, including share-based compensation, which impact the overall performance and net earnings of our business.

Additionally, Adjusted Net Earnings and Adjusted EPS reflect the impact of our Adjusted Tax Rate and interest expense on a net and per share basis. While the nature and amount of individual Special Items vary from period to period, we believe our calculation of Adjusted Net Earnings and Adjusted EPS is applied consistently to all periods and, in conjunction with other GAAP and non-GAAP financial measures, Adjusted Net Earnings and Adjusted EPS provide a useful and consistent comparison of our Company's performance to other periods.

The following table shows a reconciliation of GAAP Net earnings and Diluted earnings per share from continuing operations to non-GAAP Adjusted net earnings and Adjusted EPS from continuing operations.

⁽¹⁾ Includes pre-tax Special Items, plus/less Tax Special Items and the tax impact of Special Items as seen in the following calculation of non-GAAP Adjusted income tax rate.

Adjusted Tax Rate

We also present our adjusted income tax rate ("Adjusted Tax Rate"). The Adjusted Tax Rate is a measure of our GAAP effective tax rate, adjusted to exclude the tax impact from the Special Items that are excluded from our Adjusted Net Earnings and Adjusted EPS metrics as well as expense or benefit from any special taxes or Tax Special Items. The Adjusted Tax Rate is an indicator of the taxes on our core business. The tax circumstances and effective tax rate in the specific countries where the Special Items occur will determine the impact (positive or negative) to the Adjusted Tax Rate. While the nature and amount of Tax Special Items vary from period to period, we believe our calculation of the Adjusted Tax Rate is applied consistently to all periods and, in conjunction with our GAAP effective income tax rate, the Adjusted Tax Rate provides a useful and consistent comparison of the impact that tax expense has on our Company's performance.

The following table shows our calculation of the non-GAAP Adjusted income tax rate:

<i>(In millions)</i>	Three Months Ended June 30,		Six Months Ended June 30,	
	2024	2023	2024	2023
GAAP Earnings before income tax provision from continuing operations	\$ 135.5	\$ 139.2	\$ 254.6	\$ 235.9

Non-GAAP Adjusted income tax rate	25.5 %	26.9 %	25.7 %	25.5 %

⁽¹⁾ For the three and six months ended June 30, 2024 and 2023, Tax Special Items primarily reflect accruals for uncertain tax positions.

⁽²⁾ The tax rate used to calculate the tax impact of Special Items is based on the jurisdiction in which the item was recorded.

Organic and Constant Dollar Measures

In our “Net Sales by Geographic Region,” “Net Sales by Segment,” and in some of the discussions and tables that follow, we exclude the impact of foreign currency translation when presenting net sales information, which we define as “constant dollar”, and we exclude acquisitions in the first year after closing, divestiture activity from the time of sale, and the impact of foreign currency translation when presenting net sales information, which we define as “organic.” Changes in net sales excluding the impact of foreign currency translation and/or acquisition and divestiture activity are non-GAAP financial measures. As a worldwide business, it is important that we consider the effects of foreign currency translation when we view our results and plan our strategies. Nonetheless, we cannot control changes in foreign currency exchange rates. Consequently, when our management analyzes our financial results including performance metrics such as sales, cost of sales or selling, general and administrative expense, to measure the core performance of our business, we may exclude the impact of foreign currency translation by translating our current period results at prior period foreign currency exchange rates and then make adjustments for other items affecting comparability. We also may exclude the impact of foreign currency translation when making incentive compensation determinations. As a result, our management believes that these presentations are useful internally and may be useful to investors.

Refer to these specific tables presented later in our MD&A for reconciliations of these non-GAAP financial measures to their most directly comparable GAAP measures.

Free Cash Flow

In addition to net cash provided by operating activities, we use free cash flow as a useful measure of performance and an indication of the strength and ability of our operations to generate cash. We define free cash flow as cash provided by operating activities less capital expenditures (which is classified as an investing activity). Free cash flow is not defined under GAAP. Therefore, free cash flow should not be considered a substitute for net income or cash flow data prepared in accordance with GAAP and may not be comparable to similarly titled measures used by other companies. Free cash flow does not represent residual cash available for discretionary expenditures, as certain debt servicing requirements or other non-discretionary expenditures are not deducted from this measure.

Refer to the specific table presented later in our MD&A under *Analysis of Historical Cash Flow* for reconciliation of this non-GAAP financial measure to its most directly comparable GAAP measure.

Net Debt

In addition to total debt, we use Net Debt, which we define as total debt less cash and cash equivalents, as a useful measure of our total debt exposure. Net Debt is not defined under GAAP. Therefore, Net Debt should not be considered a substitute for amounts owed to creditors or other balance sheet information prepared in accordance with GAAP, and it may not be comparable to similarly titled measures used by other companies.

Refer to the specific table presented later in our MD&A under *Outstanding Indebtedness* for reconciliation of this non-GAAP financial measure to its most directly comparable GAAP measure.

Foreign Currency Translation Impact on Condensed Consolidated Financial Results

Since we are a U.S. domiciled company, we translate our foreign currency-denominated financial results into U.S. dollars. Due to the changes in the value of foreign currencies relative to the U.S. dollar, translating our financial results from foreign currencies to U.S. dollars may result in a favorable or unfavorable impact. Historically, the most significant currencies that have impacted the translation of our condensed consolidated financial results are the euro, the Australian dollar, the Mexican peso, the Canadian dollar, the British pound, the Chinese Renminbi, the Brazilian real, the New Zealand dollar and the Argentine peso.

The following table presents the approximate favorable or (unfavorable) impact that foreign currency translation had on certain components of our condensed consolidated financial results:

The increase in amortization expense of intangible assets was approximately \$1 million in the six months ended June 30, 2024, compared to 2023. The increase was primarily due to an additional month of amortization expense of Liquibox intangible assets in 2024, partially offset by lower amortization of capitalized software.

CTO2Grow Program

See Note 12, “Restructuring Activities,” for additional details regarding the Company’s restructuring programs.

In August 2023, the Sealed Air Board of Directors approved the 3-year CTO2Grow Program. The CTO2Grow Program seeks to improve the efficiency and effectiveness of our solutions-focused go-to-market organization, optimize our portfolio with a focus on automation, digital and sustainable solutions, streamline our supply chain footprint and drive SG&A productivity. The CTO2Grow Program aims to drive annualized savings in the range of \$140 to \$160 million by the end of 2025. The total cash cost of the CTO2Grow Program is estimated to be in the range of \$140 to \$160 million, which we expect to be incurred primarily in 2024 and 2025.

For the three and six months ended June 30, 2024, the Company incurred cash expense including \$3 million and \$18 million of restructuring charges related to headcount reductions, respectively, and \$6 million and \$13 million of other associated costs, respectively, in connection with the CTO2Grow Program.

For the six months ended June 30, 2024, the CTO2Grow Program generated incremental cost benefits of \$48 million related to reductions in operating costs. For the full year 2024, we currently expect the CTO2Grow Program to generate incremental cost benefits of approximately \$90 million.

For the six months ended June 30, 2024, cash outlay for restructuring and restructuring related activities for the CTO2Grow Program was \$32 million. For the full year 2024, we currently expect cash outlay for the CTO2Grow Program to be in the range of \$65 to \$75 million.

The actual timing of future costs and cash payments related to the CTO2Grow Program described above are subject to change due to a variety of factors that may cause a portion of the costs, spending and benefits to occur later than expected. In addition, changes in foreign exchange rates may impact future costs, spending, benefits and cost synergies.

See Note 13, "Debt and Credit Facilities," for further details.

See Note 21, "Other Expense, net," for the remaining components of Other expense, net.

Income Taxes

Our effective income tax rate for the three and six months ended June 30, 2024 was 28% and 29%, respectively. The three and six month periods were unfavorably impacted by accruals for uncertain tax positions.

Our effective income tax rate for the three and six months ended June 30, 2023 was 33% and 34%, respectively. The three and six month periods were unfavorably impacted by accruals for uncertain tax positions.

The actual annual effective tax rate could vary as a result of many factors, including but not limited to the following:

- The actual mix of earnings by jurisdiction, which could fluctuate from the Company's projection;
- The tax effects of other discrete items, including accruals related to tax contingencies, the resolution of worldwide tax matters, tax audit settlements, statute of limitations expirations and changes in tax regulations, which are reflected in the period in which they occur; and
- Any future legislative changes, and any related additional tax optimization to address these changes.

Our effective income tax rate depends upon the realization of our net deferred tax assets. We have deferred tax assets related to non-deductible interest, capitalized expenses, accruals not yet deductible for tax purposes, state and foreign net operating loss carryforwards and tax credits, employee benefit items, intangible assets and other items.

We have established valuation allowances to reduce our deferred tax assets to an amount that is more likely than not to be realized. Our ability to utilize our deferred tax assets depends in part upon our ability to carryback any losses created by the deduction of these temporary differences, the future income from existing temporary differences, and the ability to generate future taxable income within the respective jurisdictions during the periods in which these temporary differences reverse. If we are unable to generate sufficient future taxable income in the U.S. and certain foreign jurisdictions, or if there is a significant change in the time period within which the underlying temporary differences become taxable or deductible, we could be required to increase our valuation allowances against our deferred tax assets. Conversely, if we have sufficient future taxable income in jurisdictions where we have valuation allowances, we may be able to reduce those valuation allowances.

There were no significant changes in our valuation allowances for the three and six months ended June 30, 2024 and 2023.

Net increases in unrecognized tax positions of \$2 million and \$7 million for the three and six months ended June 30, 2024, respectively, and \$5 million and \$11 million for the three and six months ended June 30, 2023, respectively, were primarily related to interest accruals on existing uncertain tax positions. We are not currently able to reasonably estimate the amount by which the liability for unrecognized tax positions may increase or decrease during the next 12 months as a result of current and

future tax examination activity or resolution. Interest and penalties on tax assessments are included in Income tax provision on our Condensed Consolidated Statements of Operations.

Adjusted EBITDA by Segment

The Company evaluates performance of the reportable segments based on the results of each segment. The performance metric used by the Company's chief operating decision maker to evaluate the performance of our reportable segments is Segment Adjusted EBITDA. We allocate and disclose depreciation and amortization expense to our segments, although depreciation and amortization are not included in the segment performance metric Segment Adjusted EBITDA. We also allocate and disclose restructuring and other charges and impairment of goodwill and other intangible assets by segment, although these items are not included in the segment performance metric Segment Adjusted EBITDA since restructuring and other charges and impairment of goodwill and other intangible assets are categorized as Special Items. The accounting policies of the reportable segments and Corporate are the same as those applied to the Condensed Consolidated Financial Statements.

See "Non-GAAP Information" for a reconciliation of GAAP net earnings from continuing operations to non-GAAP Consolidated Adjusted EBITDA from continuing operations.

Liquidity and Capital Resources

Principal Sources of Liquidity

Our primary sources of cash are the collection of trade receivables generated from the sales of our products and services to our customers and amounts available under our existing lines of credit, including our senior secured credit facility, our accounts receivable securitization programs and access to the capital markets. Our primary uses of cash are payments for operating expenses, investments in working capital, capital expenditures, interest, taxes, stock repurchases, dividends, debt obligations, restructuring expenses and other long-term liabilities. We believe that our current liquidity position and future cash flows from operations will enable us to fund our operations, including all of the items mentioned above, in the next twelve months. We may seek to access the capital markets as we deem appropriate, market conditions permitting.

As of June 30, 2024, we had cash and cash equivalents of \$389 million, of which approximately \$325 million, or 84%, was located outside of the U.S. We believe our U.S. cash balances and committed liquidity facilities available to U.S. borrowers are sufficient to fund our U.S. operating requirements and capital expenditures, current debt obligations and dividends. The Company does not expect that, in the near term, cash located outside of the U.S. will be needed to satisfy our obligations, dividends and other demands for cash in the U.S. Of the cash balances located outside of the U.S., approximately \$16 million are in the Company's subsidiaries in Russia and Ukraine. We have no other material cash balances deemed to be trapped as of June 30, 2024.

Cash and Cash Equivalents

The following table summarizes our accumulated cash and cash equivalents:

<i>(In millions)</i>	June 30, 2024	December 31, 2023
Cash and cash equivalents	\$ 388.6	\$ 346.1

See “Analysis of Historical Cash Flow” below.

Accounts Receivable Securitization Programs

At June 30, 2024, we had total availability of \$130 million and total outstanding borrowings of \$129 million under our U.S. and European accounts receivable securitization programs. At December 31, 2023, we had \$135 million available to us and \$133 million outstanding borrowings under the programs.

Our trade receivable securitization programs represent borrowings secured by outstanding customer receivables. Therefore, the use and repayment of borrowings under such programs are classified as financing activities in our Condensed Consolidated Statements of Cash Flows. We do not recognize the cash flow within operating activities until the underlying invoices have been paid by our customer. The trade receivables that served as collateral for these borrowings are reclassified from Trade receivables, net to Prepaid expenses and other current assets on the Condensed Consolidated Balance Sheets. See Note 10, “Accounts Receivable Securitization Programs,” for further details.

Accounts Receivable Factoring Agreements

We account for our participation in our customers' supply chain financing arrangements and our trade receivable factoring program in accordance with ASC Topic 860, which allows the ownership transfer of accounts receivable to qualify for sale treatment when the appropriate criteria are met. As such, the Company excludes the balances sold under such programs from Trade receivables, net on the Condensed Consolidated Balance Sheets. We recognize cash flow from operating activities at the point the receivables are sold under such programs. See Note 11, “Accounts Receivable Factoring Agreements,” for further details.

Gross amounts received under these programs for the six months ended June 30, 2024 were \$358 million, of which approximately \$179 million was received in the second quarter. Gross amounts received under these programs for the six months ended June 30, 2023 were \$391 million, of which \$196 million was received in the second quarter. If these programs had not been in effect for the six months ended June 30, 2024, we would have been required to collect the invoice amounts directly from the relevant customers in accordance with the agreed payment terms. Approximately \$143 million in incremental trade receivables would have been outstanding at June 30, 2024 if collection on such invoice amounts were made directly from our customers on the invoice due date and not through our customers' supply chain financing arrangements or our factoring program.

Lines of Credit

At June 30, 2024 and December 31, 2023, we had a \$1.0 billion revolving credit facility. We had no outstanding borrowings under the facility at June 30, 2024 and December 31, 2023. There was \$6 million and \$8 million outstanding under various lines of credit extended to our subsidiaries at June 30, 2024 and December 31, 2023, respectively. See Note 13, “Debt and Credit Facilities,” for further details.

Covenants

At June 30, 2024, we were in compliance with our financial covenants and limitations, as discussed in “Covenants” within Note 13, “Debt and Credit Facilities,” which require us, among other things, to maintain a maximum leverage ratio of debt to EBITDA of 4.50 to 1.00. At June 30, 2024, as calculated under the covenant, our leverage ratio was 3.46 to 1.00. We expect to be in continued compliance with our debt covenants, including the covenant leverage ratio, over the next 12 months.

Supply Chain Financing Program

As part of our ongoing efforts to manage our working capital and improve our cash flow, we work with suppliers to optimize our purchasing terms and conditions, including extending payment terms. We also facilitate a voluntary supply chain financing

program to provide some of our suppliers with the opportunity to sell receivables due from us (our accounts payables) to participating financial institutions at the sole discretion of both the suppliers and the financial institutions.

At June 30, 2024 and December 31, 2023, our accounts payable balances included \$176 million and \$153 million, respectively, related to invoices from suppliers participating in the program. The cumulative amounts settled through the supply chain financing program for the six months ended June 30, 2024 were \$224 million, compared to \$177 million for the six months ended June 30, 2023. See Note 2, "Recently Adopted and Issued Accounting Standards," for further details.

Debt Ratings

Our cost of capital and ability to obtain external financing may be affected by our debt ratings, which the credit rating agencies review periodically. Below is a table that details our credit ratings by the various types of debt by rating agency.

	Moody's Investors Service	Standard & Poor's
Corporate Rating	Ba1	BB+
Senior Unsecured Rating	Ba2	BB+
Senior Secured Rating	Baa2	BBB-
Outlook	Negative	Stable

These credit ratings are considered to be below investment grade (with the exception of the Baa2 and BBB- Senior Secured Rating from Moody's Investors Service and Standard & Poor's, respectively, which are classified as investment grade). A credit rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time by the rating organization. Each rating should be evaluated independently of any other rating.

Outstanding Indebtedness

At June 30, 2024 and December 31, 2023, our total debt outstanding and our non-GAAP net debt consisted of the amounts set forth in the following table.

<i>(In millions)</i>	June 30, 2024	December 31, 2023
Short-term borrowings	\$ 134.7	\$ 140.7
Current portion of long-term debt	50.6	35.7
Total current debt	185.3	176.4
Total long-term debt, less current portion ⁽¹⁾	4,429.6	4,513.9
Total debt	4,614.9	4,690.3
Less: Cash and cash equivalents	(388.6)	(346.1)
Non-GAAP net debt	\$ 4,226.3	\$ 4,344.2

⁽¹⁾ Amounts are net of unamortized discounts and debt issuance costs of \$36 million and \$37 million at June 30, 2024 and December 31, 2023, respectively. See Note 13, "Debt and Credit Facilities," for further details.

Analysis of Historical Cash Flow

The following table shows the changes in our Condensed Consolidated Statements of Cash Flows for the six months ended June 30, 2024 and 2023.

<i>(In millions)</i>	Six Months Ended June 30,		Change
	2024	2023	
Net cash provided by (used in) operating activities	\$ 313.3	\$ (6.6)	\$ 319.9
Net cash used in investing activities	(97.9)	(1,272.4)	1,174.5
Net cash (used in) provided by financing activities	(155.7)	1,105.4	(1,261.1)
Effect of foreign currency exchange rate changes on cash and cash equivalents	(17.2)	2.6	(19.8)

In addition to net cash from operating activities, we use free cash flow as a useful measure of performance and an indication of the strength and ability of our operations to generate cash. We define free cash flow as cash provided by operating activities less capital expenditures (which is classified as an investing activity). Free cash flow is not defined under GAAP. Therefore, free cash flow should not be considered a substitute for net income or cash flow data prepared in accordance with GAAP and may not be comparable to similarly titled measures used by other companies. Free cash flow does not represent residual cash available for discretionary expenditures, as certain debt servicing requirements or other non-discretionary expenditures are not deducted from this measure. We historically have generated the majority of our annual free cash flow in the second half of the year. Below are the details of non-GAAP free cash flow for the six months ended June 30, 2024 and 2023.

<i>(In millions)</i>	Six Months Ended June 30,		Change
	2024	2023	
Cash flow provided by (used in) operating activities	\$ 313.3	\$ (6.6)	\$ 319.9
Capital expenditures	(105.8)	(123.7)	17.9
Non-GAAP free cash flow	\$ 207.5	\$ (130.3)	\$ 337.8

Operating Activities

Six Months Ended June 30, 2024 Compared with the Same Period in 2023

Net cash provided by operating activities was \$313 million in the six months ended June 30, 2024, compared to use of \$7 million in 2023.

The increase in cash flow from operating activities was primarily due to \$175 million of tax deposits that were made during the second quarter of 2023 related to the resolution of certain U.S. tax matters.

Working capital accounts (inventories, trade receivables and accounts payable) were \$51 million favorable in 2024 compared to 2023. Accounts payable was favorable by \$173 million compared to 2023, due to an increase in raw material purchases and improved payment terms during the first half of 2024 compared to the fourth quarter 2023 coupled with raw material price deflation in the first half of 2023 compared with the fourth quarter 2022. This was partially offset by the impact of trade receivables on cash flow from operating activities which was \$81 million unfavorable compared to 2023, as a result of the year over year impact of our accounts receivable factoring program and lower collections from our customers. There was also a higher use of cash for inventory of \$41 million compared to 2023.

Other assets and liabilities favorably impacted cash flow by \$48 million compared to 2023. This was primarily due to the impact of incentive compensation, including lower cash payments made during 2024, coupled with a higher accrual as of June 30, 2024, as compared to the prior year.

Investing Activities

Six Months Ended June 30, 2024 Compared with the Same Period in 2023

Net cash used in investing activities was \$98 million in 2024 compared to \$1,272 million in 2023.

The decrease in net cash used in investing activities was primarily due to acquisition activities in 2023. During the first quarter of 2023, we completed the acquisition of Liquibox for \$1,148 million, net of cash acquired, and during the second quarter of 2023, we had additional acquisition activity of \$15 million. See Note 5, "Acquisitions," for further details.

Additionally, cash used for capital expenditures in 2024 was \$106 million compared to \$124 million in 2023.

Financing Activities

Six Months Ended June 30, 2024 Compared with the Same Period in 2023

Net cash flows from financing activities was a use of \$156 million in 2024, compared to a source of \$1,105 million in 2023.

During the six months ended June 30, 2024, the decrease in cash flows from financing activities was primarily due to debt related activities. There was a net use of cash of \$84 million for debt related activities in 2024 primarily driven by principal payments on the Term Loan A due 2027. There was a net source of cash of \$1,271 million for debt related activities in the prior year primarily driven by the issuance of \$775 million 6.125% Senior Notes due 2028, less \$12 million in capitalized issuance costs, \$650 million of proceeds from Term Loan A due 2027, less \$11 million in capitalized issuance costs, and \$306 million of net proceeds from short-term borrowings, partially offset by cash outflow of \$437 million related to the extinguishment of 4.500% Senior Notes due 2023 (including an early payment premium of \$5 million).

In addition, there were no share repurchases in 2024, compared to \$80 million in the prior year.

Changes in Working Capital

<i>(In millions)</i>	June 30, 2024	December 31, 2023	Change
Working capital (current assets less current liabilities)	\$ 476.8	\$ 454.3	\$ 22.5
Current ratio (current assets divided by current liabilities)	1.3x	1.3x	
Quick ratio (current assets, less inventories divided by current liabilities)	0.8x	0.8x	

The \$23 million, or 5%, increase in working capital during the six months ended June 30, 2024 was primarily due the following:

- increase in cash and cash equivalents of \$43 million;
- increase in inventories, net of \$32 million, due to the rebuild of inventory after the seasonal year-end reductions;
- increase in trade receivables, net of \$29 million, primarily due to the timing of collections; and
- decrease in other current liabilities of \$12 million, reflecting the profit sharing contribution in the first quarter 2024, offset by current year accruals, as well as lower volume rebate accruals.

The increases in working capital were partially offset by:

- increase in accounts payable of \$72 million, due to seasonal raw material purchases and payment term improvement initiatives; and
- decrease in income tax receivables of \$24 million.

Changes in Stockholders' Equity

The \$101 million, or 18%, increase in stockholders' equity in the six months ended June 30, 2024 was primarily due to the following:

- net earnings of \$180 million;
- stock issued for profit sharing contribution paid in stock of \$25 million;
- unrealized gains on derivative instruments of \$14 million;
- the effect of share-based incentive compensation of \$9 million, including the impact of share-based compensation expense and netting of shares to cover the employee tax withholding amounts; and
- the recognition of pension items within AOCL of \$2 million.

These increases were partially offset by:

- cumulative translation adjustment loss of \$70 million; and
- dividends paid on our common stock and dividend equivalent accruals related to unvested equity awards of \$59 million.

Derivative Financial Instruments

Interest Rate Swaps

Net Investment Hedge

Other Derivative Instruments

The information set forth in Part I, Item 1 of this Quarterly Report on Form 10-Q in Note 14, “Derivatives and Hedging Activities,” under the caption “Other Derivative Instruments” is incorporated herein by reference.

Foreign Currency Forward Contracts

At June 30, 2024, we were party to foreign currency forward contracts, which did not have a significant impact on our liquidity.

The information set forth in Part I, Item 1 of this Quarterly Report on Form 10-Q in Note 14, “Derivatives and Hedging Activities,” under the caption “Foreign Currency Forward Contracts Designated as Cash Flow Hedges” and “Foreign Currency Forward Contracts Not Designated as Hedges” is incorporated herein by reference. For further discussion about these contracts and other financial instruments, see Part I, Item 3, “Quantitative and Qualitative Disclosures About Market Risk.”

Recently Issued Statements of Financial Accounting Standards, Accounting Guidance and Disclosure Requirements

We are subject to recently issued statements of financial accounting standards, accounting guidance and disclosure requirements. Note 2, “Recently Adopted and Issued Accounting Standards,” which is contained in Part I, Item 1 of this Quarterly Report on Form 10-Q, describes these new accounting standards and is incorporated herein by reference.

Critical Accounting Policies and Estimates

There have been no material changes in our critical accounting policies and estimates from those disclosed in our 2023 Form 10-K. For a discussion of our critical accounting policies and estimates, refer to “Management’s Discussion and Analysis of Financial Condition and Results of Operations – Critical Accounting Policies and Estimates” in Part II, Item 7 of our 2023 Form 10-K.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

We are exposed to market risk from changes in the conditions in the global financial markets, interest rates, foreign currency exchange rates and commodity prices and the creditworthiness of our customers and suppliers, which may adversely affect our consolidated financial condition and results of operations. We seek to minimize these risks through regular operating and financing activities and, when deemed appropriate, through the use of derivative financial instruments. We do not purchase, hold or sell derivative financial instruments for trading purposes.

Interest Rates

From time to time, we may use interest rate swaps, collars or options to manage our exposure to fluctuations in interest rates. At June 30, 2024, we had no outstanding interest rate swaps, collars or options.

The information set forth in Part I, Item 1 of this Quarterly Report on Form 10-Q in Note 14, “Derivatives and Hedging Activities,” under the caption “Interest Rate Swaps,” is incorporated herein by reference.

See Note 15, “Fair Value Measurements, Equity Investments and Other Financial Instruments,” for details of the methodology and inputs used to determine the fair value of our fixed rate debt. The fair value of our fixed rate debt varies with changes in interest rates. Generally, the fair value of fixed rate debt will increase as interest rates fall and decrease as interest rates rise. A hypothetical 10% increase in interest rates would result in a decrease of \$91 million in the fair value of the total debt balance at June 30, 2024. These changes in the fair value of our fixed rate debt do not alter our obligations to repay the outstanding principal amount or any related interest of such debt.

Foreign Exchange Rates

Operations

As a large global organization, we face exposure to changes in foreign currency exchange rates. These exposures may change over time as business practices evolve and could materially impact our consolidated financial condition and results of operations in the future. See Item 2, “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” above for the impacts that foreign currency translation had on our operations.

Argentina

Economic and political events in Argentina has exposed us to heightened levels of foreign currency exchange risks and the fluctuations in foreign exchange rates on the Argentine peso continue to impact our financial results. As of July 1, 2018, Argentina was designated as a highly inflationary economy. We recognized less than \$1 million and a \$6 million remeasurement loss in the three and six months ended June 30, 2024, respectively, and a remeasurement loss of \$3 million and \$6 million in the three and six months ended June 30, 2023, respectively, within Other expense, net on the Condensed Consolidated Statements of Operations, related to the designation of Argentina as a highly inflationary economy under GAAP. See Note 1, “Organization and Basis of Presentation,” for additional information. For the three and six months ended June 30, 2024, approximately 2% of our consolidated net sales were derived from our products sold in Argentina. As of June 30, 2024, our net assets included \$22 million of cash and cash equivalents domiciled in Argentina and our Argentina subsidiary had cumulative translation losses of \$22 million.

Russia

Recent fluctuations of the ruble have exposed us to heightened levels of foreign currency exchange risks. For the three and six months ended June 30, 2024, approximately 1% of our consolidated net sales were derived from products sold in Russia. As of June 30, 2024, our net assets included \$14 million of cash and cash equivalents domiciled in Russia and our Russia subsidiary had cumulative translation losses of \$43 million.

Foreign Currency Forward Contracts

We use foreign currency forward contracts to fix the amounts payable or receivable on some transactions denominated in foreign currencies. A hypothetical 10% adverse change in foreign exchange rates at June 30, 2024 would have caused us to pay approximately \$56 million to terminate these contracts. Based on our overall foreign exchange exposure, we estimate this change would not materially affect our financial position and liquidity. The effect on our results of operations would be substantially offset by the impact of the hedged items.

Our foreign currency forward contracts are described in Note 14, “Derivatives and Hedging Activities,” which is incorporated herein by reference.

Net Investment Hedge

In February 2023, we repaid the €400.0 million 4.500% senior notes issued in June 2015, which were previously designated as a net investment hedge against the foreign currency exposure of a portion of our net investment in certain Euro functional currency subsidiaries.

In the first quarter of 2023, we entered into a series of cross-currency swaps with a combined notional amount of \$433 million. Each of these cross-currency swaps were designated as net investment hedges of the Company’s foreign currency exposure of

its net investment in certain Euro-functional currency subsidiaries with Euro-denominated net assets, and the Company pays a fixed rate of Euro-based interest and receives a fixed rate of U.S. dollar interest. The Company has elected the spot method for assessing the effectiveness of these contracts. The maturity date for this series of cross-currency swaps is February 1, 2028. We recognized less than \$1 million and \$2 million of interest income related to these contracts, which is reflected within Interest expense, net on the Condensed Consolidated Statements of Operations for the three and six months ended June 30, 2024, respectively, and less than \$1 million and \$1 million of interest income for the three and six months ended June 30, 2023, respectively.

For derivative instruments that are designated and qualify as hedges of net investments in foreign operations, settlements and changes in fair values of the derivative instruments are recognized in Unrealized gain or loss on net investment hedges, a component of AOCL, net of taxes, to offset the changes in the values of the net investments being hedged. Any portion of the net investment hedge that is determined to be ineffective is recorded in Other expense, net on the Condensed Consolidated Statements of Operations.

Other Derivative Instruments

We may use other derivative instruments from time to time to manage exposure to foreign exchange rates and to access international financing transactions. These instruments can potentially limit foreign exchange exposure by swapping borrowings denominated in one currency for borrowings denominated in another currency.

Outstanding Debt

Our outstanding debt is generally denominated in the functional currency of the borrower. We believe that this enables us to better match operating cash flows with debt service requirements and to better match the currency of assets and liabilities. The U.S. dollar equivalent amount of outstanding debt denominated in a functional currency other than the U.S. dollar was \$130 million and \$131 million at June 30, 2024 and December 31, 2023, respectively.

Customer Credit

We are exposed to credit risk from our customers. In the normal course of business, we extend credit to our customers if they satisfy pre-defined credit criteria. We maintain an allowance for credit losses on trade receivables for estimated losses resulting from the failure of our customers to make required payments. An additional allowance may be required if the financial condition of our customers deteriorates. Our customers may default on their obligations to us due to bankruptcy, lack of liquidity, operational failure or other reasons.

Item 4. Controls and Procedures

Disclosure Controls and Procedures

We maintain disclosure controls and procedures, as defined in Rule 13a-15 under the Securities Exchange Act of 1934, as amended, or the Exchange Act, that are designed to ensure that information required to be disclosed in our reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms and that our employees accumulate this information and communicate it to our management, including our Chief Executive Officer (our principal executive officer) and our Chief Financial Officer (our principal financial officer), as appropriate, to allow timely decisions regarding the required disclosure. In designing and evaluating the disclosure controls and procedures, our management recognizes that any controls and procedures, no matter how well designed and operated, can provide only "reasonable assurance" of achieving the desired control objectives, and management necessarily must apply its judgment in evaluating the cost-benefit relationship of possible controls and procedures.

Evaluation of Disclosure Controls and Procedures

As of the end of the period covered by this report, we carried out an evaluation of the effectiveness of the design and operation of our disclosure controls and procedures under Rule 13a-15. Our management, including our Chief Executive Officer and Chief Financial Officer, supervised and participated in this evaluation. Based upon that evaluation and as of the end of the period covered by this report, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective at the "reasonable assurance" level.

Changes in Internal Control over Financial Reporting

There have been no changes in our internal control over financial reporting during the quarter ended June 30, 2024 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II. OTHER INFORMATION

Item 1. Legal Proceedings

The information set forth in Item 1 of Part I of this Quarterly Report on Form 10-Q in Note 18, "Commitments and Contingencies," under the caption "Environmental Matters" is incorporated herein by reference. See also Part I, Item 3, "Legal Proceedings," of our 2023 Form 10-K.

Item 1A. Risk Factors

Reference is made to Part I, Item 1A, "Risk Factors," in our 2023 Form 10-K for information concerning risks that may materially affect our business, financial condition or results of operations. There have been no significant changes to our risk factors since December 31, 2023.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

(c) Issuer Purchases of Equity Securities

The table below sets forth the total number of shares of our common stock, par value \$0.10 per share, that we repurchased in each month of the quarter ended June 30, 2024, the average price paid per share and the maximum approximate dollar value of shares that may yet be purchased under our publicly announced plans or programs.

⁽¹⁾ On August 2, 2021, the Board of Directors approved a new share repurchase program of \$1.0 billion. This program has no expiration and replaced the previous authorization. It does not obligate us to repurchase any specified amount of shares and remains subject to the discretion of the Board of Directors. As of June 30, 2024, there was \$537 million remaining under the currently authorized repurchase program. From time to time we acquire shares by means of open-market transactions, including through plans complying with Rule 10b5-1 under the Securities Exchange Act of 1934, as amended, and privately negotiated transactions, including accelerated share repurchase programs, or other methods, pursuant to our publicly announced program described above, subject to market or other conditions, covenants in our senior secured credit facility and applicable regulatory requirements.

Item 5. Other Information

During the three months ended June 30, 2024, no director or officer (as defined in Rule 16a-1(f) of the Exchange Act) of the Company adopted, modified or terminated a "Rule 10b5-1 trading arrangement" or "non-Rule 10b5-1 trading arrangement," as each term is defined in Item 408(a) of Regulation S-K.

WHEREAS, Section 1.16 of the Existing Facility Agreement provides that amendments implemented pursuant thereto shall become effective at 5:00 p.m. (New York time) on the fifth Business Day after the Agent shall have posted such proposed amendments to all Lenders and to the Company unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Agent written notice that such Lenders do not accept such Amendment; and

NOW THEREFORE, in consideration of the premises and for other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged), the parties hereto hereby agree as follows:

SECTION 1. Amendments to Existing Facility Agreement.

- (a) The Existing Facility Agreement is, effective as of the Effective Date (as hereinafter defined) and subject to the satisfaction or waiver in writing of the conditions precedent set forth in Section 2, hereby amended (the Existing Facility Agreement, as so amended by this Amendment, the “**Amended Facility Agreement**”) to delete the struck text (indicated textually in the same manner as the following example: ~~struck text~~), and to add the underlined text (indicated textually in the same manner as the following example: underlined text) as set forth in the pages of the Amended Facility Agreement attached as Annex I hereto.
- (b) On and after the Effective Date, the rights and obligations of the parties to the Existing Facility Agreement shall be governed by the Amended Facility Agreement.

SECTION 2. **Conditions to Effectiveness.** This Amendment, and the agreements made pursuant hereto, shall be in full force and effect as of the first date to occur when (a) the Agent shall have received counterparts to this Amendment, duly executed and delivered by the Company and the Agent and (b) the form of this Amendment shall have been posted to the Lenders and to the Company for at least five Business Days and the Agent shall not have received objections or non-acceptances with respect to this Amendment from Lenders comprising at least the Required Lenders prior to 5:00 p.m. (New York time) on such date (such date after such time, the “**Effective Date**”).

SECTION 3. Reference to and Effect on the Loan Documents.

- (a) On and after the Effective Date, each reference in the Existing Facility Agreement to “this Agreement”, “hereunder”, “hereof” or words of like import referring to the Existing Facility Agreement, and each reference in the Notes and each of the other Loan Documents to “the Facility Agreement”, “the Credit Agreement”, “thereunder”, “thereof” or words of like import referring to the Existing Facility Agreement, shall mean and be a reference to the Existing Facility Agreement as amended and modified by this Amendment.
- (b) The Existing Facility Agreement, as specifically amended and modified by this Amendment, is and shall continue to be in full force and effect and is hereby in all respects ratified and confirmed. - (c) Save as expressly provided herein, the execution, delivery and effectiveness of this Amendment (i) shall not operate as a waiver of any right, power, privilege or remedy of any Lender, any Issuing Bank, any Swing Line Lender or the Agent under any of the Loan Documents, nor constitute a waiver of any provision of any of the Loan Documents and (ii) shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or other agreements contained in any of the Loan Documents, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle the Company, any other Loan Party or any other Person to a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or other agreements contained in

the Amended Facility Agreement or any other Loan Document in similar or different circumstances after the date hereof.

(d) The Agent agrees to promptly post this Amendment for the Lenders on the Platform.

SECTION 4. Execution in Counterparts. This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of a signature page to this Amendment by telecopier or other electronic means shall be effective as delivery of a manually executed counterpart of this Amendment. This Amendment and any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Amendment (each a “**Communication**”), including Communications required to be in writing, may be in the form of an Electronic Record (as defined below) and may be executed using Electronic Signatures (as defined below). The Company agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on the Company to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of the Company enforceable against such in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the Agent of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Agent may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record (“**Electronic Copy**”), which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Agent is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Agent pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Agent has agreed to accept such Electronic Signature, the Agent and each of the Lenders shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of the Company without further verification and (b) upon the request of the Agent or any Secured Party, any Electronic Signature shall be promptly followed by such manually executed counterpart. For purposes hereof, “**Electronic Record**” and “**Electronic Signature**” shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

SECTION 5. Expenses. The Company agrees to reimburse the Agent for its reasonable and documented out-of-pocket costs and expenses incurred in connection with this Amendment, in accordance with the provisions of Section 9.04(a) of the Amended Facility Agreement (and without duplication of such provision or any provision of this Amendment).

SECTION 6. Miscellaneous. The headings of this Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof. This Amendment shall be binding upon and inure to the benefit of the parties hereto and to the Amended Facility Agreement and the other Loan Documents and their respective successors and permitted assigns. Any provision of this Amendment that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and

any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 7. Loan Document. Each of the parties hereto hereby agrees that this Amendment shall be a Loan Document for all purposes of the Amended Facility Agreement and the other Loan Documents, and the definition of “Loan Documents” set forth in the Amended Facility Agreement shall be deemed to have been amended to include this Amendment therein.

(b) THE COMPANY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT IT WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, AGAINST THE AGENT, ANY LENDER, ANY ISSUING BANK, OR ANY RELATED PARTY OF THE FOREGOING IN ANY WAY RELATING TO THIS AMENDMENT OR THE TRANSACTIONS RELATING HERETO OR THERETO, IN ANY FORUM OTHER THAN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, LITIGATION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION, LITIGATION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AMENDMENT SHALL AFFECT ANY RIGHT THAT THE AGENT, ANY LENDER OR ANY ISSUING BANK MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AMENDMENT AGAINST THE COMPANY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) THE COMPANY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AMENDMENT IN ANY COURT REFERRED TO IN CLAUSE (B) OF THIS SECTION 8. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

SECTION 1.09 Code of Banking Practice. The parties hereto agree that the Code of Banking Practice does not apply to the Loan Documents.

SECTION 1.10 Terms Generally. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.” The word “will” shall be construed to have the same meaning and effect as the word “shall.” Unless the context requires otherwise (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein), (b) any reference herein to any Person shall be construed to include such Person’s successors and assigns, (c) the words “herein,” “hereof” and “hereunder,” and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Agreement, (e) any reference to any law or regulation herein shall, unless otherwise specified, refer to such law or regulation as amended, modified or supplemented from time to time and (f) any reference herein to a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, or an allocation of assets to a series of a limited liability company (or the unwinding of such a division or allocation), as if it were a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company shall constitute a separate Person hereunder (and each division of any limited liability company that is a Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

SECTION 1.11 Rounding. Any financial ratios required to be maintained by the Company pursuant to this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

SECTION 1.12 Change of Currency.

(a) Each obligation of the Borrowers to make a payment denominated in the national currency unit of any member state of the European Union that adopts the Euro as its lawful currency after the date hereof shall be redenominated into Euro at the time of such adoption. If, in relation to the currency of any such member state, the basis of accrual of interest expressed in this Agreement in respect of that currency shall be inconsistent with any convention or practice in the London interbank market for the basis of accrual of interest in respect of the Euro, such expressed basis shall be replaced by such convention or practice with effect from the date on which such member state adopts the Euro as its lawful currency; provided that if any

Borrowing in the currency of such member state is outstanding immediately prior to such date, such replacement shall take effect, with respect to such Borrowing, at the end of the then current Interest Period.

(b) Each provision of this Agreement shall be subject to such reasonable changes of construction as the Agent may from time to time specify to be appropriate to reflect the adoption of the Euro by any member state of the European Union and any relevant market conventions or practices relating to the Euro.

(c) Each provision of this Agreement also shall be subject to such reasonable changes of construction as the Agent may from time to time specify to be appropriate to reflect a change in currency of any other country and any relevant market conventions or practices relating to the change in currency.

SECTION 1.13 Additional Foreign Currencies.

(a) The Company may from time to time request that Advances be made and/or Letters of Credit be issued under the Multicurrency Revolving Credit Facility, the Transpacific Revolving Credit Facility or a new Incremental Term Facility in a currency other than those specifically listed in the definition of “Foreign Currency”; provided that such requested currency is a lawful currency (other than Dollars) that is readily available and freely transferable and convertible into Dollars. In the case of any such request with respect to the making of Advances, such request shall be subject to the approval of the Agent and all Lenders under the applicable Facility; and in the case of any such request with respect to the issuance of Letters of Credit, such request shall be subject to the approval of the Agent and each applicable Issuing Bank.

(b) Any such request shall be made to the Agent not later than 11:00 a.m. (New York City time), 10 Business Days prior to the date of the desired Borrowing (or such other time or date as may be agreed by the Agent and, in the case of any such request pertaining to Letters of Credit, each applicable Issuing Bank, in its or their sole discretion). In the case of any such request pertaining to Advances, the Agent shall promptly notify each Lender under the applicable Facility thereof; and in the case of any such request pertaining to Letters of Credit, the Agent shall promptly notify each applicable Issuing Bank thereof. Each Lender under the applicable Facility (in the case of any such request pertaining to Advances) or each applicable Issuing Bank (in the case of a request pertaining to Letters of Credit) shall notify the Agent, not later than 11:00 a.m., five Business Days after receipt of such request whether it consents, in its sole discretion, to the making of Advances or the issuance of Letters of Credit, as the case may be, in such requested currency.

(c) Any failure by a Lender under the applicable Facility or the applicable Issuing Bank, as the case may be, to respond to such request within the time period specified in the preceding sentence shall be deemed to be a refusal by such Lender or Issuing Bank, as the case may be, to permit Advances to be made or Letters of Credit to be issued in such requested currency. If the Agent and all the Lenders under the applicable Facility consent to making Advances in such requested currency and the Agent and such Lenders reasonably determine that an appropriate interest rate is available to be used for such requested currency, the Agent shall so notify the Company and (i) the Agent and such Lenders may amend the definition of “Alternative Currency Daily Rate” (and any component or related definitions thereof) or “Term

Rate” (and any component or related definitions thereof), in each case to the extent necessary to add the applicable rate for such currency and any applicable adjustment for such rate and (ii) to the extent the definition of “Alternative Currency Daily Rate” (and any component or related definitions thereof) or “Term Rate” (and any component or related definitions thereof), as applicable, has been amended to reflect the appropriate rate for such currency, such currency shall thereupon be deemed for all purposes to be an Alternative Currency for purposes of any Borrowings of Alternative Currency Daily Rate Advances and Term Rate Advances. If the Agent and each applicable Issuing Bank consent to the issuance of Letters of Credit in such requested currency, the Agent shall so notify the Company and (iii) the Agent and the Issuing Bank may amend the definition of Alternative Currency Daily Rate or Term Rate, as applicable, to the extent necessary to add the applicable rate for such currency and any applicable adjustment for such rate and (iv) to the extent the definition of Alternative Currency Daily Rate or Term Rate, as applicable, has been amended to reflect the appropriate rate for such currency, such currency shall thereupon be deemed for all purposes to be an Alternative Currency, for purposes of any Letter of Credit issuances. If the Agent shall fail to obtain consent to any request for an additional currency under this Section 1.13, the Agent shall promptly so notify the Company.

SECTION 1.14 Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the Equivalent of the stated amount of such Letter of Credit in effect at such time; provided, however, that with respect to any Letter of Credit that, by its terms or the terms of any issuer document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the Equivalent of the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

SECTION 1.15 Limited Condition Acquisitions. In connection with any action being taken solely in connection with a Limited Condition Acquisition, for purposes of: (i) determining compliance with any provision of the Loan Documents which requires the calculation of the Net Total Secured Leverage Ratio, Net Total Leverage Ratio or the Interest Coverage Ratio; (ii) determining (A) the accuracy of representations and warranties in Section 4.01 (other than customary “specified representations” and those representations of the seller or target company (as applicable) included in the acquisition agreement for the relevant Limited Condition Acquisition that are material to the interest of the Lenders and only to the extent that the relevant acquirer has the right to terminate its obligations under such acquisition agreement as a result of such representations (which representations, for the avoidance of doubt, shall be required to be accurate as of the date of the consummation of any Limited Condition Acquisition)), and/or (B) whether a Default or Event of Default (other than a Specified Event of Default (the absence of which, for the avoidance of doubt, shall be required on the date of the consummation of any Limited Condition Acquisition)) has occurred and is continuing or would result therefrom; or (iii) testing availability under each “basket”, ratio calculation or similar provision set forth in the Loan Documents (including without limitation baskets measured as a percentage of consolidated EBITDA or Consolidated Net Tangible Assets); in each case, at the option of the Company (the Company’s election to exercise such option in connection with any Limited Condition Acquisition, an “LCA Election”), the date of determination of whether any such action is permitted under the Loan Documents, shall be deemed to be the date the definitive agreements for such Limited Condition Acquisition are entered into (the “LCA Test Date”), and if, on a Pro Forma Basis after giving effect to the Limited Condition Acquisition and the other

transactions to be entered into in connection therewith as if they had occurred at the beginning of the most recent Test Period ending prior to the LCA Test Date, the Borrower could have taken such action on the relevant LCA Test Date in compliance with such “baskets”, ratio calculations or similar provisions, such “baskets”, ratio calculations or similar provisions shall be deemed to have been complied with. For the avoidance of doubt, if any Borrower has made an LCA Election for any Limited Condition Acquisition and any of the “baskets”, ratio calculations or similar provisions for which compliance was determined or tested as of the LCA Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated EBITDA or Consolidated Assets of the Borrower or the Person subject to such Limited Condition Acquisition or any applicable currency exchange rate, at or prior to the consummation of the relevant transaction or action, such baskets, ratios, metrics or thresholds will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining compliance of the relevant transaction or action with such provisions, baskets or thresholds. If any Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio or “basket” availability on or following the relevant LCA Test Date and prior to the earlier of (i) the date on which such Limited Condition Acquisition is consummated or (ii) the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated until such time as the Limited Condition Acquisition has been consummated or the definitive agreement with respect thereto has been terminated or expires.

SECTION 1.16 Successor Rate(a) . (a) If in connection with any request for a Term Rate Advance, a Daily Simple SOFR Advance or an Alternative Currency Daily Rate Advance or a conversion of Base Rate Advances to Term Advances or a continuation of any of such Advances, as applicable, (i) the Agent determines (which determination shall be conclusive absent manifest error) that (A) no Successor Rate for the Relevant Rate for the applicable Committed Currency (or other Foreign Currency, as applicable) has been determined in accordance with Section 1.16(b) and the circumstances under clause (i) of Section 1.16(b) or the Scheduled Unavailability Date has occurred with respect to such Relevant Rate (as applicable), or (B) adequate and reasonable means do not otherwise exist for determining the Relevant Rate for the applicable Committed Currency (or other Foreign Currency, as applicable) for any determination date(s) or requested Interest Period, as applicable, with respect to a proposed Term Rate Advance, Daily Simple SOFR Advance or an Alternative Currency Daily Rate Advance or in connection with an existing or proposed Base Rate Advance, or (ii) the Agent or the Required Lenders determine that for any reason that the Relevant Rate with respect to a proposed Advance denominated in a Committed Currency (or other Foreign Currency, as applicable) for any requested Interest Period or determination date(s) does not adequately and fairly reflect the cost to such Lenders of funding such Advance, the Agent will promptly so notify the Company and each Lender.

Thereafter, (x) the obligation of the Lenders to make or maintain Advances in the affected currencies, as applicable, or to convert Base Rate Advances to Term Advances, shall be suspended in each case to the extent of the affected Term Rate Advances, Daily Simple SOFR Advances, Alternative Currency Daily Rate Advances or Interest Period or determination date(s), as applicable, and (y) in the event of a determination described in the preceding sentence with

respect to the Term SOFR component of the Base Rate, the utilization of the Term SOFR component in determining the Base Rate shall be suspended, in each case until the Agent (or, in the case of a determination by the Required Lenders described in clause (ii) of this Section 1.16(a)), until the Agent upon instruction of the Required Lenders) revokes such notice.

Upon receipt of such notice, (i) the Borrowers may revoke any pending request for a Borrowing of, or conversion to Term Advances, or Borrowing of, or continuation of Term Rate Loans, Daily Simple SOFR Advances or Alternative Currency Daily Rate Advances to the extent of the affected Term Rate Advances, Daily Simple SOFR Advances, Alternative Currency Daily Rate Advances or Interest Period or determination date(s), as applicable or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Advances denominated in Dollars in the Dollar Equivalent of the amount specified therein and (ii) (A) any outstanding Term Advances shall be deemed to have been converted to Base Rate Advances immediately and (B) any outstanding affected Term Rate Advances, Daily Simple SOFR Advances and Alternative Currency Daily Rate Advances, at the Company's election, shall either (1) be converted into a Borrowing of Base Rate Advances denominated in Dollars in the Dollar Equivalent of the amount of such outstanding Term Rate Advance, Daily Simple SOFR Advance or Alternative Currency Daily Rate Advance immediately, in the case of an Alternative Currency Daily Rate Advance of a Daily Simple SOFR Advance, or at the end of the applicable Interest Period, in the case of a Term Rate Advance, or (2) be prepaid in full immediately, in the case of an Alternative Currency Daily Rate Advance or a Daily Simple SOFR Advance, or at the end of the applicable Interest Period, in the case of a Term Rate Advance; provided that if no election is made by the Company (x) in the case of an Alternative Currency Daily Rate Advance or a Daily Simple SOFR Advance, by the date that is three Business Days after receipt by the Company of such notice or (y) in the case of a Term Rate Advance, by the last day of the current Interest Period for the applicable Term Rate Advance, the Company shall be deemed to have elected clause (1) above.

(b) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Agent determines (which determination shall be conclusive absent manifest error), or the Company or Required Lenders notify the Agent (with, in the case of the Required Lenders, a copy to the Company) that the Company or Required Lenders (as applicable) have determined, that:

(i) adequate and reasonable means do not exist for ascertaining the Relevant Rate for the applicable Committed Currency (or other Foreign Currency, as applicable) because none of the tenors of such Relevant Rate (including any forward-looking term rate thereof) is available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) the Applicable Authority (as defined below) has made a public statement identifying a specific date after which all tenors of the Relevant Rate for a Committed Currency (or other Foreign Currency, as applicable) (including any forward-looking term rate thereof) shall or will no longer be representative or made available, or used for determining the interest rate of loans denominated in such Committed Currency (or other Foreign Currency, as applicable), or shall or will otherwise cease, provided that, in each case, at the time of such statement, there is no successor administrator that is satisfactory to the Agent that will continue to provide such representative tenor(s) of the Relevant

Rate for such Committed Currency (or other Foreign Currency, as applicable) (the latest date on which all tenors of the Relevant Rate for such Committed Currency (or other Foreign Currency, as applicable) (including any forward-looking term rate thereof) are no longer representative or available permanently or indefinitely, the “Scheduled Unavailability Date”); or

(iii) syndicated loans currently being executed and agented in the U.S., are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace the Relevant Rate for a Committed Currency (or other Foreign Currency, as applicable);

or if the events or circumstances of the type described in Section 1.16(b)(i), (ii) or (iii) have occurred with respect to the Successor Rate then in effect, then, the Agent and the Company may amend this Agreement solely for the purpose of replacing the Relevant Rate for a Committed Currency (or other Foreign Currency, as applicable) or any then current Successor Rate for a Committed Currency (or other Foreign Currency, as applicable) in accordance with this Section 1.16 with an alternative benchmark rate giving due consideration to any evolving or then existing convention for similar credit facilities syndicated and agented in the U.S. and denominated in such Committed Currency (or other Foreign Currency, as applicable) for such alternative benchmarks, and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar credit facilities syndicated and agented in the U.S. and denominated in such Committed Currency (or other Foreign Currency, as applicable) for such benchmarks, which adjustment or method for calculating such adjustment shall be published on an information service as selected by the Agent from time to time in its reasonable discretion and may be periodically updated (and any such proposed rate, including for the avoidance of doubt, any adjustment thereto, a “Successor Rate”), and any such amendment shall become effective at 5:00 p.m. on the fifth Business Day after the Agent shall have posted such proposed amendment to all Lenders and the Company unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Agent written notice that such Required Lenders object to such amendment.

The Agent will promptly (in one or more notices) notify the Company and each Lender of the implementation of any Successor Rate.

Any Successor Rate shall be applied in a manner consistent with market practice; provided that to the extent such market practice is not administratively feasible for the Agent, such Successor Rate shall be applied in a manner as otherwise reasonably determined by the Agent.

Notwithstanding anything else herein, if at any time any Successor Rate as so determined would otherwise be less than zero%, the Successor Rate will be deemed to be zero% for the purposes of this Agreement and the other Loan Documents.

In connection with the implementation of a Successor Rate, the Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement; provided that, with respect to any such amendment effected, the Agent shall post

each such amendment implementing such Conforming Changes to the Company and the Lenders reasonably promptly after such amendment becomes effective.

SECTION 1.17 Interest Rates. The Agent does not warrant, nor accept responsibility, nor shall the Agent have any liability with respect to the administration, submission or any other matter related to any reference rate referred to herein or with respect to any rate (including, for the avoidance of doubt, the selection of such rate and any related spread or other adjustment) that is an alternative or replacement for or successor to any such rate (including, without limitation, any Successor Rate) (or any component of any of the foregoing) or the effect of any of the foregoing, or of any Conforming Changes. The Agent and its affiliates or other related entities may engage in transactions or other activities that affect any reference rate referred to herein, or any alternative, successor or replacement rate (including, without limitation, any Successor Rate) (or any component of any of the foregoing) or any related spread or other adjustments thereto, in each case, in a manner adverse to the Borrowers. The Agent may select information sources or services in its reasonable discretion to ascertain any reference rate referred to herein or any alternative, successor or replacement rate (including, without limitation, any Successor Rate) (or any component of any of the foregoing), in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrowers, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or other action or omission related to or affecting the selection, determination, or calculation of any rate (or component thereof) provided by any such information source or service.

No Letter of Credit shall have an expiration date (including all rights of such Borrower or the beneficiary to require renewal) of greater than one year or later than the Termination Date applicable to the Multicurrency Revolving Credit Facility under clause (a)(i) of the definition of "Termination Date"; provided that any Letter of Credit which provides for automatic one-year extension(s) of such expiration date shall be deemed to comply with the foregoing requirement if the Issuing Bank has the unconditional right to prevent any such automatic extension from taking place. Within the limits referred to above, any

Multicurrency Revolver Borrower under the Multicurrency Revolving Credit Facility may request the issuance of Letters of Credit under this Section 2.01(e), repay any Advances resulting from drawings thereunder pursuant to Section 2.03(c) and request the issuance of additional Letters of Credit under this Section 2.01(e). If a Letter of Credit shall be requested on behalf of a Subsidiary that is not a Multicurrency Revolver Borrower hereunder, the Company shall have furnished to the Issuing Bank, in form and substance reasonably satisfactory to the Issuing Bank, customary “know your customer” information regarding such Subsidiary at least three Business Days prior to the date of the requested issuance. Each “Existing Letter of Credit” listed on Schedule 2.01(e) shall be deemed to constitute a Letter of Credit issued hereunder, and each Lender that is an issuer of such a Letter of Credit shall, for purposes of Section 2.03, be deemed to be a Issuing Bank for each such letter of credit, provided that any renewal or replacement of any such letter of credit shall be issued by a Issuing Bank pursuant to the terms of this Agreement. The terms “issue”, “issued”, “issuance” and all similar terms, when applied to a Letter of Credit, shall include any renewal, extension or amendment thereof.

(f) Incremental Advances. Each Lender having an Incremental Term Commitment or an Incremental Revolving Credit Commitment agrees, on the terms and conditions set forth in the applicable Incremental Assumption Agreement, to make Incremental Term Advances to the applicable Borrower or Borrowers and/or Incremental Revolving Credit Advances to the applicable Borrower or Borrowers, in an aggregate principal amount not to exceed its Incremental Term Commitment or Incremental Revolving Credit Commitment, as the case may be.

SECTION 2.02 Borrowing Mechanics.

(a) Each Term Borrowing and each Revolving Credit Borrowing shall be made upon the applicable Borrower’s irrevocable notice to the Agent. Each such notice must be received by the Agent not later than (I) 12:00 P.M. (New York City time) on the third Business Day prior to the date of any proposed Borrowing consisting of Term Rate Advances denominated in Dollars, (II) 12:00 P.M. (New York City time) on the Business Day prior to the date of any proposed borrowing consisting of Daily Simple SOFR Advances, and (III) 12:00 P.M. (New York City time) on the fourth Business Day prior to the date of any proposed Borrowing consisting of (A) Term Rate Advances denominated in any Foreign Currency or (B) Alternative Currency Daily Rate Advances denominated in Sterling, and (III) 11:00 A.M. (New York City time) on the date of the proposed Borrowing consisting of Base Rate Advances, and the Agent shall then give to each Lender prompt notice thereof by telecopier. Each such notice shall be given by telephone or by Notice of Borrowing; provided that any telephonic notice must be confirmed promptly by delivery to the Agent of a Notice of Borrowing. Each such notice (whether written or telephonic) shall specify the (i) applicable Borrower, (ii) applicable Facility, (iii) date of such Borrowing, (iv) Type of Advances comprising such Borrowing, (v) aggregate amount of such Borrowing, (vi) in the case of a Borrowing consisting of Term Rate Advances, the initial Interest Period for such Advance, and (vii) currency for each such Advance; provided, that the applicable Borrower shall not be entitled to request any Borrowing that, if made, would result in more than fifteen different Interest Periods being in effect hereunder at any one time. Each Lender shall before 2:00 P.M. (New York City time) on the date of such Borrowing, in the case of a Borrowing consisting of Advances denominated in Dollars and, not later than the Applicable Time specified by the Agent in the case of any Borrowing in any Foreign Currency, make available for the account of its

Applicable Lending Office to the Agent at the applicable Agent's Account, in same day funds, such Lender's ratable portion of such Borrowing. After the Agent's receipt of such funds and upon fulfillment of the applicable conditions set forth in Article III, the Agent will make such funds available to the Borrower requesting the applicable Borrowing at the address and in the account of such Borrower specified in the applicable Notice of Borrowing.

(b) Each Swing Line Borrowing shall be made on notice, given not later than 1:00 P.M. (New York City time) on the date of the proposed Swing Line Borrowing by the applicable Borrower to the Swing Line Bank and the Agent, of which the Agent shall give prompt notice to the Lenders. Each such notice of a Swing Line Borrowing shall be given by telephone or by Notice of Swing Line Borrowing; provided that any telephonic notice must be, confirmed promptly by delivery to the Agent of a Notice of Swing Line Borrowing. Each such notice (whether written or telephonic) shall specify the requested (i) date of such Borrowing, (ii) amount of such Borrowing and (iii) maturity of such Borrowing (which maturity shall be no later than the earlier of (A) the tenth Business Day after the requested date of such Borrowing and (B) the Termination Date applicable to the Multicurrency Revolving Credit Facility under clause (a) of the definition of "Termination Date" (the "Swing Line Advance Maturity Date")). The Swing Line Bank shall, before 3:00 P.M. (New York City time) on the date of such Swing Line Borrowing, make such Swing Line Borrowing available to the Agent at the Agent's Account, in same day funds. After the Agent's receipt of such funds and upon fulfillment of the applicable conditions set forth in Article III, the Agent will make such funds available to the applicable Borrower at the address and in the account of such Borrower specified in the applicable Notice of Swing Line Borrowing. Upon written demand by the Swing Line Bank, with a copy of such demand to the Agent, each other Multicurrency Revolving Lender will purchase from the Swing Line Bank, and the Swing Line Bank shall sell and assign to each such other Multicurrency Revolving Lender, such other Multicurrency Revolving Lender's Ratable Share of such outstanding Swing Line Advance, by making available for the account of its Applicable Lending Office to the Agent for the account of the Swing Line Bank, by deposit to the Agent's Account, in same day funds, an amount equal to its Ratable Share of such Swing Line Advance. Each Borrower hereby agrees to each such sale and assignment. Each Multicurrency Revolving Lender agrees to purchase its Ratable Share of an outstanding Swing Line Advance on (i) the Business Day on which demand therefor is made by the Swing Line Bank, provided that notice of such demand is given not later than 12:00 P.M. (New York City time) on such Business Day or (ii) the first Business Day next succeeding such demand if notice of such demand is given after such time. Upon any such assignment by the Swing Line Bank to any other Multicurrency Revolving Lender of a portion of a Swing Line Advance, the Swing Line Bank represents and warrants to such other Multicurrency Revolving Lender that the Swing Line Bank is the legal and beneficial owner of such interest being assigned by it, but makes no other representation or warranty and assumes no responsibility with respect to such Swing Line Advance, this Agreement, the Notes or the Borrowers. If and to the extent that any Multicurrency Revolving Lender shall not have so made its Ratable Share of such Swing Line Advance available to the Agent, such Multicurrency Revolving Lender agrees to pay to the Agent forthwith on demand such amount together with interest thereon, for each day from the date such Multicurrency Revolving Lender is required to have made such amount available to the Agent until the date such amount is paid to the Agent, at the Federal Funds Rate. If such Multicurrency Revolving Lender shall pay to the Agent such amount for the account of the Swing Line Bank on any Business Day, such amount so paid in respect of principal shall constitute a Swing Line Advance made by such Multicurrency Revolving Lender on such

Business Day for purposes of this Agreement, and the outstanding principal amount of the Swing Line Advance made by the Swing Line Bank shall be reduced by such amount on such Business Day.

(c) Anything in subsection (a) above to the contrary notwithstanding, (i) after giving effect to all Term A Borrowings and Sterling Term A Borrowings, there shall not be more than five Interest Periods in effect in respect of either the Term A Facility or Sterling Term A Facility and (ii) after giving effect to all Revolving Credit Borrowings, there shall not be more than (A) five Interest Periods in effect in respect of the Transpacific Revolving Credit Facility and (B) ten Interest Periods in effect in respect of the Multicurrency Revolving Credit Facility.

(d) Each Notice of Borrowing and Notice of Swing Line Borrowing of any Borrower shall be irrevocable and binding on such Borrower. In the case of any Borrowing that the related Notice of Borrowing specifies is to be comprised of Term Rate Advances, Daily Simple SOFR Advances or Alternative Currency Daily Rate Advances, the Borrower requesting such Borrowing shall indemnify each Lender against any loss, cost or expense incurred by such Lender as a result of any failure to fulfill on or before the date specified in such Notice of Borrowing for such Borrowing the applicable conditions set forth in Article III, including, without limitation, any loss (excluding loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund the Advance to be made by such Lender as part of such Borrowing when such Advance, as a result of such failure, is not made on such date.

(e) Unless the Agent shall have received notice from a Lender prior to the time of any Borrowing under the applicable Revolving Credit Facility that such Lender will not make available to the Agent such Lender's ratable portion of such Borrowing under the applicable Revolving Credit Facility, the Agent may assume that such Lender has made such portion available to the Agent on the date of such Borrowing under the applicable Revolving Credit Facility in accordance with subsection (a) of this Section 2.02 and the Agent may, in reliance upon such assumption, make available to the Borrower requesting such Borrowing under the applicable Revolving Credit Facility on such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Agent, such Lender agrees to repay to the Agent forthwith on demand such corresponding amount. If such Lender does not pay such corresponding amount forthwith upon the Agent's demand therefor, the Agent shall promptly notify the applicable Borrower and such Borrower shall immediately pay such corresponding amount to the Agent. The Agent shall also be entitled to receive from such Lender or such Borrower, as the case may be, interest on such corresponding amount, for each day from the date such amount is made available to such Borrower until the date such amount is repaid to the Agent, at (i) in the case of such Borrower, the interest rate applicable at the time to Advances comprising such Borrowing under the applicable Revolving Credit Facility and (ii) in the case of such Lender, (A) the Federal Funds Rate in the case of Advances denominated in Dollars or (B) the cost of funds incurred by the Agent in respect of such amount in the case of Advances denominated in Committed Currencies or other Foreign Currencies. If such Lender shall repay to the Agent such corresponding amount, such amount so repaid shall constitute such Lender's Advance as part of such Borrowing for purposes of this Agreement.

(f) The failure of any Lender to make the Advance to be made by it as part of any Borrowing or to make the Swing Line Advance to be made by it as part of any Swing Line

Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Advance on the date of such Borrowing or to prejudice any rights which any Borrower may have against any Lenders as a result of any default by such Lender hereunder. No Lender shall be responsible for the failure of any other Lender to make the Advance to be made by such other Lender on the date of any Borrowing.

(g) Notwithstanding anything herein to the contrary, each Lender at its option may make any Advances by causing any domestic or foreign branch or Affiliate of such Lender to make such Advances through any Applicable Lending Office; provided that any exercise of such option shall not affect the obligation of the applicable Borrower to repay such Advances in accordance with the terms of this Agreement. Unless the context otherwise requires, each reference to a Lender shall include its Applicable Lending Office.

(h) With respect to any Alternative Currency Daily Rate, Daily Simple SOFR or Term Rate, the Agent will have the right, in its reasonable discretion and in consultation with the Borrowers, to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document; provided that, with respect to any such amendment effected, the Agent shall post each such amendment implementing such Conforming Changes to the Company and the Lenders reasonably promptly after such amendment becomes effective.

SECTION 2.03 Issuance of and Drawings and Reimbursement Under Letters of Credit.

(a) Request for Issuance. Each Letter of Credit issued under the Multicurrency Revolving Credit Facility shall be issued upon notice (a "Notice of Issuance"), given not later than 12:00 P.M. (New York City time) on the third Business Day prior to the date of the proposed issuance of such Letter of Credit (or on such shorter notice as the applicable Issuing Bank may agree) or 12:00 P.M. (Sydney, Australia time) on the fourth Business Day prior to the date of the proposed issuance of such Letter of Credit if denominated in AU\$, by any Multicurrency Revolver Borrower under the Multicurrency Revolving Credit Facility to any Issuing Bank, and such Issuing Bank shall give the Agent prompt notice thereof by facsimile, following its receipt of a Notice of Issuance from the applicable Borrower; provided that any Letter of Credit requested pursuant to this Agreement may state or indicate that the Company or any of its Restricted Subsidiaries is the "Account Party", "Applicant", "applicant", "Requesting Party" or any similar designation. Each such Notice of Issuance of a Letter of Credit shall be initially made by telephone, confirmed promptly thereafter in writing or by facsimile, and shall specify therein the requested (A) date of such issuance (which shall be a Business Day), (B) Available Amount of such Letter of Credit, (C) [reserved], (D) the currency in which such Letter of Credit is to be denominated, (E) expiration date of such Letter of Credit (which shall not be later than the earlier of five Business Days prior to the scheduled Termination Date of the Multicurrency Revolving Credit Facility (under clause (a)(i) of the definition of "Termination Date") or one year after the date of issuance thereof; provided that any Letter of Credit which provides for automatic one-year extension(s) of such expiration date shall be deemed to comply with the foregoing requirement if the Issuing Bank has the unconditional right to prevent any such automatic extension from taking place after such scheduled Termination Date), (F) name

and address of the beneficiary of such Letter of Credit, and (G) form of such Letter of Credit, and shall be accompanied by such customary application and agreement for issuance of letters of credit as such Issuing Bank may specify to the Borrower requesting such issuance for use in connection with such requested Letter of Credit (a “Letter of Credit Agreement”). If the requested form of such Letter of Credit is acceptable to such Issuing Bank in its sole discretion (and, for the avoidance of doubt, no Issuing Bank shall be required to issue any Letter of Credit other than a standby letter of credit unless such Issuing Bank agrees in its sole discretion), such Issuing Bank will, upon fulfillment of the applicable conditions set forth in Section 3.02, make such Letter of Credit available to the Borrower requesting such issuance at its office referred to in Section 9.02 or as otherwise agreed with such Borrower in connection with such issuance. In the event and to the extent that the provisions of any Letter of Credit Agreement shall conflict with this Agreement, the provisions of this Agreement shall govern. Each Borrower hereby acknowledges and agrees that, notwithstanding anything to the contrary in any Letter of Credit requested pursuant to or issued under this Agreement which may state or indicate that the “Account Party”, “Applicant”, “applicant”, “Requesting Party” or any similar designation with respect to such requested Letter of Credit is a Person other than the applicable requesting Borrower, (i) such Borrower is, and shall at all times remain, the “Applicant” (as defined in Section 5-102(a) of the Uniform Commercial Code, as in effect in the State of New York) with respect to each Letter of Credit issued by the Issuing Bank pursuant to a Notice of Issuance, and (ii) all such Letters of Credit shall constitute “Letters of Credit” under, and as defined in, this Agreement. No Issuing Bank shall be under any obligation to issue any Letter of Credit if (1) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any Law applicable to such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense that was not applicable on the Closing Date and that such Issuing Bank in good faith deems material to it or (2) the form, substance or proposed beneficiary of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally.

(b) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the Multicurrency Revolving Lenders, such Issuing Bank hereby grants to each such applicable Multicurrency Revolving Lender, and each such Multicurrency Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Multicurrency Revolving Lender’s Ratable Share of the Available Amount of such Letter of Credit. Each Borrower hereby agrees to each such participation. In consideration and in furtherance of the foregoing, each of the Multicurrency Revolving Lenders hereby absolutely and unconditionally agree to pay to the Agent, for the account of such Issuing Bank, such Multicurrency Revolving Lender’s Ratable Share of each drawing made under a Letter of Credit funded by such Issuing Bank, and not reimbursed by the applicable Borrower by payment in full to the Agent not later than 3:00 p.m. (New York City time) on the Business Day following the date of such payment, in accordance with the terms of this Agreement, or of any reimbursement payment required to be refunded to any Borrower for any reason. Each Multicurrency Revolving Lender hereby acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and

unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of any Multicurrency Revolving Credit Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Multicurrency Revolving Lender further acknowledges and agrees that its participation in each Letter of Credit will be automatically adjusted to reflect such Lender's Ratable Share of the Available Amount of such Letter of Credit under the Multicurrency Revolving Credit Facility at each time such Lender's Multicurrency Revolving Credit Commitment is amended pursuant to an assignment in accordance with Section 9.07 or otherwise pursuant to this Agreement.

(c) Drawing and Reimbursement. Not later than 3:00 p.m. (New York City time) on the Business Day following the date of any payment by the applicable Issuing Bank under a Letter of Credit or 3:00 P.M. (Sydney, Australia time) on the Business Day following the date of any payment by the applicable Issuing Bank under a Letter of Credit denominated in AU\$, the Company shall pay (or shall cause the applicable Borrower to pay) to the Agent, an amount equal to the full amount of such drawing plus all accrued and unpaid interest thereon from the date of such drawing through and including the date of such payment (which shall accrue at the Base Rate), which amount shall be payable in the currency in which such Letter of Credit was issued, and the Agent shall promptly apply such amount to either (x) reimburse the applicable Issuing Bank for the full amount of such drawing plus all accrued and unpaid interest thereon, or (y) to the extent that the Multicurrency Revolving Lenders shall have already funded participations or Revolving Credit Advances with respect to the payment under such Letter of Credit, pursuant to Section 2.03(b) above or this Section 2.03(c), to pay to each such Multicurrency Revolving Lender an amount equal to such Multicurrency Revolving Lender's Ratable Share of such drawing plus all accrued and unpaid interest thereon (which shall accrue at the Base Rate). If the Company does not comply with the provisions of the preceding sentence, then the payment by an Issuing Bank of a draft drawn under any Letter of Credit shall constitute for all purposes of this Agreement the making by such Issuing Bank of a Revolving Credit Advance under the Multicurrency Revolving Credit Facility, which shall be a Base Rate Advance, in the amount of such draft (and if such Letter of Credit was originally denominated in a currency other than Dollars, such deemed Advance shall also automatically be exchanged for an Equivalent amount of Dollars at the then applicable Spot Rate). The applicable Issuing Bank shall give prompt notice (and such Issuing Bank will use its commercially reasonable efforts to deliver such notice within one Business Day) of each drawing under any Letter of Credit issued by it to the Company, the applicable Borrower (if not the Company) and the Agent. Upon written demand by such Issuing Bank, with a copy of such demand to the Agent and the Company, each Multicurrency Revolving Lender shall pay to the Agent such Multicurrency Revolving Lender's Ratable Share of such outstanding Multicurrency Revolving Credit Advance under the Multicurrency Revolving Credit Facility, by making available for the account of its Applicable Lending Office to the Agent for the account of such Issuing Bank, by deposit to the Agent's Account, in same day funds, an amount equal to the portion of the outstanding principal amount of such Advance to be funded by such Lender. Each Multicurrency Revolving Lender acknowledges and agrees that its obligation to make Multicurrency Revolving Credit Advances pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Multicurrency Revolving Credit Commitments, and that each such payment

shall be made without any offset, abatement, withholding or reduction whatsoever. Promptly after receipt thereof, the Agent shall transfer such funds to such Issuing Bank. Each Multicurrency Revolving Lender agrees to fund its Ratable Share of an outstanding Advance on (i) the Business Day on which demand therefor is made by such Issuing Bank; provided that notice of such demand is given not later than 12:00 P.M. (New York City time) on such Business Day or 11:00 A.M. (Sydney, Australia time) on such Business Day in the case of Advances denominated in AU\$, or (ii) the first Business Day next succeeding such demand if notice of such demand is given after such time. If and to the extent that any Revolving Lender shall not have so made the amount of such Multicurrency Revolving Credit Advance available to the Agent, such Multicurrency Revolving Lender agrees to pay to the Agent forthwith on demand such amount together with interest thereon, for each day from the date of demand by any such Issuing Bank until the date such amount is paid to the Agent, at the Federal Funds Rate for its account or the account of such Issuing Bank, as applicable.

(d) Letter of Credit Reports. The applicable Issuing Bank shall furnish (A) to the Agent (with a copy to the Company) on the last Business Day of each fiscal quarter a written report summarizing issuance and expiration dates of Letters of Credit under the Multicurrency Revolving Credit Facility during the preceding month and drawings during such month under all Letters of Credit and (B) to the Agent (with a copy to the Company) on the first Business Day of each calendar quarter a written report setting forth the actual daily aggregate Available Amount during the preceding calendar quarter of all Letters of Credit.

(e) Replacement of an Issuing Bank. Any Issuing Bank may be replaced at any time by written agreement between the Borrower, the Agent, the replaced Issuing Bank and the successor Issuing Bank. The Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.05(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued by it thereafter and (ii) references herein to the term “Issuing Bank” shall be deemed to include such successor or any previous Issuing Bank, or such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

SECTION 2.04 Incremental Commitments.

(a) The Company (for and on behalf of itself, or in its capacity as Borrower Representative on behalf of any other Borrower, as applicable) may, by written notice to the Agent from time to time, request Incremental Term Commitments and/or Incremental Revolving Credit Commitments, as applicable, in an aggregate amount not to exceed the Incremental Amount from one or more Incremental Term Lenders and/or Incremental Revolving Lenders (which may include any existing Lender) willing to provide such Incremental Term Advances and/or Incremental Revolving Credit Advances, as the case may be, in their sole discretion; provided, that each Incremental Term Lender and/or Incremental Revolving Lender (which is not an existing Lender) shall be subject to the approval requirements of Section 9.07. Such notice

shall set forth (A) the amount of the Incremental Term Commitments and/or Incremental Revolving Credit Commitments being requested (which shall be in minimum increments of \$5,000,000 and a minimum amount of \$25,000,000 or equal to the remaining Incremental Amount), (B) the date on which such Incremental Term Commitments and/or Incremental Revolving Credit Commitments are requested to become effective (the “Increased Amount Date”) and (C) (i) whether such Incremental Term Commitments are to be commitments to make term advances with pricing and/or amortization terms different from the then-outstanding Term Advances (“Other Term Advances”) and/or (ii) whether such Incremental Revolving Credit Commitments are to be Revolving Credit Commitments or commitments to make revolving advances with pricing and/or amortization terms different from the then-outstanding Revolving Credit Advances (“Other Revolving Credit Advances”).

(b) The applicable Borrower and such other Loan Parties as may be required with respect to such Incremental Term Commitment or Incremental Revolving Credit Commitment and each Incremental Term Lender and/or Incremental Revolving Lender shall execute and deliver to the Agent an Incremental Assumption Agreement, guarantor acknowledgments and consents, Notes (if requested in advance by the applicable Lenders) and such other closing or corporate documentation as the Agent (acting at the direction of the applicable Incremental Lenders) shall reasonably request. Each Incremental Assumption Agreement shall specify the terms of the Incremental Term Advances and/or Incremental Revolving Credit Advances to be made thereunder, and shall be made (x) on terms and conditions agreed to by the applicable Borrower and the applicable Incremental Lenders, and in a form that is reasonably acceptable to the Agent; provided, that (i) the Other Term Advances and Other Revolving Credit Advances shall rank pari passu in right of payment and of security with the Term Advances and Revolving Credit Advances, as applicable, (ii) the final maturity date of (A) any Other Term Advances shall be no earlier than the Latest Scheduled Term Loan Termination Date and (B) any Other Revolving Credit Advances shall be no earlier than the scheduled Termination Date applicable to the Revolving Credit Facilities (under clause (a)(i) of the definition of “Termination Date”), (iii) the weighted average life to maturity of any Other Term Advances shall be no shorter than the longest remaining weighted average life to maturity of any Term Facility outstanding immediately prior to the execution and delivery of such Incremental Assumption Agreement, (iv) the Other Revolving Credit Advances shall require no scheduled amortization or mandatory commitment reductions prior to the scheduled Termination Date applicable to the Revolving Credit Facilities (under clause (a)(i) of the definition of “Termination Date”) and (v) no Default (except in the connection with a Limited Condition Acquisition, in which case this requirement shall be that no Specified Event of Default shall have occurred and be continuing or would result from such Incremental Term Advance and/or Incremental Revolving Credit Advance) shall have occurred and be continuing or would result from such Incremental Term Advances and/or Incremental Revolving Credit Advances.

(c) Notwithstanding the foregoing, no Incremental Term Commitment or Incremental Revolving Credit Commitment shall become effective under this Section 2.04 unless (i) on the date of such effectiveness, the representations and warranties set forth in Section 4.01 shall be true and correct (in the case of a Limited Condition Acquisition, to the extent required under Section 1.14) and the Agent (acting at the direction of the applicable Incremental Lenders) shall have received a certificate to that effect dated such date and executed by a Responsible Officer of the applicable Borrower, (ii) the Agent shall have received (or waived, in accordance with the terms of the relevant Incremental Assumption Agreement) legal opinions, board

resolutions and other closing certificates and documentation as required by the relevant Incremental Assumption Agreement and consistent with those delivered on the Closing Date under Section 3.01 and such additional documents and filings (including amendments to the Collateral Documents) as the Agent may reasonably require to assure that the Incremental Term Advances and/or Incremental Revolving Credit Advances are secured by the Collateral ratably with the existing Term Advances and Revolving Credit Advances, and (iii) subject to Section 1.14, the Borrowers would be in Pro Forma Compliance, calculated as of the last day of the most recently ended fiscal quarter for which financial statements delivered under Section 5.01(a)(i) are available, determined on a Pro Forma Basis giving effect to such Incremental Term Commitment and/or Incremental Revolving Credit Commitments (assuming for such purpose that any such Incremental Revolving Credit Commitments are fully drawn) and the Advances to be made thereunder and the application of the proceeds therefrom as if made and applied on such date.

(d) Each of the parties hereto hereby agrees that the Agent may take any and all action as may be reasonably necessary to ensure that all Incremental Term Advances and/or Incremental Revolving Credit Advances (other than Other Term Advances or Other Revolving Credit Advances), when originally made, are included in each Borrowing of outstanding Term Advances or Revolving Credit Advances on a pro rata basis.

(e) Incremental Notes.

(i) Any Borrower may from time to time, upon notice to the Agent, specifying in reasonable detail the proposed terms thereof, issue one or more series of secured notes ranking pari passu in right of payment and security with the Facilities (such notes, collectively, "Incremental Notes") in an aggregate amount not to exceed the Incremental Amount (which shall be in minimum increments of \$5,000,000 and a minimum amount of \$25,000,000 or equal to the remaining Incremental Amount).

(ii) Each issuance of Incremental Notes shall be on the terms set forth in this clause (ii), and as a condition precedent to the effectiveness of such issuance the Company shall have delivered to the Agent a certificate dated as of the date of issuance of the Incremental Notes signed by a Responsible Officer of the Company attaching the resolutions adopted by the Company approving or consenting to the effectiveness of such Incremental Notes and certifying as to the Company's compliance the following clauses (A) through (H) in respect of such issuance of Incremental Notes: (A) such Incremental Notes shall not be guaranteed by any person that is not a Guarantor, (B) such Incremental Notes will be secured only by the Collateral and shall be subject to an intercreditor agreement on customary intercreditor terms to be reasonably acceptable to the Agent and the Company, (C) the final maturity date of such Incremental Notes shall be no earlier than 91 days after the Latest Scheduled Termination Date, (D) the weighted average life to maturity of such Incremental Notes shall be no shorter than the longest remaining weighted average life to maturity of any Term Facility outstanding at the time of the issuance of the Incremental Notes, (E) such Incremental Notes shall not be subject to any mandatory redemption or prepayment provisions or rights (except (1) customary change of control

provisions and (2) other mandatory redemption or prepayment provisions to the extent any such mandatory redemption or prepayment is required to be applied pro rata (or less than pro rata) basis to the Term Advances and other Indebtedness that is secured on a pari passu basis with the Obligations), (F) the terms and conditions of such Incremental Notes (other than interest rates (including through fixed interest rates), interest margins, rate floors, fees, funding discounts, original issue discounts and prepayment or reception premiums and terms) shall be on market terms for comparable senior secured notes (as determined by the Company in good faith and as reasonably agreed by the Agent) and, if not consistent with the terms and conditions of the Facilities, shall not be materially more restrictive or burdensome to the Loan Parties when taken as a whole than the terms and conditions of the Facilities, taken as a whole, (G) such Incremental Notes shall not have the benefit of any financial maintenance covenant more restrictive than the covenant set forth in Section 5.03 unless the Lenders shall also have the benefit of such financial maintenance covenant on the same terms or such financial maintenance covenant applies only after the latest Termination Date then applicable to any Facility and (H) no Event of Default (except in the connection with a Limited Condition Acquisition, in which case such requirement shall be no Specified Event of Default) shall have occurred and be continuing or would result from such the issuance of such Incremental Notes.

(f) Amendments. The Lenders hereby authorize the Agent to enter into amendments to this Agreement and the other Loan Documents with the Company or any Restricted Subsidiary as may be necessary in order to (i) secure any Incremental Notes with the Collateral and/or (ii) to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Agent and the Company in connection with the incurrence of any Incremental Facility or the issuance of any Incremental Notes, in each case on terms consistent with the relevant provisions of this Section 2.04.

SECTION 2.05 Fees(a) . (a) Commitment Fee. The Company will pay, or will cause another Borrower to pay (with regard to the JPY Revolver Borrower, to the extent permitted by Japanese Law, if applicable), to the Agent for the account of each Revolving Lender under the applicable Revolving Credit Facility (other than any Defaulting Lender), payable in arrears on the last Business Day of March, June, September and December in each year, and on the Termination Date of such Revolving Credit Facility (pursuant to clause (a) of the definition of “Termination Date”), a commitment fee (the “Commitment Fee”) on the daily amount of the Unused Revolving Credit Commitments of such Revolving Credit Facility Lender during the preceding quarter (or shorter period commencing with the Closing Date or ending with such Termination Date), which shall accrue at 0.20% per annum initially and, after delivery of the financial statements for the first three full fiscal quarters following the Closing Date, pursuant to Section 5.01(a)(i), at the applicable percentage per annum indicated in the pricing grid described in the definition of “Applicable Margin”. All Commitment Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days. For the purpose of calculating any Multicurrency Revolving Lender’s Commitment Fee, the outstanding Swing Line Advances during the period for which such Multicurrency Revolving Lender’s Commitment Fee is calculated shall be deemed to be zero. The Commitment Fee due to each Revolving Lender shall commence to accrue on the Closing Date and shall cease to accrue on the Termination Date applicable to such Revolving Credit Facility.

(b) Letter of Credit Fees.

(i) The Company will pay, or will cause another Borrower to pay, to the Agent for the account of each Multicurrency Revolving Lender a commission on such Multicurrency Revolving Lender's Ratable Share of the actual daily aggregate Available Amount of all Letters of Credit under the Multicurrency Revolving Credit Facility issued and outstanding from time to time at a rate per annum equal to the Applicable Margin for Term Rate Advances for Multicurrency Revolving Credit Advances in effect from time to time during each calendar quarter, payable in arrears quarterly on the last Business Day of each March, June, September and December, commencing with the quarter ended March, 2022, and on the Termination Date (pursuant to clause (a) of the definition of "Termination Date") and thereafter payable upon demand.

(ii) The Company will pay, or will cause another Borrower to pay, to the respective Issuing Bank, for its own account, (x) a fronting fee equal to 0.125% per annum on the aggregate face amount of each Letter of Credit issued by such Issuing Bank under the Multicurrency Revolving Credit Facility and (y) other customary administrative, issuance, amendment and other charges.

(c) Agent's Fees. The Company will pay (with regard to the JPY Revolver Borrower, to the extent permitted by Japanese Law, if applicable), or will cause another Borrower to pay, to the Agent for its own account such fees as may from time to time be agreed between the Company and the Agent.

(d) Defaulting Lender. Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, such Defaulting Lender shall not be entitled to any fees accruing during such period pursuant to Section 2.19(b)(iii) and this Section 2.05 (without prejudice to the rights of the Non-Defaulting Lenders in respect of such fees), provided that (a) to the extent that a portion of the L/C Exposure or Swing Line Exposure of such Defaulting Lender is reallocated to the Non-Defaulting Lenders pursuant to Section 2.19(a), such fees that would have accrued for the benefit of such Defaulting Lender shall instead accrue for the benefit of and be payable to such Non-Defaulting Lenders, pro rata in accordance with their respective Commitments, and (b) to the extent of any portion of such L/C Exposure or Swing Line Exposure that cannot be so reallocated such fees shall instead accrue for the benefit of and be payable to the Issuing Banks and the Swing Line Bank as their interests appear (and the pro rata payment provisions of Section 2.19(b) shall automatically be deemed adjusted to reflect the provisions of this Section).

SECTION 2.06 Termination or Reduction of the Commitments.

(a) Optional. The Company shall have the right, upon at least three Business Days' notice to the Agent, to terminate in whole or permanently reduce, ratably among the Revolving Lenders under the applicable Revolving Credit Facility (except as otherwise permitted by Section 2.19), the respective Unused Revolving Credit Commitments of such Lenders, provided that each partial reduction shall be in the aggregate amount of \$10,000,000 (or in the total amount of Unused Revolving Credit Commitments then outstanding, if less) or an integral multiple of \$1,000,000 in excess thereof.

(b) Mandatory.

(i) The aggregate Term Commitments under each Term Facility shall be automatically and permanently reduced to zero on the date of the Borrowings in respect of such Facility.

(ii) If, after giving effect to any reduction or termination of Multicurrency Revolving Credit Commitments under this Section 2.06, the aggregate amount of the Letter of Credit Sublimit plus the Swing Line Sublimit exceeds the total amount of the Multicurrency Revolving Credit Facility at such time, then the Letter of Credit Sublimit and/or the Swing Line Sublimit shall be automatically reduced by the amount of such excess (provided, that the Company may determine the allocation of reductions between the Letter of Credit Sublimit and/or the Swing Line Sublimit, except to the extent that its ability to reduce the Letter of Credit Sublimit is limited by outstanding Letters of Credit and/or Unpaid Drawings).

(c) Termination of Defaulting Lender. The Company may terminate the unused amount of the Commitment of any Lender that is a Defaulting Lender upon not less than three Business Days' prior notice to the Agent (which shall promptly notify the Lenders thereof), and in such event the provisions of Section 2.19(b) will apply to all amounts thereafter paid by the Company for the account of such Defaulting Lender under this Agreement (whether on account of principal, interest, fees, indemnity or other amounts), provided that (i) no Event of Default shall have occurred and be continuing and (ii) such termination shall not be deemed to be a waiver or release of any claim the Borrower, the Agent, the Issuing Banks, the Swing Line Bank or any Lender may have against such Defaulting Lender.

(a) Scheduled Interest. Each Borrower shall pay interest (computed in accordance with Section 2.14) on the unpaid principal amount of each Advance owing by it to each Lender from the date of such Advance until such principal amount shall be paid in full, at the following rates per annum:

(i) Base Rate Advances. During such periods as such Advance is a Base Rate Advance and for each Swing Line Advance, a rate per annum equal at all times to the sum of (x) the Base Rate in effect from time to time plus (y) the Applicable Margin in effect from time to time, payable in arrears (A) in the case of a Base Rate Advance that is not a Swing Line Advance, quarterly on the last Business Day of each March, June, September and December or (B) in the case of a Base Rate Advance that is a Swing Line Advance, on the date such Swing Line Advance shall be paid in full, in each case payable in Dollars.

(ii) Term Rate Advances. During such periods as such Advance is a Term Rate Advance, a rate per annum equal at all times during each Interest Period for such Advance to the sum of (x) the Term Rate for such Interest Period for such Advance plus (y) the Applicable Margin in effect from time to time, payable in arrears on the last day of such Interest Period and, if such Interest Period has a duration of more than three months, on each day that occurs during such Interest Period every three months from the first day of such Interest Period and on the date such Term Rate Advance shall be Converted or paid in full, in each case payable in the Committed Currency (or other Foreign Currency, as applicable) in which the applicable Advance was borrowed.

(iii) Alternative Currency Daily Rate Advances. During such periods as such Advance is an Alternative Currency Daily Rate Advance, a rate per annum equal to all times to the sum of (x) Alternative Currency Daily Rate applicable to such Advances, as in effect from time to time (it being understood that SONIA shall be determined on a daily basis) plus (y) the Applicable Margin in effect from time to time, payable in arrears on the last Business Day of each calendar month and the Termination Date, in each case payable in the applicable Alternative Currency.

(iv) Daily Simple SOFR Advances. During such periods as such Advance is a Daily Simple SOFR Advance, a rate per annum equal to all times to the sum of (x) the Daily Simple SOFR rate applicable to such Advances, as in effect from time to time (it being understood that Daily Simple SOFR shall be determined on a daily basis) plus (y) the Applicable Margin in effect from time to time, payable in arrears on the last

Business Day of each calendar month and the Termination Date, in each case payable in Dollars.

(b) Default Interest. If all or a portion of (i) the principal amount of any Advance or (ii) any interest payable thereon shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum which is the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section 2.08 plus 2.00% per annum from the date of such non-payment until such amount is paid in full. If all or a portion of any fee or other amount payable under this Agreement that is not specified in clause (i) or (ii) above shall not be paid when due, then such amount shall bear interest at a rate per annum equal to the rate per annum then required to be paid on Base Rate Advances plus 2.00% from the date of such non-payment until such amount is paid in full. For purposes of this Agreement, principal shall be “overdue” only if not paid in accordance with the provisions of Section 2.07 (such applicable interest rate pursuant to this clause (b), the “Default Rate”).

SECTION 2.09 Interest Rate Determination.

(a) The Agent shall give prompt notice to the Company and the Lenders of the applicable interest rate determined by the Agent for purposes of Section 2.08(a)(i), (ii), (iii) or (iv).

(b) If, with respect to any Term Rate Advances, Daily Simple SOFR Advances or Alternative Currency Daily Rate Advances, the Required Lenders notify the Agent that (i) they are unable to obtain matching deposits in the applicable currency in the Relevant Interbank Market at or about 11:00 A.M. (New York City time) on the second Business Day before the making of a Borrowing in sufficient amounts to fund their respective Advances as a part of such Borrowing during its Interest Period (or, with respect to Daily Simple SOFR Advances or Alternative Currency Daily Rate Advances, on the relevant date of determination) or (ii) the Term Rate for any Interest Period (or, with respect to Daily Simple SOFR Advances or Alternative Currency Daily Rate Advances, for any relevant date of determination) for such Advances will not adequately reflect the cost to such Required Lenders of making, funding or maintaining their respective Term Rate Advances in the applicable currency for such Interest Period (or, with respect to Daily Simple SOFR Advances or Alternative Currency Daily Rate Advances, for such date of determination), the Agent shall forthwith so notify each Borrower and the Lenders, whereupon (A) the Borrower of such Term Rate Advances in such currency will, on the last day of the then existing Interest Period therefor (or, with respect to Daily Simple SOFR Advances or Alternative Currency Daily Rate Advances, immediately), (1) if such Term Rate Advances are denominated in Dollars, either (x) prepay such Advances or (y) Convert such Advances into Base Rate Advances and (2) if such Term Rate Advances or Alternative Currency Daily Rate Advances, as applicable, are denominated in a Committed Currency or other Foreign Currency (other than Dollars) prepay such Advances in the Committed Currency or other Foreign Currency in which they were made, and (B) the obligation of the Lenders to make, or to Convert or continue Revolving Credit Advances into, Term Rate Advances, Daily Simple SOFR Advances or Alternative Currency Daily Rate Advances, as applicable, in such currency shall be suspended until the Agent shall notify each Borrower and the Lenders that the circumstances causing such suspension no longer exist; provided that, if the circumstances set forth in clause (ii) above are applicable with respect to Term Rate Advances, the applicable Borrower

may elect, by notice to the Agent and the Lenders, to continue such Term Rate Advances in such Committed Currency (for the avoidance of doubt, other than Sterling) or other Foreign Currency for Interest Periods of not longer than one month, which Advances shall thereafter bear interest at a rate per annum equal to the Applicable Margin plus, for each Lender, the cost to such Lender (expressed as a rate per annum) of funding its Term Rate Advances by whatever means it reasonably determines to be appropriate. Each Lender shall certify its cost of funds for each Interest Period to the Agent and the Company as soon as practicable (but in any event not later than ten Business Days after the first day of such Interest Period).

(c) If any Borrower shall fail to select the duration of any Interest Period for any Term Rate Advances in accordance with the provisions contained in the definition of “Interest Period” in Section 1.01, the Agent will forthwith so notify such Borrower and the Lenders who have extended such Term Rate and such Advances will automatically, on the last day of the then existing Interest Period for such Advances, (i) in the case of Term Rate Advances denominated in Dollars, Convert such Term Rate Advances into Base Rate Advances, (ii) in the case of Term Rate Advances denominated in a Committed Currency or other Foreign Currency (other than Dollars or Pesos), continue such Term Rate Advances as Term Rate Advances with a one-month Interest Period, and (iii) in the case of TIE Rate Advances, continue such TIE Rate Advance as a TIE Rate Advance with a 28-day Interest Period.

(d) On the date on which the aggregate unpaid principal amount of Term Rate Advances, Daily Simple SOFR Advances or Alternative Currency Daily Rate Advances comprising any Borrowing shall be reduced, by payment or prepayment or otherwise, to less than \$5,000,000, such Advances shall automatically (i) in the case of Daily Simple SOFR Advances or Term Rate Advances denominated in Dollars, Convert such Term Rate Advances or Daily Simple SOFR Advances, as applicable, into Base Rate Advances, and (ii) in the case of Term Rate Advances denominated in a Committed Currency or other Foreign Currency (other than Dollars), on the last day of the applicable Interest Period for such Term Rate Advances, and the last day of each subsequent Interest Period for so long as the total of such Advances are less than the Equivalent of \$5,000,000, (A) in the case of a Committed Currency or other Foreign Currency (other than Dollars or Pesos), continue such Term Rate Advances as Term Rate Advances with a one-month Interest Period and (B) in the case of Term Rate Advances in Pesos, continue such Term Rate Advances as TIE Rate Advances with a 28-day Interest Period.

(e) Upon the occurrence and during the continuance of any Event of Default, upon the request of the Required Lenders, (i) each Term Rate Advance, each Daily Simple SOFR Advance and each Alternative Currency Daily Rate Advance will automatically, (A) with respect to Alternative Currency Daily Rate Advances denominated in Sterling and Daily Simple SOFR Advances, with immediate effect, and (B) with respect to Term Rate Advances, on the last day of the then existing Interest Period therefor, (A) if such Advance is denominated in Dollars, be Converted into a Base Rate Advance and (B) if such Advance is denominated in a Committed Currency or other Foreign Currency (other than Dollars), be exchanged for an Equivalent amount of Dollars and be Converted into a Base Rate Advance and (ii) the obligation of the Lenders to make, or to Convert Advances into, Term Rate Advances, Daily Simple SOFR Advances and Alternative Currency Daily Rate Advances shall be automatically suspended.

(f) For the purposes of the *Interest Act* (Canada) and disclosure thereunder, whenever any interest or any fee to be paid hereunder or in connection herewith is to be calculated on the basis of a 365-day year ~~or 366-day year, as applicable~~, the yearly rate of interest to which the rate used in such calculation is equivalent is the rate so used multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 365 ~~or 366, as applicable~~. The rates of interest under this Agreement are nominal rates, and not effective rates or yields. The principle of deemed reinvestment of interest does not apply to any interest calculation under this Agreement. Each of the Loan Parties confirms that it fully understands and is able to calculate the rate of interest applicable to the credit facility under this Agreement based on the methodology for calculating per annum rates provided for in this Agreement. The Agent agrees that if requested in writing by the Borrowers it will calculate the nominal and effective per annum rate of interest on the Facility outstanding at the time of such request and provide such information to the Borrowers promptly following such request; provided that any error in any such calculation, or any failure to provide such information on request, shall not relieve the Borrowers or any other Loan Party of any of its obligations under this Agreement or any other Loan Document, nor result in any liability to the Agent or any Lender. Each Loan Party hereby irrevocably agrees not to plead or assert, whether by way of defence or otherwise, in any proceeding relating to the Loan Documents, that the interest payable under the Loan Documents and the calculation thereof has not been adequately disclosed to the Loan Parties, whether pursuant to section 4 of the *Interest Act* (Canada) or any other applicable law or legal principle.

(g) If any provision of this Agreement would oblige the CDN Revolver Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by applicable Law or would result in a receipt by that Lender of “interest” at a “criminal rate” (as such terms are construed under the *Criminal Code* (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by Law or so result in a receipt by that Lender of “interest” at a “criminal rate”, such adjustment to be effected, to the extent necessary (but only to the extent necessary), as follows (i) first, by reducing the amount or rate of interest required to be paid to the affected Lender under Section 2.08 and (ii) thereafter, by reducing any fees, commissions, costs, expenses, premiums and other amounts required to be paid to the affected Lender which would constitute interest for purposes of section 347 of the *Criminal Code* (Canada).

(h) (i) If the Banco de México fails to publish the TIE for the applicable Interest Period on the first Business Day of such Interest Period, either temporarily or on a definitive basis, the TIE Rate shall be calculated applying any rate published by the Banco de México in substitution of the applicable TIE Rate, and (ii) if clause (i) above is not available, the TIE Rate shall be calculated based on the annual yield for the TIE for a period closest to the duration of the applicable Interest Period, either compounded or calculated based on a 28, 91 or 182 day, as applicable, equivalent basis in substitution of the TIE Rate.

SECTION 2.10 Optional Conversion of Advances. Each Borrower may on any Business Day, upon notice given to the Agent (x) not later than 12:00 P.M. (New York City time) on the third Business Day prior to the date of the proposed Conversion in the case of conversion of Base Rate Advances to Term Rate Advances denominated in Dollars, (y) not later

than 12:00 P.M. (New York City time) on the Business Day prior to the date of the proposed Conversion in the case of conversion of Base Rate Advances to Daily Simple SOFR Advances, and (z) not later than 12:00 P.M. (New York City time) on the date of the proposed conversion in the case of conversion of Daily Simple SOFR Advances or Term Rate Advances denominated in Dollars to Base Rate Advances, Convert all Advances denominated in Dollars of one Type comprising the same Borrowing into Advances denominated in Dollars of the other Type (provided, however, that the Conversion of Term Rate Advances denominated in Dollars into Base Rate Advances made on any date other than the last day of an Interest Period for such Term Rate Advances shall be subject to the payment by the Borrowers of breakage and other costs pursuant to Section 9.04(c)), any Conversion of Base Rate Advances into Term Rate Advances denominated in Dollars shall be in an amount not less than the Term Rate Borrowing Minimum or the Term Rate Borrowing Multiple in excess thereof and no Conversion of any Advances shall result in more separate Borrowings than permitted under Section 2.02(a). Each notice of Conversion shall be given by telephone or by Notice of Borrowing; provided that any telephonic notice must be confirmed promptly by delivery to the Agent of a Notice of Borrowing. Each such notice of a Conversion (whether written or telephonic) shall, within the restrictions specified above, specify (i) the date of such Conversion, (ii) the Dollar denominated Advances to be Converted, and (iii) if such Conversion is into Term Rate Advances, the duration of the initial Interest Period for each such Advance. Each notice of Conversion shall be irrevocable and binding on the Borrower requesting such Conversion.

SECTION 2.11 Prepayments of Term Advances, Revolving Credit Advances and Swing Line Advances.

(a) Optional. Each Borrower may, upon notice no later than (I) 12:00 P.M. (New York City time) on the third Business Day prior to the date of such prepayment consisting of Term Rate Advances denominated in Dollars, (II) 12:00 P.M. (New York City time) on the Business Day prior to the date of such prepayment consisting of Daily Simple SOFR Advances, (III) 12:00 P.M. (New York City time) on the fourth Business Day prior to the date of such prepayment consisting of Term Rate Advances denominated in any Foreign Currency or Alternative Currency Daily Rate Advances, and (IV) 12:00 P.M. (New York City time) on the date of such prepayment consisting of Base Rate Advances (which notice shall, in each case, be revocable by the applicable Borrower only to the extent that such prepayment notice stated that such prepayment was conditioned upon the effectiveness of other credit facilities or issuances of securities, in which case such notice may be revoked by the applicable Borrower (by written notice from the Company to the Agent on or prior to the specified effective date) if such condition to prepayment is or will not be satisfied) to the Agent stating the proposed date and aggregate principal amount of the prepayment, and if such notice is given such Borrower shall, prepay the outstanding principal amount of the Term Advances comprising part of the same Term Borrowing, Revolving Credit Advances comprising part of the same Revolving Credit Borrowing or Swing Line Advances comprising part of the same Swing Line Borrowing in whole or ratably in part, together with accrued interest to the date of such prepayment on the principal amount prepaid; provided, however, that (x) each partial prepayment shall be in an aggregate principal amount of (A) not less than \$1,000,000 or a whole multiple of \$100,000 in excess thereof in the case of a Term Advance, (B) not less than the Revolving Credit Borrowing Minimum or a Revolving Credit Borrowing Multiple in excess thereof in the case of Revolving Credit Advances or (C) not less than \$500,000 or an integral multiple thereof in the case of Swing Line Advances and (y) in the event of any such prepayment of a Term Rate Advance,

other than on the last day of an Interest Period thereunder, the Borrower making such prepayment shall be obligated to reimburse the Lenders in respect thereof pursuant to Section 9.04(c).

(b) Mandatory.

(i) If, on any date, the Agent notifies the Company that, on any interest payment date, the sum of (A) the sum of aggregate principal amount of all Advances denominated in Dollars plus the aggregate Available Amount of all Letters of Credit denominated in Dollars then outstanding plus (B) the Equivalent in Dollars (determined on the second Business Day prior to such interest payment date) of the sum of the aggregate principal amount of all Advances denominated in Foreign Currencies plus the aggregate Available Amount of all Letters of Credit denominated in Foreign Currencies then outstanding, exceeds 105% of the aggregate Revolving Credit Commitments of the Lenders on such date, the Company and each other Borrower shall, as soon as practicable and in any event within three Business Days after receipt of such notice, prepay or cause to be prepaid the outstanding principal amount of any Advances owing by the Borrowers in an aggregate amount (or deposit an amount in the L/C Cash Deposit Account) sufficient to reduce such sum (calculated on the basis of the Available Amount of Letters of Credit being reduced by the amount in the L/C Cash Deposit Account) to an amount not to exceed 100% of the aggregate Revolving Credit Commitments of the Lenders on such date together with any interest accrued to the date of such prepayment on the aggregate principal amount of Advances prepaid. The Agent shall give prompt notice of any prepayment required under this Section 2.11(b) to the Company and the Lenders, and shall provide prompt notice to the Company of any such notice of required prepayment received by it from any Lender.

(ii) The Company shall, within five Business Days (or in the case of any Indebtedness incurred pursuant to Section 5.02(b)(xiv), ten Business Days) of receipt by the Company or any Restricted Subsidiary of Net Cash Proceeds arising from (A) any Asset Disposition in respect of a sale or other disposition of any property or assets of the Company or any such Restricted Subsidiary but excluding any Asset Disposition permitted by Sections 5.02(e)(ii), (iv) through (vii), (ix), (xi), (xv) and (xvi) (B) any Insurance and Condemnation Event with respect to any property of the Company or any Restricted Subsidiary in excess of \$25,000,000 or (C) the issuance or incurrence of Indebtedness by the Company or any Restricted Subsidiary (other than Indebtedness permitted by Section 5.02(b), except as provided in subsection (b)(xi) or (b)(xiv) thereof), immediately pay or cause to be paid to the Agent for the account of the Lenders an amount equal to 100% of such Net Cash Proceeds; provided, however, that, so long as no Event of Default shall have occurred and be continuing the Company may, upon any such receipt of proceeds referred to in clause (A) or (B), reinvest such Net Cash Proceeds in the business of the Company or any Subsidiary, within the earlier of (I) the last Termination Date scheduled to occur under the definition thereof and (II) the later of (A) 12 months following the date of receipt of such Net Cash Proceeds and (B) 18 months following the date of receipt of such Net Cash Proceeds if the Company or such Restricted Subsidiary has committed to reinvest such proceeds within such 12 month period referred to in clause (A).

(iii) Each prepayment made pursuant to this Section 2.11(b) shall be made together with any interest accrued to the date of such prepayment on the principal amounts prepaid and, in the case of any prepayment of a Term Rate Advance on a date other than the last day of an Interest Period or at its maturity, any additional amounts which the applicable Borrower shall be obligated to reimburse to the Lenders in respect thereof pursuant to Section 9.04(c). The Agent shall give prompt notice of any prepayment required under this Section 2.11(b) to the Company and the Lenders.

(c) Notwithstanding anything to the contrary contained in this Section 2.11 or any other provision of this Agreement, the Company may prepay any outstanding Term Advances at a discount to par pursuant to one or more auctions (each, an "Auction") on the following basis (any such prepayment, an "Auction Prepayment"):

(i) All Term Lenders (other than Defaulting Lenders) with respect to the applicable Term Facility shall be permitted (but not required) to participate in each Auction. Any such Lender who elects to participate in an Auction may choose to offer all or part of such Lender's Term Advance of the applicable Term Facility for prepayment.

(ii) Each Auction Prepayment shall be subject to the conditions that (A) the Agent shall have received a certificate to the effect that (I) immediately prior to and after giving effect to the Auction Prepayment, no Default shall have occurred and be continuing, (II) as of the date of the Auction Notice (as defined in Exhibit M), the Company is not in possession of any material non-public information with respect to the Company or any of its Subsidiaries that either (x) has not been disclosed to the Lenders (other than Lenders that do not wish to receive material non-public information with respect to the applicable Borrower or any of its Restricted Subsidiaries) prior to such date or (y) if not disclosed to the Lenders, could reasonably be expected to have a Material Adverse Effect upon, or otherwise be material to, (1) a Lender's decision to participate in any Auction or (2) the market price of the Term Advances subject to such Auction, and (III) each of the conditions to such Auction Prepayment has been satisfied, (B) each offer of prepayment made pursuant to this Section 2.11(c) must be in an amount not less than \$1,000,000, (C) no Auction Prepayment shall be made from the proceeds of any Revolving Credit Advance or Swing Line Advance, and (D) any Auction Prepayment shall be offered to all Lenders with Term Advances on a pro rata basis.

(iii) All Term Advances prepaid by the Company pursuant to this Section 2.11(c) shall be accompanied by all accrued interest on the par principal amount so prepaid to, but not including, the date of the Auction Prepayment. Auction Prepayments shall not be subject to Section 9.04(c). The par principal amount of Term Advances prepaid pursuant to this Section 2.11(c) shall be applied pro rata to reduce the remaining scheduled installments of principal thereof pursuant to Section 2.07(a).

(iv) The aggregate principal amount (calculated on the face amount thereof) of all Term Advances so purchased by the Company shall automatically be cancelled and retired by the Company on the settlement date of the relevant purchase (and may not be resold).

(v) Each Auction shall comply with the Auction Procedures and any such other procedures established by the Agent in its reasonable discretion and agreed to by the Borrowers.

(vi) This Section 2.11(c) shall neither (A) require the Company to undertake any Auction nor (B) limit or restrict the Company from making voluntary prepayments of Term Advances in accordance with Section 2.11(a).

SECTION 2.12 Increased Costs.

(a) If, after the date hereof, due to either (i) the introduction of or any change in or in the interpretation of any law or regulation or (ii) the compliance with any guideline or request from any central bank or other Governmental Authority including, without limitation, any agency of the European Union or similar monetary or multinational authority (whether or not having the force of law, and for the avoidance of doubt, including any changes resulting from (A) requests, rules, guidelines or directives issued in connection with the Dodd-Frank Wall Street Reform and Consumer Protection Act and (B) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, and in each case for both clauses (A) and (B), regardless of the date enacted, adopted or issued), there shall be any increase in the cost to any Lender of agreeing to make or making, funding or maintaining Term Rate Advances, Daily Simple SOFR Advances or Alternative Currency Daily Rate Advances or agreeing to issue or of issuing or maintaining or participating in Letters of Credit (excluding for purposes of this Section 2.12 any such increased costs resulting from (x) taxes other than taxes on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto and (y) Excluded Taxes), then the Company shall pay to the Agent for the account of such Lender (in accordance with Section 2.12(c)) additional amounts sufficient to compensate such Lender for such increased cost. A certificate as to the amount of such increased cost, submitted to the Company and the Agent by such Lender, showing calculations in reasonable detail, shall be conclusive and binding for all purposes, absent manifest error.

(b) If any Lender determines that compliance with any law or regulation or any guideline or request from any central bank or other Governmental Authority in each case made subsequent to the date hereof (whether or not having the force of law, and for the avoidance of doubt, including any changes resulting from (i) requests, rules, guidelines or directives concerning capital adequacy or liquidity issued in connection with the Dodd-Frank Wall Street Reform and Consumer Protection Act and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, and in each case for both clauses (i) and (ii), regardless of the date enacted, adopted or issued) affects or would affect the amount of capital required or expected to be maintained by such Lender or any corporation controlling such Lender and that the amount of such capital is increased by or based upon the existence of such Lender's commitment to lend or issue or participate in letters of credit hereunder and other commitments of this type, then, the Company shall pay to the Agent for the account of such Lender, (in accordance with Section 2.12(c)) additional amounts sufficient to compensate such

Lender or such corporation in the light of such circumstances, to the extent that such Lender reasonably determines such increase in capital to be allocable to the existence of such Lender's commitment to lend hereunder. A certificate as to such amounts submitted to the Company and the Agent by such Lender (which certificate shall, if the Company so requests, include reasonably detailed calculations) shall be conclusive and binding for all purposes, absent manifest error.

(c) The Company shall pay to the Agent for the account of the applicable Lender the amounts shown on any written notice delivered in accordance with the final sentence of Section 2.12(a) and Section 2.12(b) within 30 days after receipt thereof; provided, that the Company shall not be required to compensate a Lender pursuant to this Section 2.12 for any such increased costs or adjustments in capital adequacy or liquidity requirements incurred or suffered more than nine months prior to the date that such Lender notifies the Company and the Agent of the circumstances giving rise to such increased costs or adjustments in capital adequacy requirements and of such Lender's intention to claim compensation therefor; provided further that if the cause of such claim is retroactive in nature, then such nine month period shall be extended to include such period of retroactivity.

SECTION 2.13 Illegality. Notwithstanding any other provision of this Agreement, if any Lender shall notify the Agent that the introduction of or any change in or in the interpretation of any law or regulation makes it unlawful, or any central bank or other Governmental Authority asserts that it is unlawful, for any Lender or its Applicable Lending Office to perform its obligations hereunder to make Term Rate Advances in Dollars or another Committed Currency (or other Foreign Currency, as applicable), Daily Simple SOFR Advances denominated in Dollars, or Alternative Currency Daily Rate Advances denominated in any Alternative Currency, to fund or maintain Term Rate Advances in Dollars or another Committed Currency (or other Foreign Currency, as applicable), Daily Simple SOFR Advances denominated in Dollars, or Alternative Currency Daily Rate Advances denominated in any Alternative Currency, hereunder, on, in the case of Term Rate Advances, the last day of the applicable Interest Period (or earlier if required by law, regulation or other Governmental Authority) and, in the case of Daily Simple SOFR Advances and Alternative Currency Daily Rate Advances, immediately, (i) each Term Rate Advance, Alternative Currency Daily Rate Advance and Daily Simple SOFR Advance in the applicable currency will automatically, upon such demand, Convert into a Base Rate Advance, (A) if such Advance is denominated in Dollars, be Converted into a Base Rate Advance, and (B) if such Term Rate Advance or Alternative Currency Daily Rate Advance is denominated in any Foreign Currency, be exchanged into an Equivalent amount of Dollars and be Converted into a Base Rate Advance, (ii) the obligation of the Lenders to make Term Rate Advances, Daily Simple SOFR Advances or Alternative Currency Daily Rate Advances, as applicable, in such currency or to Convert Revolving Credit Advances into Term Rate Advances in such currency shall be suspended until the Agent shall notify the Company and the Lenders that the circumstances causing such suspension no longer exist, and (iii) the applicable Borrower shall, upon demand from such Lender (with a copy to the Agent), prepay all such Alternative Currency Daily Rate Advances, in Sterling.

SECTION 2.14 Payments and Computations.

(a) Each Borrower shall make each payment hereunder (except with respect to principal of, interest on, and other amounts relating to, Advances denominated in a Foreign

Currency), irrespective of any right of counterclaim or set-off, not later than 12:00 P.M. (New York City time) on the day when due in Dollars to the Agent at the applicable Agent's Account in same day funds. Each Borrower shall make each payment hereunder with respect to principal of, interest on, and other amounts relating to, Advances denominated in a Foreign Currency, irrespective of any right of counterclaim or set-off, not later than the Applicable Time (at the Payment Office for such Foreign Currency) on the day when due in such Foreign Currency to the Agent, by deposit of such funds to the applicable Agent's Account in same day funds. The Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal or interest, fees or commissions ratably (other than amounts payable pursuant to Section 2.12, 2.15 or 9.04(c)) to the Lenders for the account of their respective Applicable Lending Offices, and like funds relating to the payment of any other amount payable to any Lender to such Lender for the account of its Applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon its acceptance of an Assignment and Acceptance and recording of the information contained therein in the Register pursuant to Section 9.07(d), from and after the effective date specified in such Assignment and Acceptance, the Agent shall make all payments hereunder and under the Notes in respect of the interest assigned thereby to the Lender assignee thereunder, and the parties to such Assignment and Acceptance shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(b) All computations of interest based on the Base Rate, ~~CDOR~~, the Australian Bill Rate or the BKBM shall be made by the Agent on the basis of a year of 365 or 366 days, as the case may be, all computations of interest based on the Term CORRA Rate or the Alternative Currency Daily Rate shall be made by the Agent on the basis of a year of 365 days, and all computations of interest based on any Term Rate (other than the Australian Bill Rate, ~~CDOR~~the Term CORRA Rate and the BKBM), Daily Simple SOFR or the Federal Funds Rate and of fees and Letter of Credit commissions shall be made by the Agent on the basis of a year of 360 days, in each case, for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest, fees or commissions are payable. Each determination by the Agent of an interest rate hereunder shall be conclusive and binding for all purposes, absent manifest error.

(c) Whenever any payment hereunder shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest, fee or commission, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of Term Rate Advances to be made in the next following calendar month, such payment shall be made on the next preceding Business Day.

(d) Unless the Agent shall have received notice from any Borrower prior to the date on which any payment is due to the Lenders hereunder that such Borrower will not make such payment in full, the Agent may assume that such Borrower has made such payment in full to the Agent on such date and the Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent such Borrower shall not have so made such payment in full to the Agent, each Lender shall repay to the Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Agent, at (i) the Federal

Funds Rate in the case of Advances denominated in Dollars or (ii) the cost of funds incurred by the Agent in respect of such amount in the case of Advances denominated in Foreign Currencies.

(e) With respect to any payment that the Agent makes for the account of the Lenders or any Issuing Bank hereunder as to which the Agent determines (which determination shall be conclusive absent manifest error) that any of the following applies (such payment referred to as the “Rescindable Amount”): (1) such Borrower has not in fact made such payment; (2) the Agent has made a payment in excess of the amount so paid by such Borrower (whether or not then owed); or (3) the Agent has for any reason otherwise erroneously made such payment; then each of the Lenders or the applicable Issuing Bank, as the case may be, severally agrees to repay to the Agent forthwith on demand the Rescindable Amount so distributed to such Lender or such Issuing Bank, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Agent, at the greater of the Federal Funds Rate and a rate determined by the Agent in accordance with banking industry rules on interbank compensation.

SECTION 2.15 Taxes.

(a) Any and all payments by any Loan Party to or for the account of any Lender or the Agent hereunder or under any Loan Document shall be made, in accordance with Section 2.14 or the applicable provisions of such other documents, free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto (“Taxes”), excluding, (i) in the case of each Lender and the Agent, taxes imposed on net income (however denominated), franchise taxes or branch profit taxes imposed, in each case as a result of a present or former connection between such Lender and the jurisdiction of the Governmental Authority imposing such tax or any political subdivision or taxing authority thereof or therein (other than any such connection arising from such Lender or Agent having executed, delivered or performed its obligations or received a payment under, or enforced, this Agreement or any other Loan Document), (ii) any withholding or similar tax imposed on a Lender pursuant to FATCA, (iii) withholding taxes (other than Canadian Taxes) resulting from any requirement of law in effect on the date such Lender acquires an interest, other than pursuant to an assignment requested by the Borrower under Section 2.20, in an Advance or Commitment (or designates a new lending office or exercises its option pursuant to Section 2.02(g)), except to the extent that such Lender (or such Lenders’ assignor, or the entity exercising such option) was entitled, at the time of designation of a new lending office (or assignment or exercise of such option), to receive additional amounts from the applicable Loan Party with respect to such withholding taxes pursuant to this Section 2.15, (iv) [reserved], (v) Taxes attributable to a Lender’s failure to comply with subsections (e) or (f), (vi) any Taxes imposed under the laws of the Netherlands to the extent such Tax becomes payable as a result of a Lender or the Agent having a substantial interest (*aanmerkelijk belang*) in the Loan Party as laid down in the Dutch Income Tax Act 2001 (*Wet inkomstenbelasting 2001*), (vii) [reserved], (viii) any Tax compensated under subsection (b) below or that would have been compensated under subsection (b) below but was not so compensated solely because one of the exclusion therein applied, (ix) in the case of Mexico, any withholding Taxes above the withholding rate that would apply to a foreign bank which is (or its main office is, if lending through a branch or agency) in compliance with the requirements established in article 166, paragraph I, subparagraph a), section 2. of the Mexican Income Tax Law (*Ley del Impuesto Sobre la Renta*) (or any successor provisions thereof), a resident for tax purposes in a jurisdiction

that has concluded a treaty for the avoidance of double taxation which is in effect, in compliance with the requirements for the application of the benefits of such treaty, including being the beneficial owner of any payments made under this Agreement and complies with the delivery of documentation established in rules 3.18.18 or 3.18.19. of the Tax Miscellaneous Resolution for 2022 (*Resolución Miscelánea Fiscal para 2022*) (or any successor provision) and (x) any Canadian withholding Tax that would not have been imposed but for the recipient of the payment (i) not dealing at arm's length (within the meaning of the *Income Tax Act* (Canada)) with a Loan Party or (ii) being a "specified shareholder" (as defined in subsection 18(5) of the *Income Tax Act* (Canada)) of a Loan Party or not dealing at arm's length with such a specified shareholder for purposes of the *Income Tax Act* (Canada), except where the non-arm's length relationship arises, or where the recipient is (or is deemed to be) a "specified shareholder" or does not deal at arm's length with such a "specified shareholder", in each case, on account of the recipient having executed, delivered, become a party to, performed its obligations under, received payments under, received or perfected a security interest under, or enforced this Agreement or any other Loan Document (all such non-excluded Taxes in respect of payments hereunder or any Loan Document hereinafter referred to as "Indemnified Taxes", and any Taxes excluded under clauses (i) through (x) above being hereinafter referred to as the "Excluded Taxes"). If any Loan Party shall be required by law to deduct any Indemnified Taxes from or in respect of any sum payable hereunder or under any Loan Document, (A) the sum payable shall be increased as may be necessary so that after making all required deductions of Indemnified Taxes (including deductions of Indemnified Taxes applicable to additional sums payable under this Section 2.15) such Lender or the Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (B) such Loan Party shall make such deductions and (C) such Loan Party shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law. For purposes of determining withholding Taxes imposed under FATCA, from and after the Closing Date, the Borrowers and the Agent shall treat (and the Lenders hereby authorize the Agent to treat) this Agreement as not qualifying as a "grandfathered obligation" within the meaning of Treasury Regulation Section 1.1471-2(b)(2) (i).

(b) In addition, each Loan Party shall pay any present or future stamp or documentary taxes or any other excise, property, intangible, mortgage recording, or similar taxes, charges or levies that arise from any payment made hereunder or under any Loan Documents or from the execution, delivery or registration of, performing under, or otherwise with respect to, this Agreement or any other Loan Document (hereinafter referred to as "Other Taxes"), except for any Luxembourg tax payable due to a registration of Notes (or any other documents to be delivered hereunder or from the execution, delivery or registration of, performing under, or otherwise with respect to, this Agreement or the Notes) when such registration (i) is not required to maintain, preserve, establish or enforce the rights of the Lenders or the Agent, or (ii) is in connection with transfers, assignments or changes in lending offices not required by the Loan Documents.

(c) Each Loan Party shall indemnify each Lender and the Agent for and hold it harmless against the full amount of Indemnified Taxes or Other Taxes (including Indemnified Taxes imposed on amounts payable under this Section 2.15) imposed on or paid by such Lender or the Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, excluding for the avoidance of doubt, any Excluded Taxes. This indemnification shall be made within 30 days from the date such Lender or the

Agent (as the case may be) makes written demand therefor, stating the amounts of Indemnified Taxes or Other Taxes paid or payable and describing the basis for the indemnification claim.

(d) Within 30 days after the date of any payment of Indemnified Taxes paid by a Loan Party pursuant to Section 2.15(a), each Loan Party shall furnish to the Agent, at its address referred to in Section 9.02, the original or a certified copy of a receipt evidencing such payment to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Agent.

(e)

(i) Each Lender that is a United States person shall deliver to the Company and the Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly signed copies of U.S. Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal withholding tax. Each Lender that is not a United States person (a “Non-U.S. Lender”), on or prior to the date on which it becomes party to this Agreement, and from time to time thereafter as reasonably requested in writing by any Borrower (but only so long as such Lender remains lawfully able to do so), shall provide each of the Agent and such Borrower with (i) two original Internal Revenue Service Forms W-8BEN, W-BEN-E, W-8ECI or W-8IMY (together with any applicable underlying IRS forms), as appropriate, or any successor or other form prescribed by the Internal Revenue Service, certifying that such Lender is exempt from or entitled to a reduced rate of United States withholding tax on payments pursuant to this Agreement or the Notes, (ii) in the case of a Non-U.S. Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Internal Revenue Code with respect to payments of “portfolio interest”, a statement substantially in the form of Exhibit L and the applicable IRS Form W-8, or any subsequent versions thereof or successors thereto, properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from, or a reduced rate of, U.S. federal withholding tax on payments under this Agreement and the other Loan Documents, or (iii) any other form prescribed by applicable requirements of U.S. federal income tax law, or reasonably requested by a Borrower or the Agent, as will permit payments under any Loan Document to be made without or at a reduced rate of U.S. federal withholding tax, duly completed together with such supplementary documentation as may be prescribed by applicable requirements of law to permit the Company and the Agent to determine the withholding or deduction required to be made (provided, in the case of clause (iii), that doing so does not subject such Lender to any material unreimbursed costs). Notwithstanding any other provision of this Section, a Non-U.S. Lender shall not be required to deliver any form pursuant to this Section that such Non-U.S. Lender is not legally able to deliver. For purposes of this subsection (e), the term “United States person” shall have the meaning specified in Section 7701(a)(30) of the Internal Revenue Code.

(ii) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding or Canadian tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Company and the Agent, at the time or

times prescribed by law and at such time or times reasonably requested by the Company or the Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Company or the Agent as may be necessary for the Company or the Agent to comply with their obligations under FATCA, to determine that such Lender has or has not complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment.

(f) A Lender that is entitled to an exemption from or reduction of non-U.S. withholding tax under the law of the jurisdiction in which a Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to such Borrower (with a copy to the Agent), at the time or times prescribed by applicable law or reasonably requested by such Borrower, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without or at a reduced rate of withholding; provided that such Lender is legally entitled to complete, execute and deliver such documentation and that doing so does not subject such Lender to any material unreimbursed costs. In the case of Mexico, such documentation shall include, as applicable, the documentation established in rules 3.18.18 or 3.18.19. of the Tax Miscellaneous Resolution for 2022 (Resolución Miscelánea Fiscal para 2022) or any successor provision. In the case of the United Kingdom, a Lender may provide its Her Majesty's Revenue & Customs ("HMRC") DT Treaty Passport scheme reference number (if applicable) and jurisdiction of tax residence to the Sterling Borrower. If a Lender provides its HMRC DT Treaty Passport scheme reference number and confirmation of its jurisdiction of tax residence, the Sterling Borrower shall submit a duly completed HMRC Form DTTP2 to HMRC within 15 Business Days of the date on which that Sterling Borrower receives such information.

(g) If the Agent or any Lender determines, in their sole discretion, that it has received a refund (or a credit in lieu of a refund) of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Borrower or with respect to which a Borrower has paid additional amounts pursuant to this Section 2.15, it shall pay over such refund (or credit) to such Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by such Borrower under this Section 2.15 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund) (or credit)), net of all out-of-pocket expenses of the Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund (or credit)). A Borrower, upon the request of such Agent or Lender, shall repay to such Agent or Lender the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such Agent or Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the Agent or any Lender be required to pay any amount to a Borrower pursuant to this paragraph (g) the payment of which would place Agent or any Lender in a less favorable net after-Tax position than the Agent or any Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. Nothing in this paragraph shall be construed to require the Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Borrower or any other Person.

(h) To the extent there is an Advance by a Transpacific Revolving Lender to a New Zealand Revolver Borrower that may be eligible for approved issuer levy (as the approved issuer levy rules are set out in New Zealand's Stamp and Cheque Duties Act 1971, Tax Administration Act 1994 and Income Tax Act 2007), the New Zealand Revolver Borrower may:

- (i) register the Advance with Inland Revenue as a registered security;
- (ii) zero-rate any non-resident withholding taxes payable on any registered Advances; and

(iii) pay approved issuer levy to Inland Revenue at a rate of 2% (or the prevailing rate of approved issuer levy from time to time under Part 6B of the Stamp and Cheque Duties Act 1971) of the interest paid under the Advance.

SECTION 2.16 Sharing of Payments, Etc. Subject to Section 2.19 in the case of a Defaulting Lender, if any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of any Advances owing to it (other than pursuant to Section 2.11(c), 2.12, 2.15 or 9.04(c)) in excess of its Ratable Share of payments on account of such Advances obtained by the applicable Lenders, such Lender shall forthwith purchase from the other applicable Lenders such participations in the relevant Advances owing to them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. Each Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section 2.16 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of such Borrower in the amount of such participation.

SECTION 2.17 Evidence of Debt.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of each Borrower to such Lender resulting from each Term Advance, Revolving Credit Advance and each Swing Line Advance owing to such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder in respect of Term Advances, Revolving Credit Advances and Swing Line Advances. Each Borrower agrees that upon notice by any Lender to such Borrower (with a copy of such notice to the Agent) to the effect that a Term Note or Revolving Credit Note is required or appropriate in order for such Lender to evidence (whether for purposes of pledge, enforcement or otherwise) the Term Advances, Revolving Credit Advances and Swing Line Advances owing to, or to be made by, such Lender, such Borrower shall promptly execute and deliver to such Lender a Term Note or Revolving Credit Note, as the case may be, payable to the order of such Lender in a principal amount up to the Advances, Term Commitment or Revolving Credit Commitment, as applicable, of such Lender.

(b) The Register maintained by the Agent pursuant to Section 9.07(d) shall include a control account, and a subsidiary account for each Lender, in which accounts (taken together) shall be recorded (i) the date and amount of each Borrowing made hereunder, the Type of Advances comprising such Borrowing and, if appropriate, the Interest Period applicable thereto, (ii) the terms of each Assignment and Acceptance delivered to and accepted by it, (iii) the amount of any principal or interest due and payable or to become due and payable from each Borrower to each Lender hereunder and (iv) the amount of any sum received by the Agent from such Borrower hereunder and each Lender's share thereof.

(c) Entries made in good faith by the Agent in the Register pursuant to subsection (b) above, and by each Lender in its account or accounts pursuant to subsection (a) above, shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from each Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement, absent manifest error; provided, however, that the failure of the Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of any Borrower under this Agreement.

SECTION 2.18 Use of Proceeds. The proceeds of (a) the Term A Advances and Sterling Term A Advances shall be available (and each Loan Party agrees that it shall use such proceeds) in connection with the Closing Date Refinancing of the remaining "Term Advances" (as defined in the Existing Credit Agreement) outstanding immediately prior to the Closing Date; (b) on the Closing Date, then-outstanding Revolving Credit Advances shall be made available (and each Loan Party agrees that it shall use such proceeds) in connection with the Closing Date Refinancing of certain "Revolving Credit Advances" (as defined in the Existing Credit Agreement); (c) on and following the Closing Date, the Revolving Credit Advances and Incremental Advances (except for 2022 Incremental Term Advances) shall be available (and each Loan Party agrees that it shall use such proceeds) solely for the working capital and general corporate purposes of the Company and its Subsidiaries (including, without limitation, any acquisition permitted hereunder); and (d) the 2022 Incremental Term Advances shall be available (and each Loan Party agrees that it shall use such proceeds) to pay consideration for, and costs and expenses incurred in connection with, the acquisition of Laminar by the Company and/or its Subsidiaries.

SECTION 2.19 Defaulting Lenders.

(a) In addition to the other conditions precedent herein set forth, if any Lender becomes, and during the period it remains, a Defaulting Lender, the Issuing Banks will not be required to issue any Letter of Credit or to amend any outstanding Letter of Credit, and the Swing Line Bank will not be required to make any Swing Line Advance, unless any of clauses (i), (ii), or (iii) below is satisfied:

(i) in the case of a Defaulting Lender, so long as no Default has occurred and is continuing, the L/C Exposure and Swing Line Exposure of such Defaulting Lender is reallocated to the Non-Defaulting Lenders as provided in clause (i) of Section 2.19(b);

(ii) to the extent full reallocation does not occur as provided in clause (i) above, the Company Cash Collateralizes the obligations of the Borrowers in

respect of such Letter of Credit or Swing Line Advance in an amount at least equal to the aggregate amount of the unallocated obligations (contingent or otherwise) of such Defaulting Lender in respect of such Letter of Credit or Swing Line Advance, or makes other arrangements satisfactory to the Agent, the Issuing Bank and the Swing Line Bank in their reasonable discretion to protect them against the risk of non-payment by such Defaulting Lender; and

(iii) to the extent that neither full reallocation nor full Cash Collateralization occurs pursuant to clauses (i) and/or (ii), then in the case of a proposed issuance of a Letter of Credit or making of a Swing Line Advance, by an instrument or instruments in form and substance reasonably satisfactory to the Agent, and to the Issuing Banks and the Swing Line Bank, as the case may be, (A) the Company agrees that the face amount of such requested Letter of Credit or the principal amount of such requested Swing Line Advance will be reduced by an amount equal to the unallocated, non-Cash-Collateralized portion thereof as to which such Defaulting Lender would otherwise be liable, and (B) the Non-Defaulting Lenders confirm, in their discretion, that their obligations in respect of such Letter of Credit or Swing Line Advance shall be on a pro rata basis in accordance with the Commitments of the Non-Defaulting Lenders, and that the pro rata payment provisions of Section 2.16 will be deemed adjusted to reflect this provision.

(b) If a Lender becomes, and during the period it remains, a Defaulting Lender, the following provisions shall apply with respect to any L/C Exposure or Swing Line Exposure of such Defaulting Lender:

(i) so long as no Default has occurred and is continuing, the L/C Exposure and the Swing Line Exposure of such Defaulting Lender will, upon notice by the Agent, and subject in any event to the limitation in the first proviso below, automatically be reallocated (effective on the day such Lender becomes a Defaulting Lender) among the Non-Defaulting Lenders pro rata in accordance with their respective Commitments; provided that (a) the sum of the total outstanding Revolving Credit Advances and Swing Line Advances owed to each Non-Defaulting Lender and its L/C Exposure may not in any event exceed the Commitment of such Non-Defaulting Lender as in effect at the time of such reallocation, (b) subject to Section 9.23, such reallocation will not constitute a waiver or release of any claim the Borrowers, the Agent, the Issuing Banks, the Swing Line Bank or any other Lender may have against such Defaulting Lender, and (c) neither such reallocation nor any payment by a Non-Defaulting Lender as a result thereof will cause such Defaulting Lender to be a Non-Defaulting Lender;

(ii) to the extent that any portion (the "unreallocated portion") of the Defaulting Lender's L/C Exposure and/or Swing Line Exposure cannot be so reallocated, whether by reason of the first proviso in clause (i) above or otherwise, the Company shall, not later than three Business Days after demand by the Agent, (a) Cash Collateralize the obligations of the Borrowers to the Issuing Banks and the Swing Line Bank in respect of such L/C Exposure or Swing Line Exposure, as the case may be, in an amount at least equal to the aggregate amount of the unreallocated portion of such L/C Exposure or Swing Line Exposure, (b) in the case of such Swing Line Exposure, prepay in full the unreallocated portion thereof, or (c) make other arrangements reasonably

satisfactory to the Agent, and to the Issuing Banks and the Swing Line Bank, as the case may be, in their reasonable discretion to protect them against the risk of non-payment by such Defaulting Lender; and

(iii) any amount paid by the Company for the account of a Defaulting Lender under this Agreement (whether on account of principal, interest, fees, indemnity payments or other amounts) will not be paid or distributed to such Defaulting Lender, but shall instead be retained by the Agent in a segregated escrow account until (subject to Section 2.19(c)) the termination of the Commitments and payment in full of all obligations of the Borrowers hereunder and will be applied by the Agent, to the fullest extent permitted by law, to the making of payments from time to time in the following order of priority:

first to the payment of any amounts owing by such Defaulting Lender to the Agent under this Agreement,

second to the payment of any amounts owing by such Defaulting Lender to the Issuing Banks or the Swing Line Bank (pro rata as to the respective amounts owing to each of them) under this Agreement,

third to the payment of post-default interest and then current interest due and payable to the Non-Defaulting Lenders hereunder, ratably among them in accordance with the amounts of such interest then due and payable to them,

fourth to the payment of fees then due and payable to the Non-Defaulting Lenders hereunder, ratably among them in accordance with the amounts of such fees then due and payable to them,

fifth to pay principal and unreimbursed Letters of Credit then due and payable to the Non-Defaulting Lenders hereunder ratably in accordance with the amounts thereof then due and payable to them,

sixth to the ratable payment of other amounts then due and payable to the Non-Defaulting Lenders,

seventh as the Company may direct to the funding of any Loan in respect of which a Defaulting Lender has failed to fund its portion,

eighth to any amounts owing by the Defaulting Lender to the Company or any of its Subsidiaries,
and

ninth after the termination of the Commitments and payment in full of all obligations of the Borrowers hereunder, to pay amounts owing under this Agreement to such Defaulting Lender or as a court of competent jurisdiction may otherwise direct.

(c) If the Company, the Agent, the Issuing Banks and the Swing Line Bank agree in writing that a Lender that is a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any amounts then held in the segregated escrow account referred to in Section 2.19(b)), such Lender shall purchase at par such portions of the outstanding Advances of the other Lenders, and/or make such other adjustments, as the Agent may determine to be necessary to cause the Lenders to hold Loans on a pro rata basis in accordance with their respective Commitments, whereupon such Lender shall cease to be a Defaulting Lender and will be a Non-Defaulting Lender (and the L/C Exposure and Swing Line Exposure of each Lender shall automatically be adjusted on a prospective basis to reflect the foregoing); provided that no adjustments shall be made retroactively with respect to fees accrued or payments made by or on behalf of the Company and applied as set forth in Section 2.19(b)(iii) while such Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Non-Defaulting Lender shall constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

SECTION 2.20 Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.12, or if the Company is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Advances hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.12 or 2.15, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Company hereby agrees to pay all reasonable and documented costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.12, or if the Company is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15, or if any Lender is a Defaulting Lender, or if any Lender is subject to the provisions of Section 2.13, then the Company may, at its sole expense and effort, upon notice to such Lender and the Agent, require any such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.07), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided, that (i) to the extent that such prospective assignee is not an existing Lender, an Approved Fund or an Affiliate of an existing Lender, the Company shall have received the prior written consent of the Agent (and, if in respect of any Revolving Credit Commitment or Revolving Credit Advance, the Swing Line Bank and the Issuing Banks), which consent shall not unreasonably be withheld or delayed, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Advance and participations in Letters of Credits and Swing Line Advances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal

and accrued interest and fees) or the Company (in the case of all other amounts) (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.12 or payments required to be made pursuant to Section 2.15, such assignment will result in a reduction in such compensation or payments, (iv) the Company shall have paid to the Agent the assignment fee specified in Section 9.07, and (v) such assignment does not conflict with any applicable Laws. A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Company to require such assignment cease to apply. Nothing in this Section 2.20 shall be deemed to prejudice any rights that the Company or any of its Subsidiaries may otherwise have against any Lender that is a Defaulting Lender.

(c) If any Lender has failed to consent to a proposed amendment, waiver, discharge or termination that pursuant to the terms of Section 9.01 requires the consent of all the Lenders affected and with respect to which the Required Lenders shall have granted their consent (any such Lender referred to above, a “Non-Consenting Lender”) then the Company shall have the right (unless such Non-Consenting Lender grants such consent) to replace any such Non-Consenting Lender by requiring such Non-Consenting Lender to assign all of its Advances and Commitments hereunder to one or more assignees selected by the Company and that are reasonably acceptable to the Agent (and, if in respect of any Revolving Credit Commitment or Revolving Credit Advance, the Swing Line Bank and the Issuing Banks); provided, that the replacement Lender shall pay in full to such Non-Consenting Lender, concurrently with such assignment, a price equal to the principal amount thereof plus accrued and unpaid interest thereon and fees in connection therewith. In connection with any such assignment the Company, the Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 9.07.

SECTION 2.21 Borrower Representative. Each Borrower hereby designates and appoints the Company as its representative and agent on its behalf (the “Borrower Representative”) for the purposes of issuing Notices of Borrowings, Notices of Conversion/continuation, Notices of Issuance, Notices of Swing Line Borrowing and delivering certificates including Compliance Certificates, giving instructions with respect to the disbursement of the proceeds of the Advances, selecting interest rate options, giving and receiving all other notices and consents hereunder or under any of the other Loan Documents and taking all other actions (including in respect of compliance with covenants) on behalf of any Borrower or Borrowers under the Loan Documents. The Borrower Representative hereby accepts such appointment. The Agent and each Lender may regard any notice or other communication pursuant to any Loan Document from the Borrower Representative as a notice or communication from all Borrowers. Each warranty, covenant, agreement and undertaking made on behalf of a Borrower by the Borrower Representative shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

SECTION 2.22 Public Offer.

(a) BofA Securities, in its capacity as the “lead left” Joint Lead Arranger of the Facilities, represents and warrants that: (x) it has made or will make on or before the date of the first Advance, jointly with each other Joint Lead Arranger, invitations to become a “Lender”

under this Agreement in one of the ways contemplated in section 128F(3A)(a) or (b) of the Income Tax Assessment Act 1936 (Cth); or (y) as dealer, manager, or underwriter, in relation to the placement of debt interests issued under this Agreement, make invitations to become a “Lender” under this Agreement, will jointly with each other Joint Lead Arranger, within 30 days after the date of this Agreement in a way consistent with Section 2.22(a)(x).

(b) Each Australian Borrower represents and warrants that it does not know, or have reasonable grounds to suspect, that an Offshore Associate of any Australian Borrower will become a “Lender” under this Agreement and agrees to notify the Joint Lead Arrangers immediately if any proposed substitute Lender disclosed to it is known or suspected by it to be an Offshore Associate of the Australian Borrower.

(c) Each Lender that becomes a Lender as a result of an invitation under Section 2.22(a) represents and warrants that except as disclosed to the Australian Borrower and the Joint Lead Arrangers, it is not, so far as its relevant officers involved in the transaction on a day to day basis are actually aware, an Offshore Associate of the Australian Borrower.

(d) If, for any reason, the requirements of 128F of the Australian Tax Act have not been satisfied in relation to interest payable hereunder (except to an Offshore Associate of an Australian Borrower), then on request by a Joint Lead Arranger or an Australian Borrower, each party hereto shall co-operate and take steps reasonably requested with a view to satisfying those requirements:

(i) where a Joint Lead Arranger breached Section 2.22(a) or a Lender has breached Section 2.22(c) at the cost of that Joint Lead Arranger or Lender (as the case may be); or

(ii) in all other cases, at the cost of the Australian Borrower.

(e) Each Joint Lead Arranger and each Lender undertakes that it will not directly or indirectly offer or sell any debt interest or distribute or circulate any offer document or other material in connection with this Agreement or any debt interest hereunder in any jurisdiction except under circumstances which would result in compliance with the laws and regulations of that jurisdiction.

Notwithstanding any other provision of this Section 2.22, the guarantee, indemnity and other obligations of the Euro Revolver Borrower expressed to be assumed in this Section 2.22 shall be deemed not to be assumed by the Euro Revolver Borrower to the extent that the same would constitute unlawful financial assistance within the meaning of Article 2:98c Dutch Civil Code or any other applicable financial assistance rules under any relevant jurisdiction (the “Prohibition”) and the provisions of this Agreement and the other Loan Documents shall be construed accordingly. For the avoidance of doubt, it is expressly acknowledged that the Euro Revolver Borrower will continue to guarantee all such obligations which, if included, do not constitute a violation of the Prohibition.

SECTION 2.23 Sustainability Adjustments.

(a) ESG Amendment. After the Closing Date, the Company, in consultation with the Sustainability Coordinator, shall be entitled to establish specified key performance indicators (“Key Performance Indicators”) with respect to certain Environmental, Social and Governance (“ESG”) targets of the Company and its Subsidiaries. The Sustainability Coordinator, the Agent, the Required Lenders, and the Company may amend this Agreement (such amendment, the “ESG Amendment”) solely for the purpose of incorporating the Key Performance Indicators and other related provisions (the “ESG Pricing Provisions”) into this Agreement. Upon effectiveness of any such ESG Amendment, based on the Borrowers’ performance against the Key Performance Indicators, certain adjustments (increase, decrease or no adjustment) to the Applicable Margin for the Commitment Fee, Letters of Credit, Term Rate Advances, Daily Simple SOFR Advances, Base Rate Advances and Alternative Currency Daily Rate Advances may be made; provided that the amount of any such adjustments made pursuant to an ESG Amendment shall not result in a decrease or increase of more than (a) 1.00 basis point per annum in the Applicable Margin for the Commitment Fee and/or (b) 5.00 basis points per annum in the Applicable Margin for Base Rate Advances, Applicable Margin for Term Rate Advances, Applicable Margin for Daily Simple SOFR Advances, Applicable Margin for Alternative Currency Daily Rate Advances, or Applicable Margin for Letters of Credit, provided that in no event shall the Applicable Margin for any purposes be less than zero. Following the effectiveness of the ESG Amendment, any modification to the ESG Pricing Provisions which does not have the effect of reducing the Applicable Margin for the Commitment Fee, Letters of Credit, Base Rate Advances, Term Rate Advances, Daily Simple SOFR Advances and Alternative Currency Daily Rate Advances to a level not otherwise permitted by this paragraph shall be subject only to the consent of the Required Lenders.

(b) Sustainability Coordinator. The Sustainability Coordinators will (i) assist the Borrowers in determining the ESG Pricing Provisions in connection with the ESG Amendment and (ii) assist the Borrowers in preparing informational materials focused on ESG to be used in connection with the ESG Amendment.

(c) Conflicting Provisions. This Section shall supersede any provisions in Section 9.01 to the contrary.

(k) Negative Pledge. Neither any Loan Party nor any Restricted Subsidiary will enter into or suffer to exist, or permit any of its Restricted Subsidiaries to enter into or suffer to exist, any agreement prohibiting, restricting or conditioning the creation, maintenance, reapplication or assumption of any Lien on the Collateral securing the Obligations pursuant to the Collateral Documents, except (i) agreements in favor of the Secured Parties, (ii) agreements governing Indebtedness or other arrangements secured by Liens permitted under Section 5.02(a), so long as such restrictions extend only to (x) the property acquired with or subject to such Indebtedness or (y) the property subject to such other arrangements, as the case may be, (iii) agreements in existence on the Closing Date and set forth on Schedule 5.02(k) including any renewals, extensions or replacements of such agreements on terms not materially less favorable to the interests of

(l) Restricted Junior Payments. Neither any Loan Party nor any Restricted Subsidiary will, or will permit any of their Restricted Subsidiaries to, directly or indirectly, declare, order, pay, make or set apart any sum for any Restricted Junior Payment, except:

(i) the Company may make Restricted Junior Payments so long as (A) the Net Total Leverage Ratio as of the end of the fiscal quarter immediately preceding the date of such Restricted Junior Payment, on a Pro Forma Basis, is less than the Net Total Leverage Ratio then required pursuant to Section 5.03, and (B) the Company is Liquidity Test Compliant both before and, on a Pro Forma Basis, after the consummation of any such Restricted Junior Payment;

(ii) the Company may make Restricted Junior Payments in cash in an aggregate amount not to exceed the Available Basket Amount on the date of such Restricted Junior Payment;

(iii) the Company may make Restricted Junior Payments by the conversion of the applicable Indebtedness to common equity of the Company or Qualified Preferred Equity of the Company, applying the Net Cash Proceeds of

In the event that the Company and the Restricted Subsidiaries are not required to comply with the Suspension Covenants or the Suspension Debt Covenant for any period of time as a result of the foregoing, and on any subsequent date (the “Reversion Date”) the Covenant Ratings Condition is not satisfied (or in the case of the Suspension Debt Covenant, the Interest Coverage Ratio shall be less than 2.00:1.00 as of such date), then the Company and the Restricted Subsidiaries will thereafter again be required to comply with the Suspension Covenants, and the Suspension Debt Covenant with respect to any future events or transactions. Notwithstanding that the Suspension Covenants and the Suspension Debt Covenant may be reinstated, no Default, Event of Default or breach of any kind shall be deemed to exist under any Loan Document with respect to the Suspension Covenants or Suspension Debt Covenant, as the case may be, and none of the Company or any of its Subsidiaries shall bear any liability for any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising prior to the Reversion Date, as a result of a failure to comply with the Suspension Covenants or the Suspension Debt Covenant during the Suspension Period (or upon termination of the Suspension Period or after that time based solely on events that occurred during the Suspension Period); provided, that all prepayment obligations contained herein that make reference to any Suspension Covenant shall survive regardless of the occurrence of a Covenant Suspension Event.

SECTION 6.02 Actions in Respect of the Letters of Credit upon Default. If any Event of Default shall have occurred and be continuing, the Agent may with the consent, or shall at the request, of the Required Lenders, irrespective of whether it is taking any of the actions described in Section 6.01 or otherwise, make demand upon the Company to, and forthwith upon such demand the Company will, (a) pay to the Agent on behalf of the Lenders in same day funds at the Agent's office designated in such demand, for deposit in the L/C Cash Deposit Account,

an amount equal to the aggregate Available Amount of all Letters of Credit then outstanding or (b) make such other reasonable arrangements in respect of the outstanding Letters of Credit as shall be acceptable to the Required Lenders; provided, however, that in the event of an actual or deemed entry of an order for relief with respect to any Borrower under the Bankruptcy Code, (A) the obligation of the Borrowers to pay to the Agent on behalf of the Lenders in same day funds at the Agent's office designated in such demand, for deposit in the L/C Cash Deposit Account, an amount equal to the aggregate Available Amount of all Letters of Credit then outstanding shall automatically become and be due and payable, without presentment, demand, protest or any notice of any kind, all of which are hereby expressly waived by the Borrowers. If at any time the Agent reasonably determines that any funds held in the L/C Cash Deposit Account are subject to any right or interest of any Person other than the Agent and the Lenders or that the total amount of such funds is less than the aggregate Available Amount of all Letters of Credit, the Borrowers will, forthwith upon demand by the Agent, pay to the Agent, as additional funds to be deposited and held in the L/C Cash Deposit Account, an amount equal to the excess of (a) such aggregate Available Amount over (b) the total amount of funds, if any, then held in the L/C Cash Deposit Account that are free and clear of any such right and interest. Upon the drawing of any Letter of Credit, to the extent funds are on deposit in the L/C Cash Deposit Account, such funds shall be applied to reimburse the Issuing Banks to the extent permitted by applicable law, and if so applied, then such reimbursement shall be deemed a repayment of the corresponding Advance in respect of such Letter of Credit. After all such Letters of Credit shall have expired or been fully drawn upon and all other obligations of the Borrowers hereunder and under the Notes shall have been paid in full, the balance, if any, in such L/C Cash Deposit Account shall be promptly returned to the Company.

ARTICLE VII

GUARANTY

SECTION 7.01 Guaranty. The Company hereby absolutely, unconditionally and irrevocably guarantees the punctual payment when due, whether at scheduled maturity or on any date of a required prepayment or by acceleration, demand or otherwise, of all obligations of each other Borrower now or hereafter existing under or in respect of (i) this Agreement or any Notes (including, without limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of the foregoing obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premiums, fees, indemnities, contract causes of action, costs, expenses or otherwise, (ii) Cash Management Obligations and (iii) Swap Obligations (all such obligations referred to clause (i), (ii) and (iii) being the "Guaranteed Obligations"), and agrees to pay all reasonable and documented out-of-pocket expenses (including, without limitation, fees and expenses of counsel) incurred by the Agent or any Lender in enforcing any rights under this Guaranty. Without limiting the generality of the foregoing, the Company's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any other Borrower to the Agent or any Lender under or in respect of this Agreement or any Notes but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Borrower.

SECTION 7.02 Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under each applicable Guaranty in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 7.02 for the maximum amount of such liability that can be hereby or thereby incurred without rendering its obligations under this Section 7.02, or otherwise under such Guaranty, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section shall remain in full force and effect until a discharge or release of the (i) Guaranteed Obligations, (ii) the “Guaranteed Obligations” (as defined in the Foreign Subsidiary Guaranty), (iii) the “Guaranteed Obligations” (as defined in the US Subsidiary Guaranty), and (iv) all guaranteed obligations under each other Guaranty. Each Qualified ECP Guarantor intends that this Section 7.02 constitutes, and this Section 7.02 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

SECTION 7.03 Guaranty Absolute. The Company guarantees payment of the Guaranteed Obligations strictly in accordance with the terms of this Agreement and any Notes, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Agent or any Lender with respect thereto. The obligations of the Company under or in respect of this Guaranty are independent of the Guaranteed Obligations or any other obligations of any other Borrower under or in respect of this Agreement and any Notes, and a separate action or actions may be brought and prosecuted against the Company to enforce this Guaranty, irrespective of whether any action is brought against any other Borrower or whether any other Borrower is joined in any such action or actions. The liability of the Company under this Guaranty shall be irrevocable, absolute and unconditional irrespective of, and the Company hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to, any or all of the following:

- (a) any lack of validity or enforceability of this Agreement, the Notes or any agreement or instrument relating thereto;
- (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other obligations of any other Borrower under or in respect of this Agreement and any Notes, or any other amendment or waiver of or any consent to departure from this Agreement or any Note, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Borrower or any of its Subsidiaries or otherwise;
- (c) any taking, exchange, release or non-perfection of any collateral, or any taking, release or amendment or waiver of, or consent to departure from, any other guaranty, for all or any of the Guaranteed Obligations;
- (d) any manner of application of any collateral, or proceeds thereof, to all or any of the Guaranteed Obligations, or any manner of sale or other disposition of any other collateral for all or any of the Guaranteed Obligations or any other obligations of

any Borrower under this Agreement and any Notes or any other assets of any Borrower or any of its Subsidiaries;

(e) any change, restructuring or termination of the corporate structure or existence of any Borrower or any of its Subsidiaries;

(f) any failure of the Agent or any Lender to disclose to the Company any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Borrower now or hereafter known to the Agent or such Lender (the Company waiving any duty on the part of the Agent and the Lenders to disclose such information);

(g) the failure of any other Person to execute or deliver this any other guaranty or agreement or the release or reduction of liability of any other guarantor or surety with respect to the Guaranteed Obligations; or

(h) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Agent or any Lender that might otherwise constitute a defense available to, or a discharge of, any Borrower or any other guarantor or surety.

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by the Agent or any Lender or any other Person upon the insolvency, bankruptcy or reorganization of any other Borrower or otherwise, all as though such payment had not been made.

SECTION 7.04 Waivers and Acknowledgments. The Company hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the Guaranteed Obligations and this Guaranty and any requirement that the Agent or any Lender protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Borrower or any other Person or any collateral.

(a) The Company hereby unconditionally and irrevocably waives any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

(b) The Company hereby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense based upon an election of remedies by the Agent or any Lender that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of the Company or other rights of the Company to proceed against any of the other Borrower, any other guarantor or any other Person or any collateral and (ii) any defense based on any right of set-off or counterclaim against or in respect of the obligations of the Company hereunder.

(c) The Company hereby unconditionally and irrevocably waives any duty on the part of the Agent or any Lender to disclose to the Company any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or

prospects of any other Borrower or any of its Subsidiaries now or hereafter known by the Agent or such Lender.

(d) The Company acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by this Agreement and any Notes and that the waivers set forth in Section 7.03 and this Section 7.04 are knowingly made in contemplation of such benefits.

SECTION 7.05 Subrogation. The Company hereby unconditionally and irrevocably agrees until the later of the payment in full in cash of the Guaranteed Obligations and all other amounts payable under this Guaranty and the last-occurring Termination Date not to exercise any rights that it may now have or hereafter acquire against any other Borrower or any other insider guarantor that arise from the existence, payment, performance or enforcement of the Company's obligations under or in respect of this Guaranty, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Agent or any Lender against any Borrower or any other insider guarantor or any collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Borrower or any other insider guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash and the Commitments shall have expired or been terminated. If any amount shall be paid to the Company in violation of the immediately preceding sentence at any time prior to the later of (a) the payment in full in cash of the Guaranteed Obligations and all other amounts payable under this Guaranty and (b) the last-occurring Termination Date, such amount shall be received and held in trust for the benefit of the Agent and the Lenders, shall be segregated from other property and funds of the Company and shall forthwith be paid or delivered to the Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Guaranty, whether matured or unmatured, in accordance with the terms of this Agreement and any Notes, or to be held as collateral for any Guaranteed Obligations or other amounts payable under this Guaranty thereafter arising. If (i) the Company shall make payment to the Agent or any Lender of all or any part of the Guaranteed Obligations, (ii) all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash and (iii) the last-occurring Termination Date shall have occurred, the Agent and the Lenders will, at the Company's request and expense, execute and deliver to the Company appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to the Company of an interest in the Guaranteed Obligations resulting from such payment made by the Company pursuant to this Guaranty.

SECTION 7.06 Subordination. The Company hereby subordinates any and all debts, liabilities and other obligations owed to the Company by each other Borrower (the "Subordinated Obligations") to the Guaranteed Obligations to the extent and in the manner hereinafter set forth in this Section 7.06:

(a) Prohibited Payments, Etc. Except during the continuance of a Default (including the commencement and continuation of any proceeding under any Bankruptcy

Law relating to any other Borrower), the Company may receive regularly scheduled payments from any other Borrower on account of the Subordinated Obligations. After the occurrence and during the continuance of any Default (including the commencement and continuation of any proceeding under any Bankruptcy Law relating to any other Borrower), however, unless the Required Lenders otherwise agree, the Company shall not demand, accept or take any action to collect any payment on account of the Subordinated Obligations.

(b) Prior Payment of Guaranteed Obligations. In any proceeding under any Bankruptcy Law relating to any other Borrower, the Company agrees that the Agent and the Lenders shall be entitled to receive payment in full in cash of all Guaranteed Obligations (including all interest and expenses accruing after the commencement of a proceeding under any Bankruptcy Law, whether or not constituting an allowed claim in such proceeding (“Post Petition Interest”)) before the Company receives payment of any Subordinated Obligations.

(c) Turn-Over. After the occurrence and during the continuance of any Event of Default, the Company shall, if the Agent so requests, collect, enforce and receive payments on account of the Subordinated Obligations as trustee for the Agent and the Lenders and deliver such payments to the Agent on account of the Guaranteed Obligations (including all Post Petition Interest), together with any necessary endorsements or other instruments of transfer, but without reducing or affecting in any manner the liability of the Company under the other provisions of this Guaranty.

(d) Agent Authorization. After the occurrence and during the continuance of any Event of Default, the Agent is authorized and empowered (but without any obligation to so do), in its discretion, (i) in the name of the Company, to collect and enforce, and to submit claims in respect of, Subordinated Obligations and to apply any amounts received thereon to the Guaranteed Obligations (including any and all Post Petition Interest), and (ii) to require the Company (A) to collect and enforce, and to submit claims in respect of, Subordinated Obligations and (B) to pay any amounts received on such obligations to the Agent for application to the Guaranteed Obligations (including any and all Post Petition Interest).

SECTION 7.07 Continuing Guaranty; Assignments. This Guaranty is a continuing guaranty and shall (a) remain in full force and effect until the later of (i) the payment in full in cash of the Guaranteed Obligations and all other amounts payable under this Guaranty (other than the Cash Management Obligations and the Swap Obligations) and (ii) the last-occurring Termination Date, (b) be binding upon the Company, its successors and assigns and (c) inure to the benefit of and be enforceable by the Agent and the Lenders and their successors, transferees and assigns. Without limiting the generality of clause (c) of the immediately preceding sentence, the Agent or any Lender may assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments, the Advances owing to it and any Note or Notes held by it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to the Agent or such Lender herein or otherwise, in each case as and to the extent provided in Section 9.07. In the event that a transfer by the Agent or any Lender of its rights and/or obligations under this Agreement (and any relevant Loan Documents) occurred or was

deemed to occur by way of novation, the Secured Parties explicitly agree that all securities and guarantees created under any Loan Documents shall be preserved for the benefit of the new Lender and the other Secured Parties in accordance with the provisions of article 1278 of the Luxembourg Civil Code. The Company shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Agent and the Lenders.

ARTICLE VIII

THE AGENT

SECTION 8.01 Authorization and Action.

(a) Each Lender (in its capacities as a Lender, Swing Line Bank and/or Issuing Bank, as applicable) hereby appoints and authorizes the Agent, and the Sustainability Coordinator, as applicable, to take such action as agent on its behalf and to exercise such powers and discretion under this Agreement and the other Loan Documents, including, with respect to the Agent, as collateral agent for such Lender and the other Secured Parties under the Collateral Documents as are delegated to the Agent by the terms hereof and the other Loan Documents, together with such powers and discretion as are reasonably incidental thereto. For such purposes, each Lender (including in its capacities as a Lender, Swing Line Bank and/or Issuing Bank, as applicable) hereby appoints and authorizes the Agent as its agent (*Comisionista*) pursuant to the Articles 273 and 274 of the Mexican Commerce Code (*Código de Comercio*) to execute, deliver and perform its obligations under this Agreement and the other Loan Documents. As to any matters not expressly provided for by this Agreement (including, without limitation, enforcement or collection of the Notes), the Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders, and such instructions shall be binding upon all Lenders and all holders of Notes; provided, however, that the Agent shall not be required to take any action that exposes the Agent to personal liability or that is contrary to this Agreement or applicable law. The Agent agrees to give to each Lender prompt notice of each notice given to it by the Borrowers pursuant to the terms of this Agreement.

(b) In furtherance of the foregoing, each Lender (in its capacities as a Lender, Swing Line Bank and Issuing Bank, as applicable) hereby appoints and authorizes the Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto (including, but not limited to, execution, amendment, transfer, termination and renewal of Collateral Documents, and application for registration of creation, transfer and release of Lien on any Collateral).

(c) Each Lender (in its capacities as a Lender, Swing Line Bank and Issuing Bank, as applicable) irrevocably authorizes each of the Agent, at its option and in its discretion, (i) to release any Lien on any property granted to or held by the Agent under any Loan Document (A) upon termination of the Commitments and payment in full of all Obligations (other than contingent indemnification obligations) and the expiration, termination or Cash Collateralization of all Letters of Credit, (B) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document, or (C) if approved,

authorized or ratified in writing in accordance with Section 9.01 hereof, (ii) to release any Guarantor from its obligations under the Loan Documents if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder; and (iii) to subordinate any Lien on any property granted to or held by the Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 5.02(a)(ii). Upon request by the Agent at any time, the Required Lenders will confirm in writing the Agent's authority to release its interest in particular types or items of property, or to release any Guarantor from its obligations under the Loan Documents.

SECTION 8.02 Agent's Reliance, Etc. None of the Agent, the Sustainability Coordinator or any of their respective directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them under or in connection with this Agreement, except for its or their own gross negligence or willful misconduct. Without limitation of the generality of the foregoing, the Agent and the Sustainability Coordinator, as applicable: (i) may treat the Lender that made any Advance as the holder of the Indebtedness resulting therefrom until the Agent receives and accepts an Assignment and Acceptance entered into by such Lender, as assignor, and an Eligible Assignee, as assignee, as provided in Section 9.07; (ii) may consult with legal counsel (including counsel for the Company), independent public accountants and other experts selected by it and shall not be liable for any action reasonably taken or omitted to be taken in good faith by it in accordance with the reasonable advice of such counsel, accountants or experts; (iii) makes no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, warranties or representations (whether written or oral) made in or in connection with this Agreement; (iv) shall not have any duty to ascertain or to inquire as to the performance, observance or satisfaction of any of the terms, covenants or conditions of this Agreement on the part of any Borrower or the existence at any time of any Default or to inspect the property (including the books and records) of any Borrower; (v) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, this Agreement or any other instrument or document furnished pursuant hereto; and (vi) shall incur no liability under or in respect of this Agreement by acting upon any notice, consent, certificate or other instrument or writing (which may be by telecopier or telegram) believed by it to be genuine and signed or sent by the proper party or parties.

SECTION 8.03 Bank of America and Affiliates. With respect to its Commitments, the Advances made by it and the Note issued to it, Bank of America shall have the same rights and powers under this Agreement as any other Lender and may exercise the same as though it were not the Agent; and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated, include Bank of America in its individual capacity. Bank of America and its Affiliates may accept deposits from, lend money to, act as trustee under indentures of, accept investment banking engagements from and generally engage in any kind of business with, the Company, any of its Subsidiaries and any Person who may do business with or own securities of the Company or any such Subsidiary, all as if Bank of America were not the Agent and without any duty to account therefor to the Lenders. The Agent shall have no duty to disclose any information obtained or received by it or any of its Affiliates relating to the Company or any of its Subsidiaries to the extent such information was obtained or received in any capacity other than as Agent.

SECTION 8.04 Lender Credit Decision. Each Lender acknowledges that it has, independently and without reliance upon the Agent, any Joint Lead Arranger or any Lender and based on the financial statements referred to in Section 4.01 and such other documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agent, any Joint Lead Arranger, or any Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement.

SECTION 8.05 Indemnification.

(a) Each Lender severally agrees to indemnify the Agent and the Sustainability Coordinator (to the extent not reimbursed by a Borrower), from and against such Lender's Ratable Share (determined at the time indemnification is sought hereunder) of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against the Agent or the Sustainability Coordinator in any way relating to or arising out of this Agreement or any action taken or omitted by the Agent or the Sustainability Coordinator under this Agreement (collectively, the "Indemnified Costs"), provided that no Lender shall be liable for any portion of the Indemnified Costs resulting from the Agent's or the Sustainability Coordinator's gross negligence, bad faith or willful misconduct. Without limitation of the foregoing, each Lender agrees to reimburse the Agent and the Sustainability Coordinator promptly upon demand for its Ratable Share (determined at the time indemnification is sought hereunder) of any out-of-pocket expenses (including counsel fees) incurred by the Agent and the Sustainability Coordinator in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, to the extent that the Agent or the Sustainability Coordinator is not reimbursed for such expenses by a Borrower. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Costs, this Section 8.05 applies whether any such investigation, litigation or proceeding is brought by the Agent, the Sustainability Coordinator, any Lender or a third party.

(b) Each Lender severally agrees to indemnify the Issuing Banks (to the extent not promptly reimbursed by the Company) from and against such Lender's Ratable Share (determined at the time indemnification is sought hereunder) of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against any such Issuing Bank in any way relating to or arising out of this Agreement or any action taken or omitted by such Issuing Bank hereunder or in connection herewith; provided, however, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Issuing Bank's gross negligence, bad faith or willful misconduct. Without limitation of the foregoing, each Lender agrees to reimburse any such Issuing Bank promptly upon demand for its Ratable Share (determined at the time indemnification is sought hereunder) of any costs and expenses (including, without limitation, fees and expenses of counsel) payable by the Company under Section 9.04, to the extent that such Issuing Bank is not promptly reimbursed for such costs and expenses by the Company. In the case of any investigation, litigation or proceeding to

which this Section 8.05(b) applies, such indemnity shall be effective whether any such investigation, litigation or proceeding is brought by an Issuing Bank, any Lender or a third party.

(c) The failure of any Lender to reimburse the Agent or any Issuing Bank promptly upon demand for its Ratable Share of any amount required to be paid by the Lenders to the Agent as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse the Agent or any Issuing Bank for its Ratable Share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse the Agent or any Issuing Bank for such other Lender's Ratable Share of such amount. Without prejudice to the survival of any other agreement of any Lender hereunder, the agreement and obligations of each Lender contained in this Section 8.05 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under the Notes. Each of the Agent and each Issuing Bank agrees to return to the Lenders their respective Ratable Shares of any amounts paid under this Section 8.05 that are subsequently reimbursed by the Company or any Borrower.

SECTION 8.06 [Reserved].

SECTION 8.07 Successor Agent. The Agent and the Sustainability Coordinator may each resign at any time by giving written notice thereof to the Lenders and the Company and such resignation shall be effective upon the earlier of (i) the appointment of a successor Agent or Sustainability Coordinator, as applicable, pursuant to this Section 8.07 and (ii) the date that is 30 days after the Agent or the Sustainability Coordinator, as applicable, delivers such notice. Upon any such resignation or removal, the Required Lenders shall, with the Company's consent (not to be unreasonably withheld, conditioned or delayed), have the right to appoint a successor Agent or Sustainability Coordinator, as applicable; provided that such successor shall, be (x) a U.S. Person, a branch of a non-U.S. bank treated as a U.S. Person in accordance with Treasury Regulation section 1.1441-1(b)(2)(iv) (or, in each case, an Affiliate thereof which is a U.S. Person) and (y) treated as a financial institution pursuant to Treasury Regulation section 1.1441-1(b)(2). If no successor Agent or Sustainability Coordinator, as applicable, shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within 30 days after the retiring Agent's or Sustainability Coordinator's giving of notice of resignation or the Required Lenders' removal of the retiring Agent (or if the Company shall not have consented to a successor Agent or Sustainability Coordinator selected by the Required Lenders during such 30 day period), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Agent or Sustainability Coordinator, as applicable, which shall be a commercial bank organized under the laws of the United States of America or of any State thereof and having a combined capital and surplus of at least \$500,000,000. Upon the acceptance of any appointment as Agent or Sustainability Coordinator, as applicable, hereunder by a successor Agent or Sustainability Coordinator, such successor Agent or Sustainability Coordinator shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges and duties of the retiring Agent or Sustainability Coordinator, as applicable, and the retiring Agent or Sustainability Coordinator shall be discharged from its duties and obligations under this Agreement. After any retiring Agent's or Sustainability Coordinator's resignation or removal hereunder as Agent or Sustainability Coordinator, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent or Sustainability Coordinator, as applicable, under this Agreement.

Anything herein to the contrary notwithstanding, if at any time the Required Lenders determine that the Person serving as Agent is (without taking into account any provision in the definition of “Defaulting Lender” requiring notice from the Agent or any other party) a Defaulting Lender, the Required Lenders (determined after giving effect to Section 9.01) may by notice to the Company and such Person remove such Person as Agent and appoint a replacement Agent hereunder with the consent of the Company (such consent not to be unreasonably withheld), provided that (i) such removal shall, to the fullest extent permitted by applicable law, in any event become effective if no such replacement Agent is appointed hereunder within 30 days after the giving of such notice and (ii) no such consent of the Company shall be required if an Event of Default has occurred and is continuing at the time of such appointment.

SECTION 8.08 Other Agents. Each Lender hereby acknowledges that none of the Co-Documentation Agents, the Co-Syndication Agents, the Joint Bookrunners, the Joint Lead Arrangers, or any other Lender designated as any “Agent” on the signature pages hereof has any liability hereunder other than in its capacity as a Lender.

SECTION 8.09 Delegation of Duties. The Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more co-agents or sub-agents appointed by the Agent. The Agent and any such co-agent or sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. Each such co-agent and sub-agent and the Related Parties of the Agent and each such co-agent and sub-agent shall be entitled to the benefits of all provisions of this Article VIII and Article IX (as though such co-agents and sub-agents were the “Agent” under the Loan Documents) as if set forth in full herein with respect thereto.

SECTION 8.10 Appointment for the Province of Québec. (a) For greater certainty, and without limiting the powers of the Agent, each of the Secured Parties hereby irrevocably appoints Bank of America, N.A. as the hypothecary representative within the meaning of Article 2692 of the *Civil Code of Québec* in order to hold hypothecs and security granted by any Loan Party on property pursuant to the laws of the Province of Québec in order to secure the Obligations of any Loan Party, and hereby agrees that the Agent may act as the holder and mandatary (i.e. agent) with respect to any shares, capital stock or other securities that may be issued by any Loan Party and pledged in favour of the Agent, for the benefit of the Secured Parties. The execution by Bank of America, N.A., acting as hypothecary representative and mandatary, prior to the date of this Agreement of any deeds of hypothec or other security documents is hereby ratified and confirmed.

(b) The appointment of Bank of America, N.A. as hypothecary representative, and of the Agent as holder and mandatary with respect to any shares, capital stock or other securities that may be issued and pledged from time to time to the Agent for the benefit of the Secured Parties, shall be deemed to have been ratified and confirmed by each Person accepting an assignment of, a participation in or an arrangement in respect of, all or any portion of any Secured Parties’ rights and obligations under this Agreement by the execution of an assignment, including an Assignment and Assumption Agreement or a joinder agreement in the case of any Lender Affiliate that is a secured hedge counterparty, or other agreement pursuant to which it becomes such assignee or participant, and by each successor Agent by the execution of an Assignment and Assumption Agreement or other agreement, or by the compliance with other

formalities, as the case may be, pursuant to which it becomes a successor Agent under this Agreement.

(c) Bank of America, N.A. acting as hypothecary representative shall have the same rights, powers, immunities, indemnities and exclusions from liability as are prescribed in favour of the Agent in this Agreement, which shall apply *mutatis mutandis* to Bank of America, N.A. acting as hypothecary representative.

SECTION 8.11 Recovery of Erroneous Payments.

Without limitation of any other provision in this Agreement, if at any time the Agent makes a payment hereunder in error to any Lender Recipient Party, whether or not in respect of an Obligation due and owing by any Borrower at such time, where such payment is a Rescindable Amount, then in any such event, each Lender Recipient Party receiving a Rescindable Amount severally agrees to repay to the Agent forthwith on demand the Rescindable Amount received by such Lender Recipient Party in immediately available funds in the currency so received, with interest thereon, for each day from and including the date such Rescindable Amount is received by it to but excluding the date of payment to the Agent, at the greater of the Federal Funds Rate and a rate determined by the Agent in accordance with banking industry rules on interbank compensation. Each Lender Recipient Party irrevocably waives any and all defenses, including any “discharge for value” (under which a creditor might otherwise claim a right to retain funds mistakenly paid by a third party in respect of a debt owed by another) or similar defense to its obligation to return any Rescindable Amount. The Agent shall inform each Lender Recipient Party promptly upon determining that any payment made to such Lender Recipient Party comprised, in whole or in part, a Rescindable Amount.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

Notwithstanding the foregoing, in addition to any credit extensions and related incremental amendment agreements and amendments to the Loan Documents effectuated without the consent of Lenders in accordance with Section 2.04(b) or (e), this Agreement may be

amended (or amended and restated) with the written consent of the Required Lenders, the Agent and the Company (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Advances hereunder and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and other definitions related to such new loans.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Sustainability Coordinator, the Agent, the Required Lenders, and the Company, solely for the purpose of incorporating the Key Performance Indicators and other related provisions, pursuant to, and as permitted under, Section 2.23 of this Agreement.

Furthermore, and notwithstanding anything else to the contrary contained in this Section 9.01, (i) if the Agent and the Company shall have jointly identified an obvious error or any error or omission of a technical nature, in each case, in any provision of this Agreement or any other Loan Document, then the Agent and the Company shall be permitted to amend such provision and (ii) the Agent and the Company shall be permitted to amend any provision of any Collateral Document to better implement the intentions of this Agreement and the other Loan Documents, and in each case, such amendments shall become effective without any further action or consent of any other party to any Loan Document if the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof.

The Agent, the Sustainability Coordinator, the Swing Line Bank, the Issuing Banks or the Company may each, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications. (c) The Platform. Each Borrower hereby acknowledges that (a) the Agent and/or the Joint Lead Arrangers may, but shall not be obligated to, make available to the Lenders and the Issuing Banks materials and/or information provided by or on behalf of such Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks,

Syndtrak, ClearPar, or a substantially similar electronic transmission system (the “Platform”) and (b) certain of the Lenders (each, a “Public Lender”) may have personnel who do not wish to receive material non-public information with respect to any of the Borrowers or their respective Affiliates, or the respective securities of any of the foregoing, and who may be engaged in investment and other market-related activities with respect to such Persons’ securities. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to any Borrower, any Lender, the Issuing Bank or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Company’s, any Loan Party’s or the Agent’s transmission of Borrower Materials or notices through the platform, any other electronic platform or electronic messaging service, or through the Internet.

(d) Change of Address, Etc. Each of the Borrowers, the Agent, the Sustainability Coordinator, the L/C Issuer and the Swing Line Bank may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the Company, the Agent, the Issuing Banks and the Swing Line Bank. In addition, each Lender agrees to notify the Agent from time to time to ensure that the Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may

contain material non-public information with respect to the Company or its securities for purposes of United States Federal or state securities laws.

The Agent, the Sustainability Coordinator, the Issuing Banks and the Lenders shall be entitled to rely and act upon any notices (including telephonic notices, Notices of Borrowing, Notices of Issuance and Notices of Swing Line Borrowing) purportedly given by or on behalf of any Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Loan Parties shall indemnify the Agent, the Sustainability Coordinator, the Issuing Banks, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of any Borrower. All telephonic notices to and other telephonic communications with the Agent may be recorded by the Agent, and each of the parties hereto hereby consents to such recording.

SECTION 9.03 No Waiver; Remedies. No failure on the part of any Lender or the Agent to exercise, and no delay in exercising, any right hereunder or under any Note shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 9.04 Costs and Expenses.

(a) The Company agrees to pay on demand all reasonable and documented out-of-pocket costs and expenses of the Agent and the Sustainability Coordinator in connection with the preparation, execution, delivery, administration, modification and amendment of this Agreement and the other documents to be delivered hereunder, including, without limitation, (i) the syndication of the Facilities provided for herein, the preparation, negotiation, execution, delivery, interpretation and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) the creation, perfection or protection of the Liens under any Loan Document and (iii) the reasonable and documented legal fees, costs and expenses of one firm of counsel to the Agent and the Lenders and, if necessary, one local legal counsel in each relevant jurisdiction (and, to the extent required by the subject matter, one specialist counsel for each such specialized area of law in each appropriate jurisdiction). (b) Each Borrower agrees to indemnify and hold harmless the Agent, the Sustainability Coordinator, each Joint Lead Arranger, each Joint Bookrunner, each Issuing Bank, the Swing Line Bank, each Co-Documentation Agent, each Co-Syndication Agent and each Lender and each of their respective Related Parties (each, an “Indemnified Party”) from and against any and all claims, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including the reasonable and documented legal fees, costs and expenses of one firm of counsel and one local legal counsel in each relevant jurisdiction and, to the extent required by the subject matter, one specialist counsel for each such specialized area of law in each appropriate jurisdiction and, upon notice from an Indemnified Party of a conflict of interest (as determined in the sole discretion of such Indemnified Party), one counsel for each such affected Indemnified Party) or disbursements incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or by reason of (including, without limitation, in connection with (i) any Indemnified Party’s reliance on any Communication executed using an Electronic Signature, or in the form of an Electronic Record, that such Indemnified Party reasonably believes is made by any authorized signatory of any of the Loan Parties, or (ii) any investigation, litigation or proceeding or preparation of a defense in connection therewith) this Agreement, any of the transactions contemplated herein or the actual or proposed use of the proceeds of the Advances, (i) except to the extent such claim, damage, loss, liability or expense is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party’s gross negligence, bad faith or willful misconduct, (ii) which resulted from a material breach of any Loan Documents by such Indemnified Party as determined in a final, non-appealable judgment by a court of competent jurisdiction or (iii) any dispute solely among the indemnified persons and not arising out of any act or omission of the Company, or any of their Affiliates (except when one of the parties to such action was acting in its capacity as an agent, an arranger a bookrunner or another agency capacity); provided that the Company shall not be liable for any indirect, special, punitive or consequential damages (other than in respect of any such damages required to be indemnified pursuant to this Section 9.04 including, without limitation, as to any claims by Persons not party to the Loan Documents, or claims brought in violation of this paragraph. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 9.04(b) applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by a Borrower, its directors, equity holders or creditors or an Indemnified Party or any other Person, whether or not any Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated hereby are consummated. Each Borrower also agrees not to assert any claim for special, indirect, consequential or punitive damages against the Agent, any Joint Lead Arranger, any Lender, any of their Affiliates, or any of their respective directors, officers, employees, attorneys and agents, on any theory of liability, arising out of or otherwise relating to this Agreement, any of the transactions contemplated herein or the actual or proposed use of the proceeds of the Advances.

(c) If any payment of principal of, or Conversion of, any Term Rate Advance is made by any Borrower to or for the account of a Lender (i) other than on the last day of the Interest Period for such Advance, as a result of a payment or Conversion pursuant to Section 2.09, 2.10, 2.11 or 2.13, acceleration of the maturity of the Advances or Notes pursuant to Section 6.01 or for any other reason, or (ii) as a result of a payment or Conversion pursuant to Section 2.09, 2.10, 2.13 or 2.20 such Borrower shall, upon demand by such Lender (with a copy of such demand to the Agent), pay to the Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that it may

If the amount of the Committed Currency (or other Foreign Currency, as applicable) purchased by any Lender in the case of a Conversion or exchange of Advances in the case of Section 2.09 or 2.13 exceeds the sum required to satisfy such Lender's liability in respect of such Advances, such Lender agrees to remit to the Company such excess. A certificate as to such amounts submitted to the Company and the Agent by such Lender pursuant to this Section 9.04(c) (which certificate shall, if the Company so requests, include reasonably detailed calculations) shall be conclusive and binding for all purposes, absent manifest error.

(d) Without prejudice to the survival of any other agreement of the Borrowers hereunder, the agreements and obligations of the Borrowers contained in Sections 2.12, 2.14(e), 2.15, 9.12 and 9.14(b), and this Section 9.04 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under the Notes.

Upon (i) the occurrence and during the continuance of any Event of Default and (ii) the making of the request or the granting of the consent specified by Section 6.01 to authorize the Agent to declare the Notes due and payable pursuant to the provisions of Section 6.01, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender or such Affiliate to or for the credit or the account of any Borrower against any and all of the obligations of such Borrower now or hereafter existing under this Agreement and the Note held by such Lender, whether or not such Lender shall have made any demand under this Agreement or such Note and although such obligations may be unmaturing. Each Lender agrees promptly to notify the applicable Borrower after any such set-off and application, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Lender and its Affiliates under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) that such Lender and its Affiliates may have.

SECTION 9.06 Binding Effect. This Agreement, the other Loan Documents, and any separate letter agreements with respect to fees payable to the Agent or any Issuing Bank, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective (other than Sections 2.01 and 2.03, which shall only become effective upon satisfaction of the conditions precedent set forth in Section 3.01) when it shall have been executed by the Company and the Agent and when the Agent shall have been notified by each Initial Lender that such Initial Lender has executed it and thereafter shall be binding upon and inure to the benefit of each Borrower, the Agent and each Lender and their respective successors and assigns, except that no Borrower shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders.

SECTION 9.07 Assignments and Participations. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement

(including all or a portion of its Commitments and the Advances at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(a) Minimum Amounts.

(i) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitments and/or the Advances at the time owing to it under the Facility being assigned or in the case of an assignment to a Lender or an Affiliate of a Lender, no minimum amount need be assigned; and

(ii) in any case not described in paragraph (a)(i) of this Section, the aggregate amount of the Commitment (which for this purpose includes Advances outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Advances of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Agent or, if "Trade Date" is specified in the Assignment and Acceptance Agreement, as of the Trade Date) shall not be less than \$5,000,000 in respect of the Revolving Credit Facilities or \$2,000,000 in respect of the Term Facilities, unless each of the Agent and, so long as no Event of Default has occurred and is continuing, the Company otherwise consents (each such consent not to be unreasonably withheld or delayed).

(b) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Advance or the Commitments assigned.

(c) Required Consents. No consent shall be required for any assignment except to the extent required by paragraph (a)(ii) of this Section and, in addition:

(i) the consent of the Company (such consent not to be unreasonably withheld, conditioned or delayed) shall be required unless (x) an Event of Default under Section 6.01(a) or (e) has occurred and is continuing at the time of such assignment, or (y) such assignment is to a Lender, an Approved Fund, an Affiliate of a Lender or to any Federal Reserve Bank as collateral security pursuant to Regulation A of the F.R.S. Board and any Operating Circular issued by such Federal Reserve Bank; provided that, in the case of an assignment of any Term Advance, the Company shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Agent within 5 Business Days after having received notice thereof and provided, further, that the Borrower's consent shall not be required for assignments during the primary syndication of the Commitments and Loans that are originally to be made on the Closing Date pursuant to this Agreement, which assignments are made within 90 days of the Closing Date to financial institutions identified to the Company by the Agent on a list provided prior to the date hereof;

(ii) the consent of the Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of the Commitments if such assignment is to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund, unless such assignment is to any Federal

Reserve Bank as collateral security pursuant to Regulation A of the F.R.S. Board and any Operating Circular issued by such Federal Reserve Bank; and

(iii) the consent of each Issuing Bank and the Swing Line Bank (such consent not to be unreasonably withheld or delayed) shall be required for any assignment in respect of Multicurrency Revolving Credit Commitments unless such assignment is to any Federal Reserve Bank as collateral security pursuant to Regulation A of the F.R.S. Board and any Operating Circular issued by such Federal Reserve Bank.

(d) Register. The Agent, acting solely for this purpose as a non-fiduciary Agent of the Company shall maintain at its address referred to in Section 9.02 a copy of each Assignment and Acceptance delivered to and accepted by it (and will record such information in the Register) and a register for the recordation of the names and addresses of the Lenders and the Commitment of, and principal amount (and right to payments of interest) of the Advances owing to, each Lender from time to time (the "Register"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrowers, the Agent and the Lenders shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrowers or any Lender at any reasonable time and from time to time upon reasonable prior notice.

(e) Assignment and Acceptance. The parties to each assignment shall execute and deliver to the Agent an Assignment and Acceptance, for its acceptance and recording in the Register, together with a processing and recordation fee of \$3,500; provided that the Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment; provided, further, no processing and recordation fee shall be required upon any assignment to any Federal Reserve Bank as collateral security pursuant to Regulation A of the F.R.S. Board and any Operating Circular issued by such Federal Reserve Bank. The assignee, if it is not already a Lender, shall deliver to the Agent an Administrative Questionnaire.

(f) No Assignment to Certain Persons. (ii) No such assignment shall be made to (A) the Company or any of the Company's Affiliates or Subsidiaries except as provided in Section 2.11(c), (B) to any Defaulting Lender or any of their respective Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (f) or (C) to any Offshore Associate of any Australian Borrower.

(ii) A transfer or assignment under this Section 9.07 may only be made to a Person who is a Non-Public Lender. For the purpose of this Section 9.07, a "Non-Public Lender" means: (A) an entity that provides repayable funds to a Borrower for a minimum amount of EUR 100,000 (or its equivalent), and to the extent the amount of EUR 100,000 (or its equivalent) does not result in such entity not qualifying as forming part of the "public" (as referred to in Article 4, subsection 1 under (1) of the Capital Requirements Regulation (EU/575/2013)), such other amount or such criterion as a result of which such entity shall qualify as not forming part of the "public"; and (B) following the publication of any

interpretation of the “public” by any competent authority, such amount or such criterion as a result of which such entity shall qualify as not forming part of the “public”.

(g) No Assignment to Natural Persons. No such assignment shall be made to a natural Person.

(h) Certain Pledges. Notwithstanding anything to the contrary contained herein, any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(i) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Company and the Agent, the applicable Ratable Share of Advances previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Agent, each Issuing Bank, the Swing Line Bank and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full Ratable Share of all Advances and participations in Letters of Credit and Swing Line Advances. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Agent pursuant to paragraph (c)(ii) of this Section, from and after the effective date specified in each Lender Assignment and Acceptance, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.12, 2.15, 2.16, 8.05, 9.04, 9.05 and 9.08 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender’s having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such

Lender of a participation in such rights and obligations in accordance with paragraph (c)(iii) of this Section.

(j) Any Lender may at any time, without the consent of, or notice to, the Company or the Agent, sell to one or more commercial banks or other financial institutions (each of such commercial banks and other financial institutions being herein called a “Participant”) participating interests in any of its Advances, its Commitment, or other interests of such Lender hereunder, including participations pursuant to the Intercreditor Agreement; provided that:

(i) no participation contemplated in this Section 9.07(j) shall relieve such Lender from its Commitment(s) or its other obligations hereunder;

(ii) such Lender shall remain solely responsible for the performance of its Commitment(s) and such other obligations;

(iii) the Company and the Agent shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and each of the other Loan Documents;

(iv) no Participant, unless such Participant is an Affiliate of such Lender, shall be entitled to require such Lender to take or refrain from taking any action hereunder or under any other Loan Document, except that such Lender may agree with any Participant that such Lender will not, without such Participant’s consent, take any actions of the type described in clause (a) or (c) of Section 9.01;

(vi) each Lender that sells a participation under this Section 9.07(j) shall, acting solely for this purpose as a non-fiduciary agent of the Company, maintain a register on which it enters the name and address of each Participant and the principal amounts (and rights to payment of stated interest on) each of the Participant’s interest in the Lender’s Advances, Commitments or other interests hereunder (the “Participant Register”). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes hereunder. No Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person except to the extent that such disclosure is necessary to establish that such Advance, Commitment, or other interest is in registered form for United States federal tax purposes. For the avoidance of doubt, the Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

The Company acknowledges and agrees that each Participant, for purposes of Sections 2.12 and 2.15 only, shall be considered a Lender.

(k) Each Loan Party incorporated under the laws of Luxembourg expressly accepts and confirms for the purposes of article 1281 and article 1278 of the Luxembourg civil code that, notwithstanding any assignment and/or transfer made pursuant to this Agreement, any guarantee given by it and any security interest created under the Loan Documents to which it is a party, shall be preserved for the benefit of any new Lender or Participant.

The parties hereto acknowledge and agree that prior to any Applicant Borrower becoming entitled to utilize the credit facilities provided for herein, the Agent and the Lenders under such credit facilities shall have received such supporting resolutions, incumbency certificates, opinions of counsel and other documents or information, including all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act and, in the case of any Applicant Borrower that qualifies as a "legal entity customer" under the Beneficial Ownership Regulation, a Beneficial Ownership Certification in relation to such Applicant Borrower to any Lender that so requests, in each case form, content and scope reasonably satisfactory to the Agent, as may be required by the Agent or such Lenders in their sole discretion, and Notes signed by such new Borrowers to the extent any of such Lenders so require. If the Agent and, with respect only to a putative Borrower (x) under a Facility under which Borrowings of any Foreign Currency may be made or (y) that is an entity organized or formed outside of the United States of America, each Lender under such Facility, approve (in each case its sole discretion) an Applicant Borrower and agree that an Applicant Borrower shall be entitled to receive Loans hereunder, then promptly following receipt of all such requested resolutions, incumbency certificates, opinions of counsel and other documents or information (provided, that if the Agent shall have already reasonably recently received any such required information or corporate formality with respect to an Applicant Borrower, then the Agent may, in its sole discretion, waive the delivery of such information or corporate formality which would otherwise be required pursuant hereto), the Agent shall send a notice in substantially the form of Exhibit J to the Company and the Lenders specifying the effective date upon which the Applicant Borrower shall constitute a Designated Borrower for purposes hereof, whereupon each of the Lenders agrees to permit such Designated Borrower to receive Loans hereunder, on the terms and conditions set forth herein, and each of the parties agrees that such Designated Borrower otherwise shall be a Borrower for all purposes of this Agreement; provided that no Notice of Borrowing or Notice of Application may be submitted by or on behalf of such Designated Borrower until the date five Business Days after such effective date. Upon the effectiveness of the designation of any Designated Borrower pursuant to this Section 9.09, such Designated Borrower shall be deemed to be a Transpacific Revolver Borrower, Multicurrency Revolver Borrower and/or Borrower for purposes of any other Facility, as specified by the Company and the Agent in the notices delivered pursuant to Exhibit I and Exhibit J and, in any event, subject to the consent of the applicable Lenders in accordance with the immediately preceding sentence. In addition, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect such designation, and any such deemed amendment may be memorialized in

writing by the Agent and the Company and furnished to the other Persons then party to this Agreement.

(b) The Obligations of the Company and each Designated Borrower that is a Domestic Subsidiary shall be joint and several in nature. The Obligations of all Designated Borrowers that are Foreign Subsidiaries shall be several in nature.

(c) Each Subsidiary of the Company that is or becomes a “Designated Borrower” pursuant to this Section 9.09 hereby irrevocably appoints the Company as its agent for all purposes relevant to this Agreement and each of the other Loan Documents, including (i) the giving and receipt of notices, (ii) the execution and delivery of all documents, instruments and certificates contemplated herein and all modifications hereto, and (iii) the receipt of the proceeds of any Loans made by the Lenders to any such Designated Borrower hereunder. Any acknowledgment, consent, direction, certification or other action which might otherwise be valid or effective only if given or taken by all Borrowers, or by each Borrower acting singly, shall be valid and effective if given or taken only by the Company, whether or not any such other Borrower joins therein. Any notice, demand, consent, acknowledgement, direction, certification or other communication delivered to the Company in accordance with the terms of this Agreement shall be deemed to have been delivered to each Designated Borrower.

(d) The Company may from time to time, upon not less than 10 Business Days’ notice from the Company to the Agent (or such shorter period as may be agreed by the Agent in its sole discretion), terminate a Designated Borrower’s status as such, provided that there are no outstanding Loans payable by such Designated Borrower, or other amounts payable by such Designated Borrower on account of any Loans made to it, as of the effective date of such termination. The Agent will promptly notify the Lenders of any such termination of a Designated Borrower’s status.

SECTION 9.10 Governing Law. THIS AGREEMENT AND THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK’S GENERAL OBLIGATIONS LAW.

SECTION 9.11 Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopier shall be effective as delivery of an original executed counterpart of this Agreement.

SECTION 9.12 Judgment. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of each Borrower in respect of any such sum due from it to the Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of

this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by the Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Agent or any Lender from any Borrower in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Agent or any Lender in such currency, the Agent or such Lender, as the case may be, agrees to return the amount of any excess to such Borrower (or to any other Person who may be entitled thereto under applicable law).

SECTION 9.13 Jurisdiction, Etc. (a) Each Borrower and each other Loan Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Agent, any Lender or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than any New York State court sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the Notes, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in any such New York State court or, to the extent permitted by law, in such federal court. Each Borrower hereby agrees that service of process in any such action or proceeding brought in the any such New York State court or in such federal court may be made upon the Company at its offices specified in Section 9.02(a) and each Borrower hereby irrevocably appoints the Company its authorized agent to accept such service of process, and agrees that the failure of the Company to give any notice of any such service shall not impair or affect the validity of such service or of any judgment rendered in any action or proceeding based thereon. Each Borrower hereby further irrevocably consents to the service of process in any action or proceeding in such courts by the mailing thereof by any parties hereto by registered or certified mail, postage prepaid, to such Borrower at its address specified pursuant to Section 9.02(a). Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Other than with respect to actions brought by or against the Mexican Revolver Borrower or any other Loan Party organized in Mexico (whose submission to jurisdiction shall, for the avoidance of doubt, be exclusive to the parties involved), nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or the Notes in the courts of any jurisdiction. To the extent that any Borrower or Designated Borrower has or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether through service or notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property, each Borrower and each Designated Borrower hereby irrevocably waives such immunity in respect of its obligations under this Agreement.

(b) Each of the parties hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any right to any other jurisdiction that it may have by reason of domicile or any other reason and objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION 9.14 Substitution of Currency. (a) If a change in any Foreign Currency occurs pursuant to any applicable law, rule or regulation of any governmental, monetary or multi-national authority, this Agreement (including, without limitation, the definitions of Term Rate, Alternative Currency Daily Rate and TIIE Rate) will be amended to the extent determined by the Agent (acting reasonably and in consultation with the Company) to be necessary to reflect the change in currency and to put the Lenders and the Borrowers in the same position, so far as possible, that they would have been in if no change in such Foreign Currency had occurred;

(b) If a judgment or order made by any court for the payment of any amount in respect of any Obligations of a Loan Party under, or with respect to, this Agreement or the Advances is expressed in a currency other than the currency that such Advances were originally funded in, the Borrowers and the Domestic Loan Parties will indemnify the Lenders against any deficiency arising from any variation in rates of exchange between the date as of which the denomination currency is notionally converted into the judgment currency for the purposes of the judgment or order and the date of actual payment; provided that the Agent and the Lenders shall reimburse the relevant Loan Party if there is any excess amount arising from any variation in rates of exchange between the date as of which the denomination currency is notionally converted into the judgment currency for the purposes of the judgment or order and the date of actual payment.

SECTION 9.15 No Liability of the Issuing Banks. None of the Agent, the Lenders nor any Issuing Bank, nor any of their Affiliates, or the respective directors, officers, employees, agents and advisors of such Person or such Affiliate, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder, or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the applicable Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the applicable Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by such Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof or any failure to honor a Letter of Credit where such Issuing Bank is, under applicable law, required to honor it. The parties hereto expressly agree that, as long as the Issuing Bank has not acted with gross negligence or willful misconduct, such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole

discretion, either accept and make payment upon such documents without responsibility for further investigation or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

SECTION 9.16 Patriot Act. Each Lender that is subject to the Patriot Act and the Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or the Agent, as applicable, to identify such Loan Party in accordance with the Patriot Act. The Company and each other Borrower shall, and shall cause each of their Subsidiaries to, provide, to the extent commercially reasonable, such information and take such actions as are reasonably requested by the Agent or any Lender in order to assist the Agent and such Lender in maintaining compliance with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including, the Patriot Act.

SECTION 9.17 Release of Collateral. a) Notwithstanding any other provision herein or in any other Loan Document, the Agent is hereby authorized and shall release the Collateral from the Liens granted under the Collateral Documents securing the obligations under this Agreement on a Business Day specified by the Company (the “Optional Release Date”), upon the satisfaction of the following conditions precedent (the “Optional Release Conditions”).

(i) the Company shall have given notice to the Agent at least 10 days prior to the Optional Release Date, specifying the proposed Optional Release Date;

(ii) the Collateral Ratings Condition has been satisfied, as of the date of such notice has remained satisfied for an uninterrupted period of at least 30 consecutive days, and shall remain satisfied as of the Optional Release Date;

(iii) no Default shall have occurred and be continuing as of the date of such notice or as of the Optional Release Date;

(iv) all Liens on the Collateral securing the Notes, any Incremental Notes and any other obligations pursuant to the Collateral Documents, have been released as of the Optional Release Date or are released simultaneously with the release of the Collateral from the Liens securing obligations under the Loan Documents pursuant to this Section; and

(v) on the Optional Release Date, the Agent shall have received (A) a certificate, dated the Optional Release Date and executed on behalf of the Company by a Senior Financial Officer thereof, confirming the satisfaction of the Optional Release Conditions set forth in clauses (ii), (iii) and (iv) above and (B) such other evidence and calculations as the Agent may reasonably require confirming the satisfaction of the Optional Release Conditions set forth above.

If the conditions set forth above are satisfied on the Optional Release Date, then (i) on and after the Optional Release Date, the Agent shall execute and deliver all such instruments, releases, financing statements or other agreements, and take all such further actions, at the request and expense of the Company, as shall be necessary to effectuate the release of the Liens granted

under the Collateral Documents and (ii) as of the Optional Release Date all representations and warranties and covenants contained in this Agreement, the Security Agreement and any other Collateral Document related to the grant or perfection of Liens on the Collateral shall be deemed to be of no force or effect. Any such release shall be without recourse to, or representation or warranty by, the Agent and shall not require the consent of any Lender.

(b) Without limiting the provisions of Section 9.04, the Company shall reimburse the Agent for all costs and expenses, including attorneys' fees and disbursements, incurred by it in connection with any action contemplated by this Section.

(c) The Lenders hereby irrevocably agree that the Liens granted to the Agent by the Loan Parties on any Collateral shall be automatically released (i) in full, upon the termination of this Agreement and the payment of all Obligations hereunder (except for contingent indemnification obligations in respect of which a claim has not yet been made and any obligations which are expressly stated to survive), (ii) upon the sale or other disposition of such Collateral (including as part of or in connection with any other sale or other disposition permitted hereunder) to any Person other than another Loan Party, to the extent such sale or other disposition is made in compliance with the terms of this Agreement (and the Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Loan Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 9.01), (v) to the extent the property constituting such Collateral is owned by any Loan Party, upon the release of such Loan Party from its obligations under the applicable Guaranty (in accordance with the following sentence), (vi) with respect to any Obligations of the Company or its Domestic Subsidiaries, upon the sale or other disposition of such Collateral (including as part of or in connection with any other sale or other disposition permitted hereunder) to any Excluded Foreign Subsidiary, to the extent such sale or other disposition is made in compliance with the terms of this Agreement (and the Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (vii) as required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Agent pursuant to the Collateral Documents and (viii) upon any Principal Property (as defined in the Existing Sealed Air Notes) or capital stock constituting Collateral triggering the equal and ratable clauses under the Existing Sealed Air Notes, such Principal Property and capital stock constituting Collateral, while any Existing Sealed Air Notes remain outstanding. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents. Additionally, the Lenders hereby irrevocably agree that any Restricted Subsidiary that is a Loan Party shall be released from the Guaranties upon consummation of any permitted transaction resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary. The Lenders hereby authorize the Agent to, and the Agent shall upon request of any Loan Party, execute and deliver any

instruments, documents, and agreements necessary or desirable to evidence and confirm (A) the release of any Loan Party or Collateral and/or (B) the exclusion from the definition of “Collateral”, and from the Liens of the Secured Parties on the Collateral, of personal property leased by any Loan Party from a third party, in each case pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender.

(iii) shall have the independent and separate right to demand payment of each Parallel Debt in its own name (including, without limitation, through any suit, execution, enforcement of security, recovery of guarantees and applications for and voting in any kind of insolvency proceeding).

(e) The Parallel Debt of a Loan Party shall be (a) decreased to the extent that its Corresponding Debt has been irrevocably and unconditionally paid or discharged, and (b) increased to the extent that its Corresponding Debt has increased, and the Corresponding Debt of a Loan Party shall be (x) decreased to the extent that its Parallel Debt has been irrevocably and unconditionally paid or discharged, and (y) increased to the extent that its Parallel Debt has increased, in each case provided that the Parallel Debt of a Loan Party shall never exceed its Corresponding Debt.

SECTION 9.26 Designation of Different Applicable Lending Office. Each Lender may make any extensions of credit to the Borrower through any Applicable Lending Office, provided that the exercise of this option shall not affect the obligation of the Borrower to repay the extensions of credit in accordance with the terms of this Agreement.

SECTION 9.27 Consent and Agent Direction; Specified Collateral Release and Specified Guaranty Release. In connection with the Specified Collateral Release and the Specified Guaranty Release, each Lender hereby consents to the release of any Liens and Guarantees, and the termination of any Foreign Law Collateral Documents, in each case, existing on the Closing Date that are not required to be provided or maintained pursuant to Section 5.01(h), and consents to any actions the Agent may take in connection with any such releases or terminations, including any amendments or modifications to the Collateral Documents and the Foreign Subsidiary Guaranty as the Agent deems necessary, appropriate or advisable to effect the Specified Collateral Release and the Specified Guaranty Release. In furtherance of the foregoing, each Lender hereby (i) releases or terminates (and where applicable, consents to the release or termination, subject to any rights (including indemnifications) expressly stated to survive termination), with effect on the Closing Date, (A) any security interest over any assets not required to comprise the Collateral, (B) any Foreign Law Collateral Documents, and (C) any guarantee by any Person not required be a Guarantor, and (ii) directs the Agent to take all such actions, and to execute and/or deliver all such documents, releases, terminations, amendments, possessory collateral and agreements as it deems necessary, appropriate or desirable in order to effect the Specified Collateral Release and the Specified Guaranty Release (in each case, at the sole cost and expense of the Company).

SECTION 9.28 Electronic Execution. (a) This Agreement, any other Loan Document and any other Communication, including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. The Company (for itself and each Subsidiary Guarantor), each other Borrower, and each of the Agent, the Sustainability Coordinator and each Lender Party agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on such Person to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of such Person enforceable against such Person in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Agent and each of the Lender Parties may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record (“Electronic Copy”), which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, none of the Agent, Sustainability Coordinator, Issuing Bank or Swing Line Bank is under any obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by such Person pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Agent, Sustainability Coordinator, Issuing Bank and/or Swing Line Bank has agreed to accept such Electronic Signature, the Agent, the Sustainability Coordinator and each of the Lender Parties shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of the Company, any other Loan Party and/or any Lender Party without further verification and (b) upon the request of the Agent or any Lender Party, any Electronic Signature shall be promptly followed by such manually executed counterpart.

(b) None of the Agent, Sustainability Coordinator, Issuing Bank or Swing Line Bank shall be responsible for or have any duty to ascertain or inquire into the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document (including, for the avoidance of doubt, in connection with the Agent’s, Sustainability Coordinator’s Issuing Bank’s or Swing Line Bank’s reliance on any Electronic Signature transmitted by telecopy, emailed .pdf or any other electronic means). The Agent, Sustainability Coordinator, Issuing Bank and Swing Line Bank shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any Communication (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution or signed using an Electronic Signature) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

(c) The Company (on behalf of itself and each Subsidiary Guarantor), each other Borrower and each Lender Party hereby waives (i) any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document based solely on the lack of paper original copies of this Agreement, such other Loan Document, and (ii) waives any claim against the Agent, the Sustainability Coordinator, each Lender Party for any liabilities arising solely from the Agent's, the Sustainability Coordinator's and/or any Lender Party's reliance on or use of Electronic Signatures, including any liabilities arising as a result of the failure of the Loan Parties to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 9.29 Lender Representations. (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Agent, and each Joint Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Agent and each Joint Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

(c) The Agent and each Joint Lead Arranger hereby informs the Lenders that each such Person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments and this Agreement, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

SECTION 9.30 **Amendment and Restatement.** To the extent the Existing Obligations remain outstanding after giving effect to the Closing Date Refinancing, such Existing Obligations shall comprise Obligations under this Agreement and the other Loan Documents, and neither this Agreement nor any other Loan Document entered into on the Closing Date or otherwise in connection with the Closing Date Refinancing shall constitute a novation or a termination of such Existing Obligations, and the Collateral (as defined in the Existing Credit Agreement) shall, except to the extent released pursuant to the Specified Collateral Release, comprise Collateral for purposes of this Agreement and the other Loan Documents and shall secure, support and otherwise benefit the Obligations of the Loan Parties under this Agreement and the other Loan Documents.

SECTION 9.31 **Obligations Among Borrowers.** The Obligations of the Company and each Borrower that is a Domestic Subsidiary shall be joint and several in nature. Notwithstanding anything to the contrary herein, the Obligations of all Borrowers that are Foreign Subsidiaries shall be several in nature (and not joint). The failure of any Borrower to make any payment (including, without limitation, in respect of principal repayment, any prepayments, any interest payments and/or any fee payments) pursuant to the terms of this Agreement or any other Loan Document, in each case, on any date required hereunder or thereunder, as applicable, shall not relieve any other Borrower of its corresponding obligation to

do so on such date, and no Borrower that is a Foreign Subsidiary shall be responsible for the failure of any other Borrower to so make its payments hereunder or thereunder, as applicable.

SECTION 9.32 Acknowledgement Regarding Any Supported QFCs Obligations Among Borrowers. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Contract or any other agreement or instrument that is a QFC (such support, “QFC Credit Support”, and each such QFC, a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 9.32, the following terms have the following meanings:

“BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Covered Entity” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).
