1. For each selling stockholder, this number represents the number of shares of common stock that would be beneficially owned by such selling stockholder after the conversion of the Notes beneficially owned by such selling stockholder as of March 9, 2004, assumes that the selling stockholders will sell all shares of common stock offered by them under this prospectus, and further assumes that all of the Notes have been converted.

2. For each selling stockholder, this number represents the percentage of common stock that would be owned by such selling stockholder after completion of the offering, based on the number of shares of common stock outstanding as of March 9, 2004 and assuming all the Notes beneficially owned by such selling stockholder as of March 9, 2004, have been converted.
3. We have been advised that these companies are subsidiaries of The Allstate Corporation.
4. We have been advised that Messrs. Yan Erlikh and David Liebowitz may be deemed the beneficial owners of these shares by virtue of their voting control and investment discretion with respect to these shares.
5. We have been advised that Mr. Lawrence Keele may be deemed the beneficial owner of these shares by virtue of his voting control and investment discretion.
6. We have been advised that Bradford Whitmore and Michael Brailov may be deemed the beneficial owners of these shares by virtue of their voting control of Grace Brothers Management, LLC, which has voting control and investment discretion with respect to these shares.
7. Assumes conversion of 100% of the outstanding Notes (without giving effect to any capital adjustments). We note that the aggregate number of shares of common stock requested to be registered by the selling stockholders is greater than the total number of shares initially issuable upon conversion of 100% of the outstanding Notes. This may be due in part to sales or other transfers of Notes among the selling stockholders in which the person acquiring the Notes submits a request to register shares of common stock which were previously registered by the person who sold the Notes.
